## **PROPERTY! SUCCESS the Fundamentals 2002**

the essential guide to buying the perfect investment property interest  
in buying property is at an all time high but while everyone s talking  
about it the number of people actually doing it isn t escalating at the

~~same rate the reason is simple would be buyers are being held back by~~  
fears that they ll choose the wrong property and pay too much for it too  
find the right property buy at the right price is here to help putting  
author melissa opie s 25 year history in real estate at your fingertips  
so that you can be certain you re making the right decision part of the  
reason buyers are so worried about making a bad deal is that the market  
moves so fast and current information dates quickly every quarter  
newspapers all over australia print median house prices indicating which  
areas have gone up and by how much but there s so much more information  
a buyer needs to feel confident before dipping their toes in the  
property buying waters with this book in hand you ll have that all  
important extra knowledge answers key questions like which properties  
should i target in these boom areas and how do i know i m paying the  
right price distils property buying rhetoric in a simple easy to follow  
way features numerous case studies and real life examples to help  
illustrate strategies and potential pitfalls includes checklists to help  
you make sure you aren t missing anything when buying a property find  
the right property buy at the right price is here to allay your property  
buying fears from a respected expert with an impeccable track record it  
s the only book you need to make a responsible informed and profitable  
purchase

## **The 9 to 5 Property Millionaire** 2014-01-10

the properties of violence focuses on two connected issues representations of lynching in late nineteenth and twentieth century american photographs poetry and fiction and the effects of those representations alexandre compellingly shows how putting representations of lynching in dialogue with the history of lynching uncovers the profound investment of african american literature as an enterprise that continually seeks to create conceptual spaces for the disenfranchised culture it represents in matters of property and territory through studies ranging from lynching photographs to toni morrison s pulitzer prize winning novel beloved the book demonstrates how representations of

~~lynching demand that we engage and discuss various forms of possession~~  
and dispossession the multiple meanings of the word representation are familiar to literary critics but alexandre s book insists that its other key term effects also needs to be understood in both of its primary senses on the one hand it indicates the social and cultural repercussions of how lynching was portrayed namely what effects its representations had on the other hand the word signals too the possessions or what we might call the personal effects conjured up by these representations these possessions were not only material as for example property in land or the things one owned the effects of representation also included diverse less tangible but no less real possessions shared by individuals and groups the aura of a lynching site the ideological construction of white womanhood or the seemingly default capacity of lynching iconography to encapsulate the history of ostensibly all forms of violence against black people
