You Branding

2014-01-10

discover the secrets of personal branding hi my name is mark and i am going to reveal to you my proven step by step method of personal branding in this book i am going to outline many of the methods and secrets that i ve used to create a successful personal brand have you ever used google to look yourself up go ahead and take a moment to enter your name into the search engine i ll wait are you back great what pops up first do you even show up at all what does the world have to say about you what do your social networks have to say to anyone else who might google you for a lot of us the result is an uncontrolled mess of descriptors and identifiers that lacks the necessary cohesion to arrest an audience others of us find that we are invisible this is just one example i use to convey to you the necessity of personal branding it might seem daunting it may seem downright terrifying but i know that if you are willing to trust yourself to me i can lead you on your journey to reinventing your personal identity and transforming it into a strong and memorable personal brand i won t lie building and maintaining an exemplary personal brand isn t easy if it was brands such as cocoa cola and disney wouldn t be such an anomaly nor would people like oprah and david beckham but i promise to make it simple don t believe it can be simple maybe you will be convinced by the countless personal testimonies successful people have been kind enough to contribute to this book here is a preview of what you ll learn why personal branding is very important how to improve your personal brand by observing corporate brands personal branding success stories understanding your targets how to become the master of your niche personal branding blueprint how to define what makes your special how to tell your story how to avoid personal branding mistakes building your personal brand in your current job for more success online and offline tips tools and techniques for building your personal brand killer social networking mistakes much much more order your copy today check out what others are saying solid information presented in a professional yet entertaining manner grady harp i have never thought of associating branding with an individual after i read this book i realized how important branding is to everyone this book shows that personal branding could help in every aspect of the career to win a job to get your boss s approval to seal a deal there are case studies in this book to prove all these the author also introduces useful offline and online tools for branding yourself i particularly like how the online tools were introduced in detail for non tech savvy guys like me having a guide to creating a blog managing the server issues using linkedin and all sorts of technical matters surely saves lots of time moore ronson mark cijo paints a good picture for you on how to market yourself how to get your message out there how to gain the accolades that you deserve william d curnutt aka pastor dan my favorite part of this book is when the author highlights four successful brands and shows how you can apply the techniques of their success to your own personal branding i hadn t thought so deeply about how to an analytical approach to my self presentation online and i loved both the

information and the advice on how to track my progress carla davis tags personal branding you branding self branding self packaging self promotion brand you the brand called you personal identity personal branding for dummies personal success
