The Strange Death of Tory England 2005

has the most successful species in british political history finally become extinct the conservative party dominated british politics for 120 years from disraeli s victory in 1874 culminating in an unprecedented eighteen year spell in government after 1979 and yet at the very end of the century the tories imploded so disastrously as to suggest the party might be doomed to follow the liberals into oblivion geoffrey wheatcroft has observed this extraordinary drama at close hand interviewing all the key players on and more often off the record from spirited exchanges with margaret thatcher to unprintable asides from alan clark in this provocative and often acerbically funny book he first examines how the tories came to enjoy their unlikely triumph what was meant to be the century of the common man with the unstoppable ascent of labour turned out to be the era of the conservative as the tories reinvented themselves over and over again not least entirely changing the party s class character the strange death of tory england demonstrates brilliantly how two profound truths explain the conservatives decline that the right had won politically but the left had won cultu

Dying to Live 2021-04

in this very moment of my writings i ve already died twice and served thirteen consecutive years of incarceration i ve been shot four times and i m a united states marine i ve been stabbed beaten molested rejected and lost complete sanity at least six times i still call on the name of jesus i know what it s like to be feared and i know what it s like to be worshipped i ve had foreign cars a fine house and a fiancé who complained of calories when she ate i ve traveled and i ve died slowly in isolation i ve been promiscuous and i ve had my heart broken i m a man who has gone to the limit if i speak of anything i ve experienced it i have gone as far as my body will allow me to travel obviously i was indecisive but ironically i m smarter than the average i ve been called a narcissist a master manipulator and a ladies man in the same breath those same people say i m a charismatic preacher a savant and i have an old soul i m already a published author i ve managed multi million dollar companies with no college degree and i own my own company now tory benjamin books llc what i m saying is people speak of what they ve seen and repeat what they ve heard my opinion is my fact interpretation is the great divider of humanity truth has a way of humbling even the most narcissistic of souls i hold fast to the scars of my tribulations because in them you will find wisdom

Eating Death 2024-02-05

in a world overrun by zombies the famous chef jean pierre must find alternative food sources to survive he is determined to continue his passion for cooking even if it means using the undead as ingredients in his recipes the setting is bleak with the remnants of civilization scattered throughout desolate landscapes jean pierre s inciting incident occurs when he discovers a group of survivors who are starving and desperate he sees an

opportunity to help them by creating a meal from the zombies that roam the area despite their initial disgust the survivors soon realize that jean pierre s meals are their only chance for survival as jean pierre continues to experiment with his zombie recipes the conflict rises he becomes more and more obsessed with perfecting his dishes leading him to take reckless risks and put himself and others in danger his addiction to the thrill of cooking with such unusual ingredients causes him to lose sight of the moral implications of his actions the cause and effect of this conflict is apparent in the way jean pierre s relationships with other survivors deteriorate some view him as a savior for providing them with sustenance while others condemn him for his gruesome methods jean pierre s obsession with cooking also leads him down a dangerous path where he faces several near death experiences despite the risks jean pierre persists his dedication to his craft culminates in a big turning point when he prepares a meal so delicious that it draws the attention of a wealthy survivor group they offer him a chance to join their community and cook for them exclusively but at a cost they demand that he continue to use zombie meat in his dishes jean pierre s internal conflict reaches its climax when he must choose between his passion for cooking and his morals in the end he decides to make a stand against using zombie meat in his recipes and helps the survivors find alternative food sources the story ends with a glimmer of hope for a future where humanity can rebuild with jean pierre leading the way as a chef who has learned to adapt to the challenges of a new world

The Doom of the Tory's Guard 1843

the west wing or generation kill in space a show about god fearing sex obsessed robots or a complex meditation on fate dreaming and eternal recurrence of all recent television science fiction series the reimagined battlestar galactica is the most highly praised and consistently inventive and intelligent where the original show was a straightforward space opera the new one is rich strange and above all unpredictable this book covers the new battlestar galactica from beginning to end covering all of the show s principal themes from the depiction of sexuality in an era of artificial people and downloaded memories to what it means to be a member of a military

organization when the stakes are not victory or defeat but survival like all the best shows about the future or the past we are never sure when all this is supposed to be happening battlestar galactica is a series about the present chapters here cover its depiction of the post 9 11 world and such issues as abortion and worker s rights this definitive book on the full new battlestar galactica also includes an interview with jane espenson co executive producer of the show s last seasons and writer director of the battlestar galactica prequel film the plan with a complete episode guide

Battlestar Galactica *2010-07-02*

the spurgin family of north carolina experienced the cataclysm of the american revolution in the most dramatic ways and from different sides this engrossing book tells the story of jane welborn spurgin a patriot who welcomed general nathanael greene to her home and aided continental forces while her loyalist husband was fighting for the king as an officer in the tory militia by focusing on the wife of a middling backcountry farmer esteemed historian cynthia kierner shows how the revolution not only toppled long established political hierarchies but also strained family ties and drew women into the public sphere to claim both citizenship and rights as jane spurgin did with a dramatic series of petitions to the north carolina state legislature when she fought to reclaim her family s lost property after the war was over while providing readers with stories of battles horse stealing bigamy and exile that bring the revolutionary era vividly to life this book also serves as an invaluable examination of the potentially transformative effects of war and revolution both personally and politically

The Greville Memoirs (second Part) *1885*

burying his wife is the hardest thing joseph garnet has ever done until he s called to leave his young son and baby daughter to fight iroquois raiders when one of the marauders tries to steal his horse the last thing he

expects is to end up tussling with a female the girl is wounded leaving joseph little choice but to haul her home to heal an act that seems all too familiar though joseph doesn't appear to remember her hannah cunningham could never forget him he rode with the mob that forced her two brothers into the continental army and drove her family from their home all because of her father's loyalties to the crown after five years with her mother's tribe the rebels and starvation have left her nothing but the driving need to find her brothers compelled by a secret he's held for far too long joseph agrees to help hannah find what remains of her family though she begins to steal into his aching heart he knows the truth will forever stand between them some things cannot be forgiven
