## Three Little Mermaids

2011-01-25

have a tea party undersea and practice counting with three little mermaids a sparkling interactive novelty concept book by bestselling creator mara van fleet in mara van fleet s shimmering interactive novelty concept book count from one to ten while you visit the bottom of the deep blue sea and meet sparkly fish soft seals dancing turtles and a friendly octopus with pull tabs and touch and feel textures never has counting been so much fun

## Kingdoms Come

1992-03-15

as scholars continue to explore the political implications of grass roots religions around the world kingdoms come examines the three main popular religions in brazil folk catholicism protestant pentecostalism and afro brazilian spiritism to trace the contrasting patterns of acceptance or rejection of political paradigms within these three groups in spite of these differences ireland s close analysis of these movements leads him to the conclusion that all three embrace traditions that foster a deepening of brazil s nascent democracy

## Breach of Promise

2009-05-26

how far will a father go to get back his only daughter and how will he survive in a legal system that crushes those who can t afford to fight back mark gillen has the storybook life other men dream of complete with a beautiful wife and an adoring five year old daughter then his wife announces she s leaving him and taking their daughter with her the other man is a famous film director with unlimited funds and the keys to stardom and wealth for paula how can mark begin to compete but the most bitter blow comes when he is kept from seeing his daughter because of false charges and a legal system ill

suited for finding the truth forged in the darkest valley mark has ever walked through his faith in god may ultimately cost him everything in the eyes of the family law system but it is the one thing that can keep him sane and give him the strength to fight against all odds for what matters most

## Good-bye to the Mermaids

2006

good bye to the mermaids conveys the horrors of war as seen through the innocent eyes of a child it is the story of world war ii as it affected three generations of middle class german women karin six years old when the war began who was taken in by hitler s lies her mother astrid a rebellious artist who occasionally spoke out against the nazis and her grandmother oma a generous and strong willed woman who having spent her own childhood in america brought a different perspective to the events of the time it tells of a convoluted world where children were torn between fear and hope between total incomprehension of events and the need to simply deal with reality in one of the relatively few recollections of the war from a german woman s perspective finell relates what was for her a normal part of growing up participating in activities of the hitler youth observing nazi customs at christmas and once being close enough to the führer at a rally to make eye contact with him she tells of how she first became aware of the yellow star that jews were forced to wear and of being asked to identify corpses from a bombed apartment house she also depicts the lives of people tainted by hitler s influence her half jewish relatives who gave in to the strain of trying to remain unnoticed a favorite aunt who was gassed because she was old and had broken her hip and a friend of the family who was involved in the abortive putsch against hitler and hanged as a traitor when american and british forces intensified air raids on berlin in 1943 finell observed the stoical valor of women during the bombings firestorms and mass evacuations not yet a teenager she witnessed the battle for berlin and the mass rapes perpetrated by conquering russian and mongolian troops order was restored after the american and british troops arrived the marshall plan jump started an economic recovery

## grade 11 physical science oxford study guide (PDF)

for west germany provoking the russians to blockade berlin from 1948 to 1949 the americans and british kept berlin s residents alive with the airlift but even though food was flown in the people of berlin continued to go hungry deprivation forced berliners to look inward and face their collective guilt as they withstood the threat of soviet occupation during these postwar years this eloquent and touching story tells how a decent people were perverted by hitler and how a young girl ultimately came to recognize the father figure hitler for the monster he was from a time of innocence karin finell takes readers along a nightmarish journey in which fantasies are clung to set aside and at last set free good bye to the mermaids presents us with the revelation that human beings can survive such times with their souls intact

subject in its historical and literary context a detailed and updated bibliography provides information about background literature and further reading material in addition the a to z entries are accompanied by over 60 beautiful and carefully selected black and white illustrations already renowned in its field the second edition of this unique work is an essential companion for anyone interested in fairy tales in literature film and art and for anyone who values the tradition of storytelling

### The Oxford Companion to Fairy Tales

2015-09-10

like a gonzo mirror universe occult version of the stepford wives with a dash of stephen king thrown in a compellingly uncanny narrative globe and mail a creepy fun read with characters ready made for a hollywood casting call maclean s desperate housewives meets the witches of eastwick in susie moloney s wonderfully creepy novel the thirteen a paranormal thriller that blends contemporary suburban concerns and mores with the fiendishly supernatural the thirteen is the story of a woman who returns to her childhood home with her daughter only to discover that the community is now run by a group of witches with nasty plans for the both of them a wonderfully dark and original tale the thirteen will appeal to a wide range of readers from fans of laura kasischke jennifer mcmahon melissa de la cruz and melissa marr to anyone who has ever appreciated the delicious chills of rosemary s baby

### The Thirteen

2012-03-27

the mermaid did it is the 4th book in the murder by the sea series by carol ann ross a trip to weeki wachee in florida proves to be very enlightening as carrie and don are led to this mermaid capital of the world a resort in florida founded in the late 1940s who would have thought mermaids existed aren t they fantasy oh they are alive and well and are doing just fine in florida a few of them have even made their way to topsail but there seems to be different kinds of mermaids

not all are sweet little disney characters some are like those in greek mythology bent on destruction carrie wrestles with how anyone can be so manipulative so vain so cruel someone with a conscience could never be that way a cooler don offers explanations carrie can t accept mirror mirror on the wall who s the prettiest mermaid of all she takes you down oh how she takes you down oh how she makes you want to scream this momma from hell this mermaid estelle

smith s latest is as delicious as a slice of key lime pie and gone just as fast people it s very different and it s very special and it s very good i loved it dolly parton a driving force in literature lee smith returns with a road trip novel a story full of hope and humor about not going away quietly at any age herb s charmed life with his dear wife susan in their key west house is coming undone susan in her 70s now needs constant care and herb is in denial about his own

ailing health the one bright spot is the arrival of an endlessly optimistic manicurist calling herself renee she sings to susan during manicures gets her to paint and brings her a much needed sense of contentment then herb and susan s adult children arrive to stage an intervention with their stubborn independent father and as a consequence renee s gig with susan and her grand plans for her own life start to unravel as well herb isn t ready to let go of all that he has ever had and it turns out that renee is not the happy uncomplicated girl she pretends to be she is not even renee she is really dee dee and she too has reasons of her own to hit the road so herb suggests one last joy ride in his porsche with her riding shotgun and they light out for parts north setting off a silver alert as the unlikely friendship between herb and dee dee deepens we see how as one life is closing down another opens up this time that dee dee has spent with susan this time in key west and this time in the porsche with the elderly herb reveals to dee dee how much more truly lies ahead in this buoyant novel the masterful smith asks what life do we deserve and how do we make it our own sometimes you just have to seize the wheel

## Silver Alert

2023-04-18

note this is a series with a cliffhangerdo you know someone who is petty to the bone someone who has to have the last say in every situation the most trivial offense warrants them to unleash their petty wrath are you that person meet halo daniels a twenty eight year old uber driver and aspiring actress halo dreams of seeing herself on the big screen but first she must get next to one of the top movie producers in hollywood to do so she must succumb to some rather shady tactics as she works her way through the industry she s finally able to reel him in with her feminine wiles and charismatic personality however that s only the beginning halo soon finds herself submerged in a web of lies and deceit willing to do anything to make it to the top meanwhile her personal life is as chaotic as some of the roles she auditions for her biggest challenge will be overcoming her petty ways before she completely alienates those closest to

her how far will she be willing to go to become successful  
will the sacrifices she makes be worth the price of fame

## **Petty to the Bone**

2016

drawing on cognitive science evolutionary theory anthropology psychology literary theory and other fields zipes presents a nuanced argument about how fairy tales originated in ancient oral cultures how they evolved through the rise of literary culture and print and much more

## **The Irresistible Fairy Tale**

2012

emerging from darkness daring to take form and become something more than the other monsters stalk these pages shifting form in true monstrous fashion as they inhabit literature and film history and parallel communities modelled after our own they become enmeshed in popular music run rampant through cities take androgynous form to rally for their own identities their own futures and their own families and they hold up mirrors while we are caught shattering our sense of self both the past and the future are rich fodder for the evil that monsters do and from freak show to homunculus to serial killer to cyborg they remind us that they are never far from sight and that we cannot look away even if we wish to monstrosity from the inside out takes as the paradox that monsters are simultaneously impossible and very much a part of what it means to be human

emerson goes to the movies individualism in walt disney company s post 1989 animated films traces the theme of emersonian individualism in the walt disney company s post 1989 animated films to reveal that the philosopher s influence extends not only over american literature but also

## grade 11 physical science oxford study guide (PDF)

over american popular culture in this case disney cartoons it proves that individualism in its emersonian formulation of self reliance even if questionable in late 20th and 21st century literature is still very much alive in popular culture disney films are heavy with ideology and american national myths and because of their educational role it seems relevant to acknowledge this dimension and discuss the sources of the disney worldview this book instead of focusing on disney s influence upon its audience concerns rather what influences disney how disney reflects the american mentality and how the idea of individualism is depicted in the company s particular films the principal way of reading particular disney films is the cultural studies approach thus the book presents romantic individualism with reference to such categories as race gender class and imperialism the idea behind such an approach is to see how various cultural fields intersect with individualism whether individualism means the same for men and women whether as an american ideology it succeeds at erasing differences when applied to exotic and non individualist cultures whether the individual turns out to be stronger than all social divides and whether individualism can be seen as informing the american mentality on a national scale
