in the form of the guru to revive the true essence of the gita and to demonstrate the simplicity and power of the divine message of the lord one such master is paramahansa sri swami vishwananda and this book is his personal commentary on this timeless knowledge included here are over 900 pages of verses translations drawings for every chapter and paramahansa vishwananda s extensive commentary perfect for the beginner as well as those who have read other commentaries this is more than just a book it is a guiding light that can be applied to every day to every thought and to every moment the mukunda mālā stotram is one of vaiṣṇavism s most beloved devotional prayers composed by king kulaśekhara as the seventh of the twelve alvars the mystic bhakti saints of south india he played a pivotal role in the revival of bhakti and served as an inspiration for sri rāmānujācārya s sri sampradaya this prayer is a celebration of śaraṇāgati perfect surrender to the lord and reminds us to strive for unceasing remembrance of the lord at all times and places king kulaśekhara speaks of the misery of the soul trapped in this world with its many trials and tribulations all the while reminding us all that the supreme lord Śrīman nārāyaṇa is the only means of liberation from this otherwise endless predicament it asks mukunda the lord as the granter of liberation to give the self proclaimed unworthy author freedom from the cycle of birth and death accompanied by the enlightening commentaries of paramahansa vishwananda this is unquestionably a must read for all aspiring vaiṣṇavas paramahansa vishwananda is a god realised spiritual master whose commentaries on scriptures like the bhagavad gita the srimad bhagavatam and many more have touched the hearts of thousands inspiring them to a life of devotion and service to god and humanity the universality of world religions is certainly a subject of interest in these engaging and pivotal times and one that is treated multi dimensionally in this issue of nectar nectar of nondual truth has for three years attempted to present this principle by offering articles from writers and practitioners who are deeply ensconced in and in love with their chosen path and ideal and can therefore express the one indivisible truth via their own deeply cherished stream of wisdom this is crucial the practice of one tradition until realization through that single pathway has been achieved in order to avoid confusion contradiction misperception and the surface understanding that usually accompanies a mere eclectic point of view devoid of penetrating and longevitous spiritual practice the well guided expansion of the limited human mind is likened to raising a family wherein different children must each be given special attention based upon comprehension of their differing needs capacities and temperaments but before all this is attempted the first born must be attended to and then all the resultant growth in terms of challenges mistakes successes and valuable insights into child rearing can thus be applied to the raising of those who come after wherever the first born is neglected or followed too soon by other siblings thus falling into the background of the overburdened parent s full attention malnutrition on several levels occurs and the valuable developmental stages of early growth are stripped of their power and purpose resulting in a stunted condition a life shorn of its fullest possibilities and potentials this unfortunate outcome in the individual family unit is mirrored by the undernourished spiritual life of contemporary living beings in general due not only to their own debilitating complacency around purificatory practices but also due to their lack of appreciation their ambivalence and even their hostility towards the sacred traditions of the world religions adhered to by the same selfed brothers and sisters of the multifarious but inseparable family of mankind on the other hand after sincere and one pointed commitment to truth is attained followed up by a firm dedication to one s path a sedulous practice and an unswerving devotion to god and guru all constantly cultivated the onset of spiritual maturation will occur as a matter of course within the heart of every living being the lord is waiting and he has his ways to remind you of his relationship with you just love a journey into the heart of god was conceived to to grant you a uniquely intimate experience of how paramahansa vishwananda masterfully guides seekers throughout the journey of life towards their ultimate fulfilment the realisation of god paramahansa vishwananda s timeless wisdom has been compiled into six sections which represent the main stages of the seeker s journey in each session you can find highly relevant topics emphasised by paramahansa vishwananda during his talks and satsangs given throughout the years and especially highlighted during his 2020 live satsangs no matter what stage of the Tattvālokaḥ 2017-01-12 the universality of world religions is certainly a subject of interest in these engaging and pivotal times and one that is treated multi dimensionally in this issue of nectar nectar of nondual truth has for three years attempted to present this principle by offering articles from writers and practitioners who are deeply ensconced in and in love with their chosen path and ideal and can therefore express the one indivisible truth via their own deeply cherished stream of wisdom this is crucial the practice of one tradition until realization through that single pathway has been achieved in order to avoid confusion contradiction misperception and the surface understanding that usually accompanies a mere eclectic point of view devoid of penetrating and longevitous spiritual practice the well guided expansion of the limited human mind is likened to raising a family wherein different children must each be given special attention based upon comprehension of their differing needs capacities and temperaments but before all this is attempted the first born must be attended to and then all the resultant growth in terms of challenges mistakes successes and valuable insights into child rearing can thus be applied to the raising of those who come after wherever the first born is neglected or followed too soon by other siblings thus falling into the background of the overburdened parent s full attention malnutrition on several levels occurs and the valuable developmental stages of early growth are stripped of their power and purpose resulting in a stunted condition a life shorn of its fullest possibilities and potentials this unfortunate outcome in the individual family unit is mirrored by the undernourished spiritual life of contemporary living beings in general due not only to their own debilitating complacency around purificatory practices but also due to their lack of appreciation their ambivalence and even their hostility towards the sacred traditions of the world religions adhered to by the same selfed brothers and sisters of the multifarious but inseparable family of mankind on the other hand after sincere and one pointed commitment to truth is attained followed up by a firm dedication to one s path a sedulous practice and an unswerving devotion to god and guru all constantly cultivated the onset of spiritual maturation will occur as a matter of course
