## **The Alien Within**

2009-02-26

readers worldwide have long been drawn to the foreign the exotic and the alien even before freud s famous essay on the uncanny in 1919 given japan s many years of relative isolation followed by its multicultural empire these themes seem particularly ripe for exploration and exploitation by japanese writers their literary adventures have taken them inside japan as well as outside and how they internalized the exotic through the adoption of modernist techniques and subject matter forms the primary subject of this book the alien within is the first book length thematic study in english of the alien in modern japanese literature and helps shed new light on a number of important authors morton examines the gothic a form of writing with strong affinities to european gothic and a motif in the fiction of several key modern japanese writers such as arishima takeo morton also discusses the translations of tsubouchi shoyo japan s most famous early translator of shakespeare and how this most alien and exotic author was absorbed into the japanese literary and theatrical tradition the new field of translation theory and how it relates to translating shakespeare are also discussed morton devotes two chapters to the celebrated female poet yosano akiko whose verse on childbirth and her unborn children broke taboos relating to the expression of the female body and sensibility he also highlights the writing of contemporary okinawan novelist oshiro tatsuhiko whose work springs from what is for japanese an exotic subtropical landscape and makes symbolic reference to the otherness at the heart of japanese religiosity another significant but equally overlooked subject is the focus of the final chapter which analyzes the travel writing of internationally best selling author murakami haruki murakami s great corpus of work includes a one volume study of the 2000 sydney olympics which morton discusses in detail the alien within breaks new ground in its treatment of the exotic in modern japanese writing and in its discussion of authors and work hitherto absent from critical discussions in english it will be of significant interest to readers of literature and students of modern japanese culture and women s writing as well as those fascinated by the occult gothic fiction and the exotic

## ***A Story Within a Story***

2021-01-17

set in pre communist russia in 1903 an old man writes his final manuscript a play about a young author trying to pen his first novel the young man s novel tells of a team of explorers who map the dark continent of africa and their tales of adventure and danger the old man s play describes an ordinary man who makes a life changing decision that he ponders for the rest of his days he lives through his writings at the same time the old man s life is heading toward dusk it is his last chance to create something memorable something legendary a book about life and the decisions one makes along the way this novel explores what it means to be truly happy with one s past and accepting of one s future

## **Elsewhere, Within Here**

2010-10-18

winner of the 2012 critics choice book award of the american educational studies association aesa world renowned filmmaker and feminist postcolonial thinker trinh t minh ha is one of the most powerful and articulate voices in both independent filmmaking and cultural politics elsewhere within here is an engaging look at travel across national borders as a foreigner a tourist an immigrant a refugee in a pre and post 9 11 world who is welcome where what does it mean to feel out of place in the country you call home when does the stranger appear in these times of dark metamorphoses these are some of the issues addressed by the author as she examines the cultural meaning and complexities of travel immigration home and exile the boundary seen both as a material and immaterial event is where endings pass into beginnings building upon themes present in her earlier work on hybridity and displacement in the median passage and illuminating the ways in which every voyage can be said to involve a re siting of boundaries trinh t minh ha leads her readers through an investigation of what it means to be an insider and an outsider in this epoch of global fear elsewhere within here is essential reading for those interested in contemporary feminist thought and postcolonial studies

## ***Images from Within***

2000-07-28

touching evocative imagery makes these poetic pictures appealing to all visualise the places captured the feelings evoked and let the poet hold your attention provoking unexpected responses from the heart searching imagery of world war i to playtime on a rainy day for children jumping into puddles as the rain falls all hit chords whatever one s age let the words lighten your darkness jane dyson was lonely and drifting heedlessly through life until touched by the thirst quenching waters of jesus christ since then she has utilized all she see around her

for use in her mill of poetical word picture pictures that can if allowed speak to all people whatever their beliefs

## **Tales Within**

2012-03

within these pages lies a spellbinding world of dragons and fairies where witches and wizards cast curses on princes and princesses within an old victorian shop which sells the most magnificent handcrafted snow globes there is a secret kept well and truly hidden in a secret chamber within the shop there is a beautiful victorian glass cabinet within the cabinet there are many snow globes now these are not just any old snow globes they are magical snow globes and trapped within each globe is a bewitching tale the time has come for these tales to be told children and adults prepare to be enchanted by the magical stories of r h suleyman in tales within

## **The Door Within**

2013-05-06

there is an unseen world of good and evil where nightmares are fought and hope is reborn enter the door within aidan thomas is miserable within two weeks aidan s life is completely uprooted as his parents move the family across the country to care for his ailing grandfather the quiet but imaginative aidan is struggling with attending a new school and fitting in with a new group of friends but when he begins having nightmares and eerie events occur around his neighborhood aidan finds himself drawn to his grandfather s basement where he discovers three ancient scrolls and a mysterious invitation to another world no longer confined to the realm of his own imagination aidan embarks on an adventure where he discovers a long fought war between good and evil with the fate of two worlds hanging in the balance aidan faces paragory the eternal enemy with unfathomable power will aidan be willing to risk everything and trust the unseen hand of the one true king with over 250 000 copies sold in the door within trilogy this is a perfect time to introduce the series to a new tween audience the fantasy genre is wildly popular among young readers and this series will leave tweens and teens on the edge of their seats meets national education standards

## **The Harmony Within**

2013-12-01

george macdonald is a witness to the power of imagination by using the art of enchantment he is able to draw readers into another world seemingly more real than this one what was the power behind his imagination and what drove macdonald s art it was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings the harmony within the spiritual vision of george macdonald takes a close look at the religious roots of macdonald s writing so many people today are looking for a spiritual connection between god and man between myth and destiny george macdonald s work provides a doorway to other worlds the ideas behind his writing may help reshape the mythic elements of our lives

## **A Sibling Within**

2011-01-05

the things we tell strangers stories move stir and at times stop us in our tracks books the things we tell strangers do this on occasion we read of ourselves our life echoed in the detail each of us has one a story filled with laughter tears activity and relationship still no story is told in its entirety it s just some echo longer the stories penciled in early morning fog the stories found within a hotel lobby in san francisco s tenderloin district even the stories left behind in a vermont sawmill pond or begun there we detail our life to fill pages of a book inside each of us the one that reads our story one setting one sibling within at a time the things we tell strangers

## **Within the Love of God**

2014-11-27

the doctrine of god is central to theology for it determines the way in which other regions of christian doctrine are articulated yet work on this topic in its own right has been occluded recently by treatments of the trinity or divine passibility this collection of specially commissioned essays presents major treatments of key themes in the doctrine of god motivated by but not restricted to the work of professor paul s fiddes to whom it is offered as a festschrift it includes invigorating discussions of the biblical and non biblical sources for the doctrine of god and the section on metaphysics and the doctrine of god examines some of the most important conceptual questions arising in contemporary theological debate about the being and nature of god and god s relations to the world the final section of the book on god and humanity will be highly relevant to scholars working in the fields of theological anthropology moral and political theology on inter faith relations on theology and literature or who are interested in the impact of contemporary science on the doctrine of god the introduction relates the essays in the book to the work of professor fiddes and to wider debates in christian doctrine this volume brings together a team of internationally distinguished scholars from a wide range of theological philosophical and religious perspectives and it will stimulate fresh thinking and new debate about this most central of topics in christian theology

## **An Awakening Within**

2003

an awakening within is an unconventional fifteen chapter short novel that takes the reader on a captivating spiritual journey to the holy land and back though the characters and many of the events are fictitious and the dialogue is christian based it is universal in nature the main character through strange encounters in a land far from his normal sheltered existence is faced with supernatural encounters that question and challenge many of his own basic christian teachings universally known as the story a continuing strange turn of events and struggle make a captivating read while providing an insight richness and vitality to the searching spirit it is a story of acceptance and rejection it is a story of faith a story of truth and fables the questions of life on a deeper level it is a journey the story is a journey in pursuit of the true that is filled with people yet it is a journey we must all travel alone interaction between characters encourages the reader to think out and question things he has been taught by humans and instead seek god s revelation directly the reader is challenged not to be a conformist but rather to uncover the simplicity of god s church and knowing him it brings one back to the very foundation of the new testament church and that foundation is hearing directly from the father himself by seeking our hope in knowing god through the universal truth that god exists within each of us it points to christ or the anointing of the spirit of god as the true teacher of all truth rather than a man or a book being a novel it is a non threatening story for the world of religion for the 21st century

## **Writing from Within: The Next Generation**

2012-05-08

everybody has something to say in an age when twitter blogs and tumblrs give millions the chance to write whatever is on their minds it seems that we re finding plenty of avenues in which to share it how then do we write what is worth saying how do we record our important memories so they ll be remembered how do we tell our personal stories the way they deserve to be told in keeping with successful earlier editions of writing from within selling has stressed the idea that personal writing is a means to personal understanding learning to write well starts with the subjects we know the best ourselves to write life stories writers explore vivid memories and re engage with the perspectives of their younger selves they learn to harness their inner critics and deal with fear they use their creative drive to remember details from their most significant memories the process of life story writing is as much one of self discovery as it is one of nostalgia these emotional connections to memories provide the backbone for selling s writing instruction in this 25th anniversary edition of writing from within the original lessons of life story writing are included and significantly expanded upon readers are given guidance on finding their earliest memories and on remembering details vividly writing instruction is offered to accompany this process and ensure that readers life stories are full of clear accurate memories the core focus of the book is

on unlocking memories and writing them as life stories however this anniversary edition also provides substantial new material on story pacing techniques strategies for subtly adding exposition and denouement revealing and unraveling character writing stories within stories developing unique voices within the same story researching and writing family histories expanding life story writing into novels or screenplays advanced steps like creating visual motifs employing sub text and separating the writer from the central character draft samples will show readers how their life stories will grow using the writing from within method excerpts from past students life stories show the potential of the method personal notes to readers keep them on track and their goals in perspective writing from within the next generation invites readers to find their voices and helps them along the way to doing so as much a tool for personal reflection as a guide to writing instruction the book represents a comprehensive discussion of the creative process writers new and old will write with more skill understand themselves and their characters better and be able to turn their life experiences into art so learn to harness your inner critic construct your own writing process open the door to your past give the characters voices breathe some life into your story and leave something so future generations can get to know you

## **Epiphany - THE GOLDING**

2016-05-03

red ribbon winner in the 2015 books for adults fiction section of the wishing shelf awards uk first in the two volume epiphany series the golding is a captivating blend of history contemporary romance and ethereal magic a story within a story that portrays the work of an 18th century author and the present day lives of those who study his book

## **A Manual of Gold and Silver Coins of All Nations, Struck Within the Past Century**

1842

the book contains one medal engraving from a daguerreotype by joseph saxton of the front of the mint using a medal ruling machine to copy a relief executed by christian gobrecht from the daguerreotype this book is considered the first publication from a daguerreotype in the united states a remarkable example of this little used process and of major importance in the history of photography and photomechanical printing in the united states joseph saxton not only produced the oldest extant daguerreotype now in the united states but also invented the modification to the ruling machine used for this publication hanson collection catalog p 8

## **The Story Within**

2011-11-01

laura oliver has been teaching aspiring writers how to plumb emotional contradictions for insight for more than a decade in workshops and university classes now she has written the book her students have been asking her for a book that aspiring writers of every genre can use to guide coach and encourage them on their journey the story within employs the compelling art of memoir to illuminate craft and touches on nuanced subjects only a teacher who is herself actively writing knows to address each chapter offers excerpts from laura s own stories as well as those of students and published authors and then provides fresh advice and clear instruction on the subject of writing

## Science and Faith within Reason

2016-04-01

scientists historians philosophers and theologians often engage in debates on the limitations and mutual interactions of their respective fields of study serious discussions are often overshadowed by the mass produced popular and semi popular literature on science and religion as well as by the political agendas of many of the actors in these debates for some reducing religion and science to forms of social discourse is a possible way out from epistemological overlapping between them yet is there room for religious faith only when science dissolves into one form of social discourse the religion thus rescued would have neither rational legitimisation nor metaphysical validity but if both scientific and religious theories try to make absolute claims on all possible aspects of reality then conflict between them seems almost inevitable in this book leading authors in the field of science and religion including william carroll steve fuller karl giberson and roger trigg highlight the oft neglected and profound philosophical foundations that underlie some of the most frequent questions at the boundary between science and religion the reality of knowledge and the notions of creation life and design in tune with mariano artigas s work the authors emphasise that these are neither religious nor scientific but serious philosophical questions

2016-12-03

art and expressive therapies within the medical model explores how to best collaborate across disciplines as art and expressive therapists continue to become increasingly prevalent within the medical community this collection of diverse chapters from seasoned practitioners in the field introduces readers to art therapy interventions across a variety of artistic approaches patient demographics and medical contexts while paying special attention to new approaches and innovative techniques this is a cutting edge resource that illustrates the current work of practitioners on a national and global level while providing a better understating of the integration of biopsychosocial approaches within art and expressive therapies practice
