this handbook is an in depth introduction to the theory and practice of byzantine icon painting in egg tempera the aim is to help all students aspire to create icons that are both sound theologically while being aesthetically beautiful this volume focuses

on the face of christ especially in the mandolin icon and covers all the basics of icon painting subsequent volumes are planned which will look at the figure and the kyykotissa icon the design of festal icons backgrounds and buildings this handbook uses dozens of precisely chosen clear illustrations gives precise recipes for colours and mixtures provides step by step instructions to follow and links directly to video demonstrations which show some of the most difficult processes close up it puts the practical aspects of icon painting in a clear historical and theological framework introducing the application of the timeless principles on which the aesthetics of icon painting are built as art for the church s liturgy icon painting calls for the highest aesthetic standards and this book aims to help make that achievable for the average committed student icon painting is presented here as a vocation rather than a hobby or an interesting artistic technique though this handbook will be of interest to anyone drawn to the world of the byzantine liturgy and its icons by encouraging students to do more than simply copy good examples from the past but to understand how the medieval christian artist understood what he or she was doing and how they put that into practice this handbook brings the world of the byzantine artist back to life icon painting is opened up as a living art form for today s church the author who has theology degrees from oxford university and heythrop college in london has many years of icon teaching experience founding the bethlehem icon school in 2010 at the emmanuel greek catholic monastery in bethlehem where he continues to teach from time to time this handbook began as handouts for his students on the prince s school of traditional arts icon painting course while that was being run at the bethlehem icon centre in palestine and has finally emerged as a companion to the online academy course in icon painting and for members of the arbor vitae icon academy which the author established during the covid pandemic

in western religious traditions god is conventionally conceived as a humanlike creator lawgiver and king a being both accessible and actively present in history yet there is a concurrent and strong tradition of a god who actively hides the two traditions have led to a tension between a god who is simultaneously accessible to humanity and yet inaccessible a god who is both immanent and transcendent present and absent western gnostic esoteric and mystical thinking capitalizes on the hidden and hiding god he becomes the hallmark of the mystics gnostics sages and artists who attempt to make accessible to humans the god who is secreted away histories of the hidden god explores this tradition from antiquity to today the essays focus on three essential themes the concealment of the hidden god the human quest for the hidden god and revelations of the hidden god

the true story about a shipwreck discovery exciting explorations broken alliances and returning a lost piece of alaskan history

since its sinking in 1860 while transporting a valuable cargo of ice the kad yak ship had remained submerged underwater and faded in alaska s memory covered by the legend of an experienced but perhaps rusty sailor and a broken promise to a saint at the time the ship had been under command of the well recognized captain illarion arkhimandritov who had sailed in alaskan waters for years it seemed a simple task when he was asked to placate superstitions and honor the late father herman or saint herman on his next visit to kodiak island but arkhimandritov failed to keep his promise and shortly thereafter the kad yak met its demise in the very waters the captain should have been most familiar with leaving just the mast above the water in the shape of the cross right in front of the saint s grave presumed gone or else destroyed it wasn t until 143 years later that the kad yak was found in this riveting memoir scientist bradley stevens tells all about the incredible discovery and recovery of the ship deciphering the sea captain s muddled journal digging through libraries and other scientists notes boating over and around the wreck site in circles through careful documentation interviews underwater photography and historical research stevens recounts the process of finding the kad yak as well as the tumultuous aftermath of bringing the legendary ship s story to the public from the formed collaborations to torn partnerships to the legal battles an important part of alaska s history told from stevens s modern day sea expedition the ship the saint and the sailor reveals one of the oldest known shipwreck sites in alaska discovered and its continuing story today

what drove u s catholics in their arduous quest full of twists and turns over more than a century to win an american saint the absence of american names in the canon of the saints had left many of the faithful feeling spiritually unmoored but while canonization may be fundamentally about holiness it is never only about holiness reveals kathleen sprows cummings in this panoramic passionate chronicle of american sanctity catholics had another reason for petitioning the vatican to acknowledge an american holy hero a home grown saint would serve as a mediator between heaven and earth yes but also between

catholicism and american culture throughout much of u s history the making of a saint was also about the ways in which the members of a minority religious group defined defended and celebrated their identities as americans their fascinatingly diverse causes for canonization from kateri tekakwitha and elizabeth ann seton to many others that are failed forgotten or still under way represented evolving national values as catholics made themselves at home cummings s vision of american sanctity shows just how much catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and american history until they finally felt little need to prove that they belonged

in this thought provoking and beautifully illustrated volume jacobs invites us to reconsider the significance of joseph of nazareth and the role and influence he had in the life of jesus relying on a careful reading of scripture and recent archaeological studies he challenges the historic and contemporary assumptions of those who have sought through their writing and art to marginalize joseph and his importance in christian history and the life of the church recognizing that joseph is often minimized or left out of religious and cultural representations of the holy family in plays and in christmas cards he reminds us that like mary joseph was chosen by god to care teach and shape the one who would bring salvation and hope to the world in the process jacobs encourages us to see joseph as scripture presents him as believer dreamer prayer protector teacher husband and father and as more than just the other person in the picture

the original forests of the central and northern highlands of ethiopia are almost entirely confined to the sacred groves surrounding the churches and monasteries of the ethiopian orthodox tewahido church in ethiopian tradition sanctity starts from the tabot on the altar of the church and extends to the outer periphery of the compound church forests serve as shade and shelter for the sacred and are seen as integral parts of the churchyard the act of gebre menfes qiddus ggmq is an original ethiopic hagiographic text it depicts the life and struggle of the saint in the wilderness of forests and mountains hagiographic texts like ggmq are in ethiopia not mere historical records but texts linked to the daily liturgical services that shape and mould the perceptions and actions of their readers and listeners the aim of the thesis is to analyse how ggmq presents the relation between the saint and the natural environment in order to see if there is a correlation with how the ethiopian tradition has preserved the church forests and has considered these to be sacred spaces representing the wilderness the aim is achieved through a close reading of the text and its intertexts using four selected themes as analytical instruments ascetic estrangement coexistence with non human creation identification with the angels and reconciliation of opposites the analysis and the fact that the ggmq is one of the most venerated texts read and heard with great liturgical solemnity show that there are good reasons to believe that the constant reading of ggmq has made and makes a significant impact upon the readers views on the mutual co habitation of human and non human creation and the development of an awareness of the need to preserve the wilderness and non human creation
