abstinence is not the only way a step by step guide to reestablishing work life balance americans love a hard worker the employee who toils eighteen hour days and eats meals on the run between appointments is usually viewed with a combination of respect and awe but for many this lifestyle leads to family problems a decline in work productivity and ultimately physical and mental burnout intended for anyone touched by what robinson calls the best dressed problem of the twenty first century chained to the desk in a hybrid world provides an inside look at the impact of work stress on those who live and work with workaholics partners spouses children and colleagues as well as the appropriate techniques for clinicians who treat them this groundbreaking book builds on the research included in three previous editions of chained to the desk from the best selling author and widely respected family therapist bryan e robinson in the wake of the covid 19 pandemic and the rise of working from home robinson finds that the agonies of work stress have only become more challenging recent years have seen an unprecedented shift to remote work which has made it significantly harder to maintain the already delicate work life balance weakened as it is by smartphones and other technology the result is that many workaholics are more stressed and burnt out than ever before in their work despite being constantly in the presence of family chained to the desk in a hybrid world both counsels and consoles it provides a step by step guide to help readers spot understand and ultimately recover from workaholism americans assume that workers do not drink on the job and that if they do it is because they suffer from alcoholism rather than because they are conforming to occupational expectations william j sonnenstuhl disagrees he contends that some occupational cultures encourage heavy drinking moreover his research suggests that the sense of community which motivates drinking can also sometimes inspire workers to break the pattern and work sober revised and updated this report addresses questions often raised by employers and union leaders developing job based programs to help alcoholic and other troubled employees this new edition discusses the efforts of eap workers the historical development and key components of eaps and the importance of balance in program strategies and in corporate and union responsibilities the second edition of making mandated addiction treatment work integrates cutting edge research with evidence based addiction treatments to create a unified and effective treatment model for mental health professionals and those in training because the largest and fastest growing segment of the community based addiction treatment population includes those who are mandated barbara c wallace provides insightful best practices for tailoring addiction treatment to diverse and challenging clients including those who may have a history of trauma or mental disorders different levels of motivation and a high risk of relapse applicable in a variety of treatment settings in both urban and rural communities this text weaves together new research and vivid case studies into a concise and practical resource this book is ideal for practitioners and students of
