Writing a Church Guide 1986-01 how do i find the right church choosing a church is written for anyone who is interested in christianity but is unfamiliar with the christian church perhaps you want to learn more about jesus but you don t know where to turn this book is your guide to finding a church you can call home you ll learn if there is one god why are there so many different churches does it matter if a church has rock music or hymns is there one true church how do i know what beliefs are essential does church membership matter and much more
Enriching Church Life 2012 this book complements the author s earlier titles from the pilgrim press the big small church book and wonderful worship in smaller churches ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance his vision is to lead even smaller churches toward the year 2030

Inside Churches 1989 there s a movement happening right now that is changing the face of god s kingdom churches planting churches if you re a pastor or a church leader and you re wondering if your church should parent another congregation this book is an invaluable resource for you

Choosing a Church 2018-03-21 excerpt from the church member s guide and complete church manual the publishers of this little book long since encountered the need for a manual for the use of churchmembers and others actively engaged in church work particularly in the southern states while it is true that the various churches have their handbooks they are not in such form as to be of much value to the average member of church being either too formal in their language or too technical to be followed readily experience has shown that a small volume giving in concise easily understood terms the history and doctrine of the various denominations their different methods of church government their equally different manners of observing the ordinances of the lords supper and baptism forms for conducting business meetings the duties of churchmembers in the official work of the church proper rules for holding prayer meetings and all other sorts of meetings and items of useful information pertaining to church work is a great and crying need probably seven out of every ten churchmembers are ignorant of their faiths history and not sufficiently conversant with its doctrines at least so the writer has found in gathering data for this volume to fill these wants the following pages have been prepared the publishers knowing that their labor cannot fail to bring the congregation closer to the pastor if the latter will suggest to his people the purchase and study of the book about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Guide to Cathedrals and Greater Churches 1988-01-01 fears of disunity conflict and even legal problems have caused many church leaders to avoid confronting christians who are living in sin challenging the church s reluctance dr laney provides a biblical practical and loving handbook for pastors and lay leaders alike on church discipline

Indispensable Guide for Smaller Churches 2009-06-01 the profusion of medieval churches in norfolk provides not only examples of beautiful church architecture but also records life in their

communities and offers an insight into the history of medieval england the third revised and enlarged edition of the guide to norfolk churches contains an encyclopaedic glossary and a detailed index which contribute to the comprehensive survey provided by this guide this indispensable guide to the living medieval churches of norfolk helps the visitor to understand both the general features of churches and the unique aspects of those in different areas the guide is generously illustrated with photographs line drawings and a detailed map to aid in locating each church within the county the expanded reference section is designed to answer a host of questions which may tease the church visitor for example what symbols are used to represent particular saints why do so many norfolk churches stand isolated from their villages and why does the pagan green man find a place in our christian churches this book provides the answers to these and other questions written by enthusiasts for both the churches and the county in which they stand the great appeal of this guide is that once the code of church architecture has been broken and the language learned every church be it ever so humble is shown to be unique with its own story to offer this guide provides the key in this his revised guide to norfolk churches mr mortlock has provided us with a fascinating and illuminating description of each and every one he has visited armed with this guide the visitor cannot fail to enjoy exploring our lovely churches and having done so it is my earnest hope that he or she will be inspired to lend their support to these marvellous symbols of our heritage from the foreword by the countess of leicester

Multiplication Moves 2012 this indispensable guide to the conduct and operation of baptist churches provides rules and procedures for their orderly function

The Church Member's Guide and Complete Church Manual 2015-06-24 all churches like to think that theirs is the friendliest in town but do visitors see it that way church consultant gary mcintosh invites readers to take a look at their church through the eyes of visitors and potential visitors his starting point grounded in an understanding of god as a welcomer is that churches should see those who enter their doors as not merely visitors but as guests and themselves as gracious hosts this practical book offers sound advice on assessing and improving the ways in which churches attract people welcome them do follow up and bring them into the church family it also offers suggestions for making a welcoming attitude part of the very fabric of the local church

A Guide to Church Discipline 2010-03-01 after years of practical work in overseas mission studies of how the mission of jesus has been carried on through the centuries and teaching in the united states papua new guinea the philippines africa and china roger schroeder set out to distill the wisdom he has gained and mix it with the wisdom of church teaching the result is a book to help individuals parishes dioceses and national churches grapple practically and put themselves heart and soul into the mission of being christ in our suffering world
