Zentangle Untangled

2012-06-25

the act of field sketching allows us to experience the landscape first hand rather than reliance upon plans maps and photographs at a distance back in the studio aimed primarily at landscape architects janet swailes takes the reader on a journey through the art of field sketching providing guidance and tips to develop skills from those starting out on a design course to those looking to improve their sketching combining techniques from landscape architecture and the craft and sensibilities of arts practice she invites us to experience sensations directly out in the field to enrich our work to look closely at the effects of light and weather understand the lie and shapes of the land through travel and walking and to consider lines of sight from the inside out as well as outside in full colour throughout with examples checklists and case studies of other sketchers methods this is an inspirational book to encourage landscape architects to spend more time in the field and reconnect with the basics of design through drawing practice

2012-08

you wouldn't tell a heart surgeon to also do pediatrics so why would we tell content area educators they must do literacy math history english and science teachers are passionate about their

specialties and that's why authors released and Marsha Voight designed a framework that keeps teachers' subjects at the center of daily classroom life while also helping them pool strengths with colleagues based on years of successful implementation. This powerful PLC cycle drops in seamlessly to any school setting so teachers schoolwide take on innovative practices of reading, writing, thinking, and doing within their areas of expertise.

Field Sketching and the Experience of Landscape

2016-06-17

Over 1,000 journal pages presented in one beautiful full-color book. Journals offer their makers a safe place to dream, doodle, rant, and reinvent themselves; they offer viewers rich visual inspiration. There is a fascination with these revealing and often beautiful pages of self-exploration and personal expression. Journals offer a tantalizing voyeuristic view of an interior life. This would be the first book to offer examples of over 1,000 journal pages in one eye-catching visual format and would attract a wide swathe of artists who fully embrace or experiment with this medium. Journaling has seeped into popular culture in a big way, and this collection provides a wide array of ideas, techniques, and themes to inspire and inform mixed-media and journaling enthusiasts.

2009

marianne werefkin and the women artists in her circle traces the relationships between the modernist artists in werefkin s circle including erma bossi elisabeth epstein natalia goncharova elizaveta kruglikova else lasker schüler marta liepiņa skulme elena luksch makowsky and maria marc the book demonstrates that their interactions were dominated not primarily by national ties but rather by their artistic ideas intellectual convictions and gender roles it offers an analysis of the various artistic scenes the places of exchange and the artists sources of inspiration specifically focusing on issues of cosmopolitan culture transcultural dialogue gender roles and the building of new artistic

networks the collection of essays re evaluates the contributions of these artists to the development of modern art contributors shulamith behr marina dmitrieva simone ewald bernd fäthke olga furman petra lanfermann tanja malycheva galina mardilovich antonia napp carla pellegrini rocca dorothy price hildegard reinhardt kornelia röder kimberly a smith laima laučkaitė surgailienė baiba vanaga and isabel wünsche

A Handbook of Cultural Economics

2011-01-01

this book complements the growing body of literature exploring the relationships between arts and cartography it is distinct from the previous ones by its main focus the multiple ways of representing a database in the context of the exponential increase of the volume of geospatial data available addressing this issue becomes critical and has not yet received much attention furthermore the content of the database environmental issues in the city gives a strong social and political texture to the project the expected audience for this book are academic as well as students interested in the relationships between art and cartography place and technology power and representations this book could serve as an inspiration for local groups and communities dealing with environmental injustice all over the world finally at a local scale this book could become a major reference for individuals communities and institutions interested in environmental issues in the city of montreal

Green Travel Guide to Southern Wisconsin

2010-06-30

this book stems from the 2019 meeting of the unesco unitwin international network for arts education research for cultural diversity and sustainable development it presents scholarly international perspectives on issues surrounding arts education and sustainability that addresses the following questions what value can the arts add to the education of citizens of the 21st century what are the challenges and ways forward to realize the potential of arts education in diverse contexts the book discusses empirical research and exemplary practices in the arts and arts education around the world presenting sound theoretical and methodological frames and approaches it identifies policy implications at national regional and global levels that cut across social economic environmental and cultural dimensions of sustainable development

Marianne Werefkin and the Women Artists in Her Circle

2016-11-21

many if not most women have been locked in a battle with their bodies for as long as they can remember and when it comes to riding horses they drag their arsenal of self doubt with them every time they step into the saddle some quit riding completely others ride but are frustrated by their lack of progress as riders or what they see as poor performance they succumb to silent self torment as they wonder how they look what others think and whether they have any business on the back of a horse if their jeans feel a little too tight regardless of seat size riding discipline or the degree or even truth of the body issues with which they struggle the scars on female self image in our society run deep and wide so with the humor and big sisterly swagger that readers and reviewers have come to love melinda false author of bestseller the smart woman s guide to midlife horses has decided to step in with a delightful

insightful fulfilling new book riding through thick and thin delves to the bottom of the issues that have long held women hostage bringing together experts research resources and stories to encourage inspire and empower readers will find some answers that may surprise them believe it or not this is not about losing weight or getting fit although if that s a point of interest there s a section packed with helpful tools and ideas this book is more about what s going on in every woman s mind and it taps new findings in neuroscience to reveal that permanent change to deeply ingrained body image issues is not only possible but it may be much easier than we think

Mapping Environmental Issues in the City

2011-08-19

based on the history of knowledge the contributions to this volume elucidate various aspects of how in the early modern period artists education knowledge reading and libraries were related to the ways in which they presented themselves
