theirs had limitations centuries after the first dorts arrived laura shane was born she reinterpreted the dort theory by giving it the finishing touch of her genius it led to the faster than light removal of miles deep cone shaped plugs from planet earth the latest and largest such cone carried a crew of thousands it was named the great cone of transformation through his 3t corporation ned keller directed the creation of cones despite lauras unease about her first voyage into space she and ned went together on the great cones maiden mission two weeks later they were light years from home when neds boss jack lewis arrived to inform them of an event on earth with implications for their mission unfortunately his concern did not include awareness of what those implications might be but they were already in peril it was sabotagethe first in a series of calamities before the final calamity began to close in on them the big rip set to destroy the entire local multiverse and before jacks recent arrival it was still teatime on the great cone laura and ned were having a pleasant morning beside her pool the story begins there

with our attractive young genius sipping tea and deep in thought about her bewildering circumstances and the unchanged perception of all the things around her ned was reading comfortably in a nearby approbation of his superiors and returns over many miles meting out justice and mercy on his way he encounters many problems and adventures on his way much like ulysses on his way home from troy an extensive collection of h p lovecraft s greatest works of horror and dread from his early stories to his major classics like the call of cthulhu the shadow over innsmouth and at the mountains of madness in this library of america volume the best selling novelist peter straub brings together the very best of h p lovecraft s fiction in a treasury guaranteed to bring fright and delight both to longtime fans and to readers new to his work early stories such as the outsider the music of erich zann herbert west reanimator and the lurking fear demonstrate lovecraft s uncanny ability to blur the distinction between reality and nightmare sanity and madness the human and non human the horror at red hook and he reveal the fascination and revulsion lovecraft felt for new york city pickman s model uncovers the frightening secret behind an artist s work the rats in the walls is a terrifying descent into atavistic horror and the colour out of space explores the eerie impact of a meteorite on a remote massachusetts valley in such later works as the call of cthulhu the whisperer in darkness at the mountains of madness the shadow over innsmouth and the shadow out of time lovecraft developed his own nightmarish mythology in which encounters with ancient pitiless extraterrestrial intelligences wreak havoc on hapless humans who only gradually begin to glimpse terrifying vistas of reality and our frightful position therein moving from old new england towns haunted by occult pasts to antarctic wastes that disclose appalling secrets lovecraft s tales continue to exert a dread fascination
