The 3N1: A Trilogy of Spiritually Filled Motivational Messages 2017-11-06

october 15 1951 marks the birthday of one of the key episodes in 20th century social history the first synthesis of a steroid oral contraceptive in a small laboratory in mexico city an event that triggered the development of the pill carl djerassi has been honoured worldwide for that accomplishment which ultimately changed the life of women and the nature of human reproduction in ways that were not foreseeable on the 50th anniversary of this pivotal event digrassi weaves a compelling personal narrative full of self reflection and occasional humour on the impact this invention has had on the world at large and on him personally he credits the pill with radically altering his academic career at stanford university to become one of the few american chemists writing novels and plays this man s pill presents a forcefully revisionist account of the early history of the pill debunking many of the journalistic and romantic accounts of its scientific origin djerassi does not shrink from exploring why we have no pill for men or why japan only approved the pill in 1999 together with viagra emphasizing that development of the pill occurred during the post war period of technological euphoria he believes that it could not be repeated in today s climate would the sexual revolution of the 1960s or the impending separation of sex in bed and fertilization under the microscope still have happened this man s pill answers such questions while providing a uniquely authoritative account of a discovery that changed the world

Miraibanashi the Trilogy 2021-08-21

twelve year old amunhotep iii has ascended the throne becoming king of the richest empire on earth the boy's mother acts as regent but she has brought to court the renowned seer huy son of a humble farmer to be scribe and counsel to her royal son it's a position of power and responsibility one fraught with intrigue and the lure of corruption for it is huy who controls the treasury the military all construction and taxation and perhaps most important it's his task to choose the young pharaoh's queen his actions and premonitions as well as his legendary past make him very few friends and a great many enemies the king's man continues the story of huy first seen in the twice born and seer of egypt and his rise to power and fame with her meticulous research and compelling prose pauline gedge immerses readers in the ancient and fascinating culture that was egypt

passionately in love with him all over again

the great american westerns can be profoundly meaningful when read metaphorically more than mere shoot em up entertainment they are an essential part of a vibrant evolving national mythology like other versions of the archetypal hero s journey these films are filled with insights about life love nature society ethics beauty and what it means to be human and are key to understanding american culture part film guide part historical survey this book explores the mythic and artistic elements in 52 great westerns some orthodox some subversive from the genre s first half century each film is given detailed critical analysis from the earliest silent movies to golden age classics like red river 1948 high noon 1952 and shane 1953

Doorways 2010

Legal Tender 2018-03-20

anthony burgess combined high artistic seriousness with very broad popular appeal the writer of a clockwork orange and napoleon symphony variously cast himself in the roles of uncompromising artist and willing entertainer what links these contradictory aspirations is burgess ambivalent relationship with james joyce in his daring experimentation with the novel form burgess always had the joycean example to emulate but he also invoked the great precursor to vindicate the rawer components of his art the author is not blinded by his comparative agenda to burgess debts incurred elsewhere burgess work reverberates with echoes of lesser masters as well as securely canonized classics his voices include the maughamesque and the shakespearean as they do the eliotian and of course the joycean anthony burgess is thus reintroduced as a post modern classic himself jake s deserving peer and will s true son

The Hero's Trail 2017-10-10

when the earliest filmgoers watched the great train robbery in 1903 many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience the puff of smoke was sudden and it was hand colored so that it looked real today we can look back at that primitive movie and see all the elements of what would evolve into the western genre perhaps it is the western s early origins the great train robbery was the first narrative commercial movie or its formulaic yet entertaining structure that has made the western so popular whatever the case may be with the recent success of films like 3 10 to yuma and the assassination of jesse james by the coward robert ford the western appears to be in no danger of disappearing the story of the western is told in the a to z of westerns in cinema through a chronology a bibliography and an introductory essay however it is the hundreds of cross referenced dictionary entries on cinematographers composers producers films like butch cassidy and the sundance kid dances with wolves the good the bad and the ugly high noon the magnificent seven the searchers tombstone and unforgiven such actors as gene autry kirk douglas clint eastwood henry fonda james stewart and john wayne and directors like john ford and sergio leone that will have you reaching for this book again and again

____**2002**

american moviegoers have long turned to the hollywood western for reassurance in times of crisis during the genre s heyday the films of john ford howard hawks and henry hathaway reflected a grand patriotism that resonated with audiences at the end of world war ii the tried and true western was questioned by ford and george stevens during the cold war and in the 1960s directors like sam peckinpah and george roy hill retooled the genre as a commentary on american ethics during the vietnam war between the mid 1970s and early 1990s the western faded

from view until the gulf war when kevin costner s dances with wolves 1990 and clint eastwood s unforgiven 1992 brought it back with moral complexities since 9 11 the western has seen a resurgence blending its patriotic narrative with criticism of america s place in the global community exploring such films as true grit 2010 and brokeback mountain 2005 along with television series like deadwood and firefly this collection of new essays explores how the western today captures the dichotomy of our times and remains important to the american psyche

Will's Son and Jake's Peer 2015-12-06

the essays presented in this book focus on psycho both the novel by robert bloch 1950 and the film by alfred hitchcock 1960 therefore the different approaches range from film studies to literary criticism norman bates has become an icon of the late twentieth century horror genre and the movie set the basis for later cinematic developments over 50 years after the release of the book and the movie it inspired new readings revisions and adaptations of the domestic tragedy of norman bates and his mother are still being produced as recently as sacha gervasi s hitchock in 2012 now the curtains either on the stage or in the bathroom are about to open and a most peculiar house with its silhouette and endorsement of doom is waiting up on the hill no cameras or pencils are allowed you re invited to a ritual that only your eyes will view and your imagination will embody leave all hope behind and enter at your own risk the bates terrifying rollercoaster welcomes you nothing is over here at least not until it overcomes you
