the legend of zelda a is an action adventure game franchise created by the japanese game designers shigeru miyamoto and takashi tezuka it is primarily developed and published by nintendo although some portable installments and re releases have been outsourced to flagship vanpool and grezzo its gameplay incorporates action

league of legends **May 12 2024**

league of legends is a free-to-play multiplayer online battle arena (MOBA) video game developed and published by Riot Games. It is set in the fantasy world of Runeterra and features a variety of champions, each with unique abilities and playstyles. The game is played on a map where two teams of five players each compete to destroy the enemy's base. League of Legends has a large and active player base, with a strong competitive scene and a thriving esports community.
