i believe i could write a better story myself with these words since become famous james fenimore cooper laid aside the english novel which he was reading aloud to his wife a few days later he submitted several pages of manuscript for her approval and then settled down to the task of making good his boast in november 1820 he gave the public a novel in two volumes entitled precaution but it was published anonymously and dealt with english society in so much the same way as the average british novel of the time that its author was thought by many to be an englishman it had no originality and no real merit of any kind yet it was the means of inciting cooper to another attempt and this second novel made him famous
