1936

this study seeks to explore the role and significance of aria insertion the practice that allowed singers to introduce music of their own choice into productions of italian operas each chapter investigates the art of aria insertion during the nineteenth century from varying perspectives beginning with an overview of the changing fortunes of the practice followed by explorations of individual prima donnas and their relationship with particular insertion arias carolina ungher s difficulties in finding a perfect aria to introduce into donizetti s marino faliero guiditta pasta s performance of an aria from pacini s niobe in a variety of operas and the subsequent fortunes of that particular aria maria malibran s interpolation of vaccai s final scene from giulietta e romeo in place of bellini s original setting in his i capuleti e i montecchi and adelina patti s mini concerts in the lesson scene of il barbiere di siviglia

the final chapter provides a treatment of a short story memoir of a song narrated by none other than an insertion aria itself and the volume concludes with an appendix containing the first modern edition of this short story a narrative that has lain utterly forgotten since its publication in 1849 this book covers a wide variety of material that will be of interest to opera scholars and opera lovers alike touching on the fluidity of the operatic work on the reception of the singers and on the shifting and hardening aesthetics of music criticism through the period
