journey from st petersburg to moscow is among the most important pieces of writing to come out of russia in the age of catherine the great alexander radishchev s account of a fictional journey blends literature philosophy and political economy to expose social and economic injustices and their causes at all levels of russian society

Journey from St. Petersburg to Moscow 2020-09-22

excerpt from russia and the russians or a journey to st petersburg and moscow through courland and livonia with characteristic sketches of the people when the author undertook to travel in russia a country about which so many conflicting opinions have been published he thought he would best consult the advantage of the public by making his book a work entirely of information and allowing whatever amusement it might contain to depend upon the nature of the facts communicated it was with this idea he set out upon the journey and he soon found reason to congratulate himself upon his decision he has not indulged either in theory or controversy he has given a plain account of what he saw with his own eyes and heard with his own ears and however much the narrative may in some parts be condemned by former travellers and their admirers he is conscious that it will one day receive credit for its truth about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Journey from Saint Petersburg to Moscow 2013-10-01

primarily an attack on serfdom and an appeal to the serfs voluntarily aleksandr radishchv s journey from st petersburg to moscow has often been described as a russian uncle tom s cabin published in 1790 the book was banned immediately and the author first sentenced to death then banished to eastern siberia on the order of the empress catherine ii who read the journey very carefully all copies that could be found were collected and burned the few that escaped were widely circulated and laboriously copied out by hand but the book was not freely published in russia until 1905

A Journey to St. Petersburg and Moscow Through Courland and Livonia 1836

excerpt from a journey to st petersburg and moscow through courland and livonia the desert became still more desolate and the wind began to moan with that strange unearthly sound which it has in lonely places over tracts of snow or sand to the left the wilderness was bound in by the distant baltic as with a girdle only distinguishable from the sky with which it mingled by its deeper blue every where else fields of sand and morass extended to the verge of the horizon this apparently was a neutral ground between the two countries and it was with no small degree of curiosity that i awaited my introduction into russia about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Journey to St. Petersburg and Moscow Through Courland and Livonia 2015-09-01

Alexander Radishchev's journey from St. Petersburg to Moscow is among the most important pieces of writing to come out of Russia in the age of Catherine the Great. An account of a fictional journey along a postal route, it blends literature, philosophy, and political economy to expose social and economic injustices and their causes at all levels of Russian society. Not long after the book's publication in 1790, Radishchev was condemned to death for its radicalism and ultimately exiled to Siberia. Instead, Radishchev's literary journey is guided by intense moral conviction; he sought to confront the reader with urgent ethical questions, laying bare the cruelty of serfdom and other institutionalized forms of exploitation. The journey's multiple strands include sentimental fictions, allegorical discourses, poetry, theatrical plots, historical essays, a treatise on raising children, and comments on corruption and political economy, all informed by enlightenment arguments and an interest in placing Russia in its European context. Radishchev is perhaps the first in a long line of Russian writer-dissidents such as Herzen and Solzhenitsyn who created a singular literary idiom to express a subversive message. In Andrew Kahn and Irina Reyfman's idiomatic and stylistically sensitive translation, one of Imperial Russia's most notorious clandestine books is now accessible to English-speaking readers.

Moscow and Petersburg 2002

This is a comprehensive directory and bibliographic guide to Russian archives and manuscript repositories in the capital cities of Moscow and St. Petersburg. It is an essential resource for any researcher interested in Russian sources for topics in diplomatic, military, and church history, art, dance, film, literature, science, ethnography, and geography. The first part lists general bibliographies of relevant reference literature, directories, bibliographic works, and specialized subject-related sources. In the following sections of the directory, archival listings are grouped in institutional categories. Coverage includes federal, ministerial, agency, presidential, local, university, academy of sciences, organizational, library, and museum holdings. Individual entries include the name of the repository in Russian and English, basic information on location, staffing, institutional history, holdings, access, and finding aids. More comprehensive and up to date than the 1997 Russian version, this edition includes site information, dozens of additional repositories, several hundred more bibliographical entries, coverage of reorganization issues, four indexes, and a glossary.

Moscow and St. Petersburg 2003-05-01

Expert advice, tracking down the best sights and experiences, suggested walks and tours, detailed background on people, geography, culture, and history. Clear and accurate mapping for orientation at city and regional levels. Comprehensive coverage of the best of the destination, including the Kremlin, Tretyakov Gallery, Tverskaya Ulitsa, and Zamoskvoreche in Moscow; Palace Square, the Hermitage Museum, and Nevskiy Prospekt in St. Petersburg; and Zolotoe Koltso.

Three Cities in Russia 1862

covering a period of over a century and a half this well documented study traces the evolution of russian foreign policy during the regimes of five tsars from alexander i to nicholas ii and four soviet leaders from lenin to brezhnev like the tsars the soviet leaders dominated the formulation and implementation of foreign policy and determined the atmosphere of the relations of their state to the rest of the world until the second world war the chief concern of both the tsarist and soviet leadership focused on central europe and the balkan peninsula thereafter soviet attention was drawn increasingly into other areas where it faced the problems attendant on the rise of the united states as the predominant competitive great power the victory of the communist party in china and the breakup of the european colonial empires an introductory chapter surveys the period from peter the great through napoleon and a concluding chapter compares the achievements of the soviet and tsarist periods the first part of this books was originally published under the title a century of russian foreign policy 1814 1914 the soviet section is entirely new
