three novels two worlds one story enter an adrenaline laced epic where dreams and reality collide black an incredible story of evil and rescue betrayal and love and a terrorist threat unlike anything the human race has ever known a virulent evil has been unleashed upon the people of earth the only man who can stop it is thomas hunter an unlikely hero whose life is stretched between two worlds every time he falls asleep in one reality he awakes in the other soon thomas no longer knows which reality is real yet it quickly becomes apparent that his choices in each world impact the other and that the fates of both rest in his hands red in one world thomas hunter is a battle scarred general commanding an army of primitive warriors in the other he is racing to outwit sadistic terrorists intent on creating global chaos through an unstoppable virus thomas must find a way to change history or face the destruction of two worlds white thomas hunter has only days to survive two separate realms of danger deceit and destruction the fates of both worlds now rest on his unique ability to shift realities through his dreams thomas and the circle must quickly decide who they can trust both with their own lives and the fate of millions and neither the terror of black nor the treachery of red can prepare thomas for the forces aligned against the circle in white brings together the three volumes of the author's circle trilogy featuring thomas hunter's battles to survive in two separate worlds filled with treachery destruction and terror more than a million fans have read the circle series now dive deeper and see it in a whole new light introducing the visual edition of the epic novels black red and white thomas hunter is a failed writer selling coffee at the java hut in denver leaving work he suddenly finds himself pursued by assailants through desert alleyways then a silent bullet clips his head and his world goes black from the blackness comes an amazing reality of another world where everything is somehow more real and dangerous than on earth in one world he is a battle scarred general commanding an army of primitive warriors in the other he is racing to outwit sadistic terrorists intent on creating global chaos through an unstoppable virus every time he falls asleep in one world he awakens in the other yet in both catastrophic disaster awaits him may even be caused by him enter the circle an adrenaline laced epic where dreams and reality collide where two worlds are on the brink of destruction with one unthinkable solution 1 new york times bestselling author nora roberts presents a collection that includes all three novels in her epic circle trilogy as a storm rages a tale begins of a powerful vampire's lust for destruction and of the circle of six charged by a goddess to stop her Morrigan's cross at the goddess Morrigan's charge Hoyt Mac Cionaoith must gather five others to form a ring of power strong enough to overcome Lilith and it is in this circle hundreds of years in the future where Hoyt will learn how strong his spirit and his heart have become dance of the gods while demon hunter Blair Murphy has always worked alone she finds herself drawn to Larkin a man of many shapes to prepare for their fight against Lilith the circle of six travels through time to Larkin's world where Blair must decide if she can risk everything for a love that can never be valley of silence as queen of Geall scholarly Moira must prepare her subjects to battle against the vampire who killed her own mother still there is one vampire to whom she would trust her soul but how can Cian truly love a woman whose life is sure to end if not by Lilith's hand then by the curse of time in the mystical realm of the seven circles all creatures live in harmony within their own sphere the noble centaurs live in the forests the goblins and trolls lurk underground and in the tranquil center the most evolved beings of all the elves and the druids dwell in a peace that has lasted from time out of mind that is about to change disaffected members of all the races are gathering into a seditious force that may portend the fall of the seven circles into chaos strangers to brutality and warfare the druids need a champion who can teach them to defend themselves to this aim they recruit warriors from a warlike world where only the strong survive a primitive world where life lasts only as long as you can fight for it a world called earth absolutely nobody builds a more convincing fantasy realm than Doug Niles Jr a salvatore bestselling author of the demon awakens Niles writes so well that his characters come to life after only a few lines Starlog Saga's beloved mother begins to suffer the irreversible effects of dementia and Saga must step up and assume the leadership of her family's timber and mining business which has been in her family for hundreds of years has Saga's appointment been approved because the members of the board believe she is capable or only capable of being manipulated Saga moves between her past lives and her current life as she struggles with all of the shifting alliances and competing agendas while urgently attempting to put together the disparate pieces of this puzzle the names and faces of people from her past also inhabit the present each playing a part as the conflict widens and the stakes become higher Saga finds herself in the center of a dangerous international conspiracy that threatens the family business the indigenous Sámi people the ancient migratory path of the reindeer as well as the safety and security of her country and the survival of Mother Earth who will come to her aid when all avenues to a successful resolution are blocked by her evil adversary who has stalked her from lifetime to lifetime Saga must distinguish who she can trust from those who are motivated by greed and intent on doing her harm is this the ultimate conflict she has prepared for throughout the trials and tribulations of all of her incarnations what a stunning novel raw real smart very thrilling and very very wicked the circle is twilight by way of the girl with the dragon tattoo lev grossman new york they stand shoulder to shoulder with the local people of geall together they must defeat the vampire queen lilith and her army or lose the world to her dark embrace but one of the circle is hiding a troubling secret to lead her people into battle geall s scholar princess moira must follow her destiny and become their queen but she must also deal with her growing feelings for cian the vampire and a love as impossible and fraught with danger as the war they must face together thomas tries to fight wars on two different worlds one in which a virus threatens to wipe out all life and the other in which a forbidden love can destroy the circle modern day new york glenna ward is a strong independent woman she is also a witch and knows that one day her powers will be put to the test when the mysterious hoyt mac cionaoith enters her life in the strangest of circumstances glenna finds herself irresistibly drawn to him but even she is unprepared for the reason he has sought her out and the danger that lies ahead of them twelfth century ireland hoyt mac cionaoith is visited by the goddess morrigan and charged with the ultimate task to save his and all future worlds hoyt s enemy is lilith the beautiful but deadly vampire queen who recruited hoyt s twin brother cian five others must join hoyt in his battle to defeat lilith the witch the warrior the scholar the one of many forms and the one you ve lost now he must find them before it s too late and glenna is the first on his list here in a single volume for the first time is the trilogy of novels in which reynolds price traces the paths of two families the mayfields and the kendals through nearly two centuries of american history the oldest character is born in 1815 the youngest in 1985 though their aims and wanderings carry some of them to distant states and as far afield as europe both families are rooted in north carolina and virginia and their eventually joined lives are enhanced and deeply shadowed by the racial complexities of their world no other narrative has portrayed that entanglement nor the gifts and ravages of sexual hunger and family life more honestly and compellingly than a great circle the narrative energy of the trilogy arises however simply from the dozens of men women and children whose memorable contentments failures and sacrifices weave a

story that is as persuasive as any human drama it is also the secret history of a nation in crisis from the becalmed aftermath of the civil war through the great depression and the wars of the twentieth century to the struggles for racial and sexual equality the devastations of the aids plague the poised hopes of the third millennium and a great deal more in the final richness of its texture it offers the joy implicit in all steady views of the world the critic michael kreyling has said trilogies produced by american novelists in the twentieth century can scarcely match a great circle s sweep and finesse any reader in search of the ancient pleasures of wit and laughter tragedy and recompense and the healing surprises of pattern and harmony inherent in the broader reaches of narrative will find plentiful reward in a story which literally answers to all the meanings of the old word saga this combined edition contains a new preface by the author a family tree and an annotated list of major characters the vampire trilogy written by roberts 1 new york times bestselling author comes full circle as the author forges together the passions and fates of a sorcerer a witch a warrior a scholar a shapeshifter and a vampire who is all too human fiona dolan has felt misunderstood her entire life it s not easy for a gifted student with a curious mind to endure life in rural america when the stars align she is awarded a scholarship to a prestigious college in chicago and the means to escape the small minded judgments of her parochial community if this move is going to be her entrée into a new life then fiona has a secret she must protect for she is a seer and a seeker triggered by recurring recollections of past traumas fiona now slips effortlessly between her past lives and her current life with greater regularity the visions and memories leave her untethered as she questions what is real and what might be created by pure imagination how will she adjust to life in a big city the diversity of the people who live there and ideas that challenge what she has been taught to believe trying to balance the joie de vivre of her new found freedom with the rigor of academia fiona gets caught in an ethical dilemma when she falls in love with a man who is deemed unacceptable by the standards of her provincial upbringing fiona must decide if she will let her traditional family dictate her choices and control her path or if she will follow her heart and pursue a life of her own choosing each visit to her past clarifies her vision and provides insight into the nature and character of the people in her life including an evil nemesis who has stalked her from lifetime to lifetime and is hell bent on teaching her a lesson just as life seems to be working out all of fiona s carefully laid plans are upended when chaos and drama erupt back home leaving fiona to seek answers to those questions that wake her in the night and demand explanations will fiona allow her past to dictate her future after a mystery phone call jessica pearce is suddenly embroiled in events that have been orchestrated way before her birth then when a mysterious man turns up at her doorstep she must learn to trust her feelings and follow him in a journey of discovery that endangers them both and the very fabric of the universe she must learn the truth about herself and her origins and the clock is ticking a journey that began five centuries in the past must now join with the present to ensure there is a future saga a skeptical 35 year old woman consults a past life regression therapist to confront the nebulous fear she carries why is she so intent on sabotaging her own life during the initial session saga travels back to 1975 to rural iowa where she embodies 18 year old fiona dolan a farm girl who has always felt like an outsider even in her large irish catholic family fiona has been labeled as a storyteller but this is just another way to say they think she is a liar even her own mother thinks she s too smart for her own good only her grandmother recognizes that she has the gift fiona like her grandmother is an old soul carrying knowledge from other lifetimes a traumatic event catapults her further back in time where she once lived as a different person remembering her past she struggles with her own capacity for violence as she confronts the realization that members of her family and community betrayed her not only in other lifetimes but they have followed her into her current life and are seeking vengeance fiona s story becomes intricately intertwined with saga s as she time travels between both realities can she find a way to break the karmic cycle of revenge and retribution the seer is the first book of the full circle trilogy dive deep into the stories that began it all ted dekker s first novels collected together for the first time this trilogy is the collection of three gripping psychological thrillers that peel back the skin of this world to reveal a supernatural reality rarely seen a daring wager of life and death in denver an unfathomable leap of faith in a small balkan village near the end of wwii a here in a single volume for the first time is the trilogy of novels in which Reynolds Price traces the paths of two families the Mayfields and the Kendals through nearly two centuries of American history the oldest character is born in 1815 the youngest in 1985 though their aims and wanderings carry some of them to distant states and as far afield as Europe both families are rooted in North Carolina and Virginia and their eventually joined lives are enhanced and deeply shadowed by the racial complexities of their world no other narrative has portrayed that entanglement nor the gifts and ravages of sexual hunger and family life more honestly and compellingly than a Great Circle the narrative energy of the trilogy arises however simply from the dozens of men women and children whose memorable contentments failures and sacrifices weave a story that is as persuasive as any human drama it is also the secret history of a nation in crisis from the becalmed aftermath of the Civil War through the Great Depression and the wars of the twentieth century to the struggles for racial and sexual equality the devastations of the AIDS plague the poised hopes of the third millennium and a great deal more in the final richness of its texture it offers the joy implicit in all steady views of the world the critic Michael Kreyling has said trilogies produced by American novelists in the twentieth century can scarcely match a Great Circle's sweep and finesse any reader in search of the ancient pleasures of wit and laughter tragedy and recompense and the healing surprises of pattern and harmony inherent in the broader reaches of narrative will find plentiful reward in a story which literally answers to all the meanings of the old word saga this combined edition contains a new preface by the author a family tree and an annotated list of major characters
