Working Arithmetic 1992-01

Japanese for Busy People is the most popular Japanese language textbook series in the world with over 20 components including texts, workbooks, CDs, videos, and teacher's manuals. It is also one of the most comprehensive. Now a decade after its first revision, the entire series is being redesigned, updated, and consolidated to meet the needs of 21st-century students and businesspeople who want to learn natural spoken Japanese as effectively as possible in a limited amount of time. The book features not only a sleek new design but also a unit structure that groups thematically linked lessons together, making it easier than ever to learn Japanese. Moreover, it now comes with a CD containing audio for the dialogues and listening exercises. From the text, the exercises in the book have also been thoroughly revised to incorporate more comprehension and production tasks. Many of these exercises are illustrated, making for a stimulating learning experience, and the purpose of each one is clearly stated. This first of three volumes introduces Survival Japanese, the absolute minimum amount of Japanese needed to live in Japan. Thus, the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first-year course. In addition, the book features notes on Japanese culture intended to expand the learner's understanding of Japan, its customs, and people. Japanese for Busy People I is available in two formats: Romanized and Kana. The Romanized version uses Romanized Japanese throughout, with Kana in the opening dialogues of each lesson. The Kana version, exposing students to Hiragana and Katakana from the very beginning, uses only Kana. The content of the two books is otherwise exactly the same. The companion volume, Japanese for Busy People 1: The Workbook for the Revised 3rd Edition, contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text.

American Scenes Workbook 1984

Prism Reading Level 3 Teacher's Manual has lesson planners, teaching suggestions, with a path to better learning, video scripts, unit quizzes, and answer keys for the student's book and quizzes.

Reading Link 2005

The Come Follow Me Parent Teacher Manual pairs with the workbook and holds clearly laid-out lesson plans created by experienced teachers. Each lesson plan is a full two-page spread that also includes song lists, direct QR codes to resources, each week, and age-appropriate daily lessons for use in your home study. It is packed full of content down to every detail, including what items you may need from around the house to complete activities together. For this reason, the Parent Teacher Manual and Workbook activities for kids must be bought together. Volume 1 manual is 55 pages of lesson and instructions to make learning easy to follow for parents. For additional workbooks, simply add them to your cart based on the number of additional workbooks you need for your children.
