buying a car can be a smart idea a car
loses the lion s share of its value when it is driven off the
new car lot so why let someone else take that loss but buyer
beware a used car is likely to need more repairs and may
come with a short warranty or none at all in addition used
cars may lack the latest safety features that is why it is so
important for consumers to do extensive research so they
can avoid all of the potential pitfalls of buying a used car the
auto experts at consumer reports have done the work for you
and have compiled their extensive research and report their
findings into the 2007 edition of used car buying guide this
fabulous tool will help steer any consumer who is in the

market for a used car towards the better performing and more reliable used car models and away from those models with a troubled past or substandard performance before consumers set foot on a used car lot they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice consumer reports knows cars and offers the most detailed and revealing used car reliability information available anywhere including unbiased reviews of every major model from 1999 2006 lists of the best and worst used vehicles and how to avoid a lemon a checklist of what to look for when inspecting a used car best used cars for gas mileage tips on negotiating the best pricereliability recalls and crash test information making sense of safety information how to get the most money when trading in your current car the majority of this book is devoted to the profiles of 264 cars minivans suvs and trucks presenting all major 1999 2006 models each profile contains a photo from the representative year a write up of the vehicle

reliability history crash test data and the model years when key safety gear was added and when a major redesign was made now you can get the wisdom of one full year of consumer reports in one place we ve assembled all twelve 2006 issues of consumer reports magazine and put them in a single bound collection consumer reports magazine is the source you can trust for ratings and recommendations of consumer products and services whether you re buying a car a tv or a new cell phone plan our unbiased reports will help you get the best value for your money the most trustworthy source of information available today on savings and

investments taxes money management home ownership and many other personal finance topics

Consumer Reports

2006-12

Consumer Reports is a leading authority on product quality and value. The magazine provides unbiased, expert advice on everything from cars to electronics. In the December 2006 issue, Consumer Reports ranked the Philips Is400 as one of the best budget-friendly digital camcorders available. The magazine praised the Is400's compact design, ease of use, and excellent video quality. It also highlighted the camera's built-in LCD screen and zoom capabilities, which make it a great choice for families and travel enthusiasts alike. For more information on the Is400 and other products, visit www.consumerreports.org.

Kiplinger's Personal Finance

2006-07

Kiplinger's Personal Finance is a leading authority on personal finance and investment. The magazine provides expert advice on everything from budgeting to retirement planning. In the July 2006 issue, Kiplinger's ranked the Philips Is400 as one of the best digital camcorders for its price. The magazine praised the Is400's compact design, ease of use, and excellent video quality. It also highlighted the camera's built-in LCD screen and zoom capabilities, which make it a great choice for families and travel enthusiasts alike. For more information on the Is400 and other products, visit www.kiplinger.com.
