The Virginians 1896 the twenty papers contained in this volume are a humble contribution to a cause which is exciting much interest in the present day i mean the cause of scriptural holiness it is a cause which everyone who loves christ and desires to advance his kingdom in the world should endeavor to help forward everyone can do something and i wish to add my mite the reader will find little that is directly controversial in these papers i have carefully abstained from naming modern teachers and modern books i have been content to give the result of my own study of the bible my own private meditations my own prayers for light and my own reading of old divines if in anything i am still in error i hope i shall be shown it before i leave the world we all see in part and have a treasure in earthen vessels i trust i am willing to learn

Memoirs of the Manchester Literary and Philosophical Society 1887 you have the capacity to become an extraordinary leader if you are willing to embrace a deeper definition of leadership and take action to apply it in the 4 dimensions of extraordinary leadership jenni catron executive church leader and author of clout reveals the secrets to standout leadership found in the great commandment love the lord your god with all your heart and with all your soul and with all your mind and with all your strength weaving a winsome narrative filled with inspiring real life stories hard won wisdom and practical applications catron unpacks four essential aspects of growing more influential your heart for relational leadership your soul for spiritual leadership your mind for managerial leadership and your strength for visionary leadership leadership isn t easy but it is possible to move from ordinary to extraordinary jenni catron shows the way

The Court of England Under George IV. 1896 the concept of creativity together with concerns over access to creativity and knowledge are currently the subject of international debate and unprecedented public attention particularly in the context of international developments in intellectual property laws not only are there significant developments at the legal level with increasing moves towards stronger and harmonized protection for intellectual property but also there is intense public interest in the concepts of creativity authorship personality and knowledge in creating selves johanna gibson addresses strategic responses to intellectual property and suggests alternative models for encouraging rewarding and disseminating creative and innovative output which are built upon a critical analysis of and approach to the debate and to the concept of creativity itself drawing upon critical theories in authorship literature music the sciences and the arts gibson suggests a radical re consideration of the notion of creativity in the intellectual property debate and the means by which to encourage

and sustain creativity in contemporary society

Pulp and Paper Investigation Hearings 1909 first published in 1961 by stackpole books street without joy is a classic of military history journalist and scholar bernard fall vividly captured the sights sounds and smells of the brutal and politically complicated conflict between the french and the communist led vietnamese nationalists in indochina the french fought to the bitter end but even with the lethal advantages of a modern military they could not stave off the viet minh insurgency of hit and run tactics ambushes booby traps and nighttime raids the final french defeat came at dien bien phu in 1954 setting the stage for american involvement and a far bloodier chapter in vietnam s history fall combined graphic reporting with deep scholarly knowledge of vietnam and its colonial history in a book memorable in its descriptions of jungle fighting and insightful in its arguments after more than a half a century in print street without joy remains required reading
