Studying Literature in English 2018-03-20

humanism is usually thought to come to england in the early sixteenth century in this book however daniel wakelin uncovers the almost unknown influences of humanism on english literature in the preceding hundred years he considers the humanist influences on the reception of some of chaucer s work and on the work of important authors such as lydgate bokenham caxton and medwall and in many anonymous or forgotten translations political treatises and documents from the fifteenth and early sixteenth centuries at the heart of his study is a consideration of william worcester the fifteenth century scholar wakelin can trace the influence of humanism much earlier than was thought because he examines evidence in manuscripts and early printed books of the english study and imitation of antiquity in polemical marginalia on classical works and in the ways in which people copied and shared classical works and translations he also examines how various english works were shaped by such reading habits and in turn how those english works reshaped the reading habits of the wider community humanism thus contrary to recent strictures against it appears not as top down dissemination but as a practical process of give and take between writers and readers humanism thus also prompts writers to imagine their potential readerships in ways which challenge them to re imagine the political community and the intellectual freedom of the reader our views both of the fifteenth century and of humanist literature in english are transformed

LITERATURE READER 2017-08-31

this illustrated and fully updated third edition of the cambridge guide to literature in english is the most authoritative and international survey of world literature in english available the guide covers everything from old english to contemporary writing from all over the english speaking world there are entries on writers from britain and ireland the usa canada india africa south africa new zealand the south pacific and australia as well as on many important poems novels literary journals and plays this new edition has been brought completely up to date with more than 280 new author entries most of them for living authors the general reader will find it fascinating to browse and to discover many new writers and works while students will find it an invaluable resource for daily use this is a unique work of reference for the twenty first century that no reader or library should be without
