this illuminating and engaging guide will help you navigate every relationship in your life with a little help from the stars rise and shine is a captivating children s book that will create a spark of joy in the hearts and minds of every reader it will inspire children to have confidence in themselves and to use their gifts to make a difference in the world our children are our greatest blessings they are our most important work and what we leave in them now is what will stay with them forever so the message of this book serves to encourage children everywhere to reach for their dreams in a world full of possibilities they must know and believe that their dreams are possible too because our future generation is not full of darkness they are powerful lighthouses destined for greatness and within each child lies special gifts that will help to change the world these wonderful gifts that they have are precious and we are never to join the choir of voices that tell them what they can t be in life we as the pioneers hold the responsibility to tell our children who they are and what they have the potential to be we must be the voices that protect their dreams not the voices that destroy them so i invite you to help me change the world one child at a time let s band together as a village to tell our children to rise with strength at every opportunity and shine bright
