### **CXC Home Economics**

2004-11-30

here is the long awaited corpus on tyrian coinage in the persian period 4th 5th cent bce containing a chronological catalogue of 1 814 silver and bronze coins besides the usual numismatic analysis monetary production volume of emissions manufacturing techniques and processes the authors have also studied the monetary inscriptions and iconography they focused on using their own statistical data reaching many interesting metrological conclusions the tyrian workshop was innovative in that around 388 bce it inaugurated a yearly dating system this book is also an important historical volume on tyre and on the persians western policy based on the results of a numismatic analysis combined with all the other sources in particular the city s significant difficulties in the first part of the 4th cent and its prosperity during the reign of king ozmilk 347 333 2 in stark contrast to the decay of sidon at that time

### **CXC Past Papers 1986-89**

1990

this collection is a critical reflection of the evolution of caribbean countries since the demise of the west indies federation in 1962 at this historical juncture some territories opted for independence while others remained dependent territories the volume examines caribbean societies in comparative and general ways covering aspects of their ongoing development and challenges it covers such areas as caribbean integration the state of human capital and social policy in the region the education sector caribbean economic sustainability and significantly the physical environment of the caribbean a central question has always been should these territories have gone independent or stayed under some british tutelage the book addresses this question illustrating that these island states have made considerable progress especially in the maintenance and deepening of democratic practices

### **Jamaican National Bibliography**
