billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends ingrid bergman audrey hepburn elizabeth taylor jane fonda meryl streep the list of women who have won the coveted and legendary academy award for best actress is long and varied through this illustrious roster we can trace the history of women in hollywood from the rise of mary pickford in the early 20th century to the metoo and time's up movements of today which have galvanized women across the world to speak out for equal pay respect power and opportunity this lavishly illustrated coffee table book offers a vital examination of the first 75 women to have won the best actress oscar over the span of 90 years from inaugural recipient janet gaynor to frances mcdormand's 2018 acceptance speech that assertively brought women to the forefront best actress the history of oscar winning women serves to promote a new appreciation for the cinematic roles these women won for as well as the real life roles many of them played and still play in advancing women's rights and equality stories range from bette davis groundbreaking battle against the studio system to the cutting edge wardrobes of katharine hepburn diane keaton and cher to the historical significance of halle berry's victory to the awareness raised around sexual violence by the performances of jodie foster brie larson and others showcasing a dazzling collection of 200 photographs many of which have never before been seen or published best actress honors the legacies of these revered and extraordinary women while scrutinizing the roadblocks that they continue to overcome this study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school beginning with a survey of juvenile material on elizabeth tudor published in england and the united states between 1852 and 2002 author gale eaton scrutinizes thirty four books juvenile biographies histories and collected biographies for trends in both content and rhetoric well dressed role models the portrayal of women in biographies for children then goes on to look at close readings of books published in the united states in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth the findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls by choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations three appendixes providing annotated book lists for each of the three years analyzed conclude this study in its 114th year billboard remains the
