~~british historiography and popularised the tales of king arthur of which he represents the~~
primary source other notable works by this author include the history of the kings of
britain prophecies of merlin and life of merlin this vintage book will appeal to those with
an interest in the original tales of king arthur and british legends in general many vintage
books such as this are becoming increasingly scarce and expensive we are republishing
this volume now in an affordable modern high quality edition complete with a specially
commissioned new biography of the author the history of the kings of britain which was
published in the 12th century is one of the first books to have ever collected the stories of
king arthur and the prophesies of merlin it contains the original subject matter for the
story of shakespeare s king lear and some histories of brutus and the origin of the british
isles a masterpiece in the english literary canon new translation of geoffrey of monmouth s
latin history the first work to recount the woes of lear and the glittering career of arthur
history of the kings of britain from geoffrey of monmouth cleric and one of the major
figures in the development of british historiography and the popularity of tales of king
arthur 1100 1155 an updated and revised edition of geoffrey ashe s enjoyable
investigation of britain s monarchs from its earliest legendary rulers such as bran the
blessed and king lear to the kings and queens of roman britain including boudicca and
alfred in the 9th century drawing on archaeological and documentary evidence ashe
identifies real and imagined rulers from geoffrey of monmouth s history of the kings of
britain and gildas including king arthur and other powerful figures in the histories of
england scotland and wales the study vividly recreates the political struggles and chaotic
conflicts of roman and anglo saxon britain excerpt from histories of the kings of britain

~~the beginnings of arthurian story arthurian romance is known to us in its best and purest~~
form through the lays and romances that were produced in france during the twelfth and
thirteenth centuries it is a body of preeminently imaginative literature and although it
reflects the chivalric life of france at the tune in which it was and mystery of prowess
beauty love and enchantment where valorous heroes achieve impossible adventures and
messengers from fairyland appear easily and naturally on marvellous errands a brilliant
part of our literary heritage from france it does not however like the chansons de geste
the great carolmgian epics represent french national legend it is a composite whole which
embodies oriental stones bits of classical myth and above all celtic tradition those idle and
pleasant tales of britain as they were called by a twelfth century french poet jean bodel
who justly gave to the arthurian material the designation that has ever since clung to it
the matter of britain in this material the central name but not the most prominent figure is
that of arthur king of britain for arthur himself in the romances is little more than a rot
faineant who remains in the background while the true glory of adventure belongs to the
knights whose proudest boast it is that they are attached to his court never could his name
have become so potent if he had not earlier tradition been accredited with more valiant
deeds than he accomplishes in romance it is not in the romances alone however that
arthurian story is recorded and such light as we have upon arthur s early fame is shed
from literature of a different class about the publisher forgotten books publishes hundreds
of thousands of rare and classic books find more at forgottenbooks com this book is a

original such as a blemish or missing page may be replicated in our edition we do however
repair the vast majority of imperfections successfully any imperfections that remain are
intentionally left to preserve the state of such historical works who was the first king of
england did henry i assassinate his brother how did bloody mary reinstate roman
catholicism for more than 1 000 years the british monarchy has dramatically shaped
national and international history kings and queens have conquered territory imposed
religious change and extracted taxation each with their own motivations and ambitions in
this fascinating book cath senker delves into the extraordinary history of the british
monarchy and its host of kings queens and pretenders there have been benevolent rulers
violent ones religious fanatics brilliant economists masters of diplomacy and the power
hungry but whether they have abused their power or used it for good each monarch has
played a part in the rich tapestry of british history coping with both international and civil
wars rebellions and criticism the kings queens of britain introduces a thousand year
history providing rich biographical detail of britain s remarkable monarchs this second
book in the origins of england trilogy examines the organization and make up of anglo
saxon england in the early 7th century taking as its starting point the highly rhetorical
account of britain s ecclesiastical history written by bede the chronicle of the kings of
britain has been considered by academicians and scholars of great significance and value
to literature this forms a part of the knowledge base for future generations so that the
book is never forgotten we have represented this book in a print format as it was originally
first published hence any marks or annotations as it was originally first published hence any marks or annotations
