detailed descriptions of life in the louisiana plantation belt and personal assessments of southern politics in 1853

The Publishers Weekly

2003

detective fiction and philosophy^{3/4}moral philosophy in particular^{3/4}may seem like an odd combination working within the framework offered by neo aristotelian virtue ethics this book makes the case that moral philosophers ought to take murder mysteries seriously seeing them as a source of ethical insight and as a tool that can be used to spark the ethical imagination detective fiction is a literary genre that asks readers to consider questions of good and evil justice and injustice virtue and vice and is consequently a profoundly and inescapably ethical genre moreover in the figure of the detective readers are presented with an accessible role model who demonstrates the virtues of honesty courage and a commitment to justice that are required by those who want to live well as a virtue ethicist would understand it this book also offers a critique of contemporary moral philosophy and considers what features a neo aristotelian conception of autonomy might display

Morning Telegraph's Racing Chart Book

1911

this volume examines early modern representations of women's reproductive knowledge through new readings of plays, monstrous birth pamphlets, medical treatises, court records, histories, and more, which are often interpreted as depicting female reproductive bodies as passive, silenced objects of male control. Lutftring argues instead that these texts represent women exercising epistemological control over reproduction through the stories they tell about their bodies and the ways they act. These stories, out combining speech and physical performance into what Lutftring calls bodily narratives, the power of these bodily narratives extends beyond knowledge of individual bodies to include the ways that women's stories about reproduction shape the patriarchal identities of fathers, husbands, and kings in the popular print and theater of early modern England. Women's bodies, women's speech, and in particular women's speech about their bodies, perform socially constitutive work: constructing legible narratives of lineage and inheritance, making and unmaking political alliances, shaping local economies, and defining/delimiting male socio-political authority in medical, royal, familial, judicial, and economic contexts. This book joins a growing critical discussion of how female reproductive bodies were used to represent socio-political concerns and will be of interest to students and scholars working in early modern literature and culture, women's history, and the history of medicine.

Chronicle of the Horse

1972-02

The Merrily Watkins series will have you hooked. Join Merrily in her chilling tales of murder, mystery, and intrigue. The new vicar had never wanted a picture postcard parish or a huge and haunted vicarage, nor had she wanted to walk into a dispute over a controversial play about a seventeenth-century clergyman accused of witchcraft. A story that certain long-established families would rather remain obscure, but this is Ledwardine, steeped in cider and secrets, a paradise of cobbled streets and timber-framed houses. And also as Merrily Watkins and her teenage daughter Jane discover a village where horrific murder is a tradition that spans centuries. Few writers blend the ancient and supernatural with the modern and criminal better than Rickman Guardian.

The Ethical Detective

2018-02-28

This second edition of Laster's catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling the number of citations. It is designed as an aid for the church musician and/or pastor seeking to plan unified worship services; it will also be of use to those church musicians who follow the liturgical calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference, book, chapter, and verse, as well as a reference to additional passages from scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted. The name of the publisher, the most recent date of publication, and the octavo number appear at the end of each citation. Where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.

Catalog of Copyright Entries. New Series

1940

Empty pleasures, a rich and rewarding read, makes the tools of cultural analysis available to a wide range of readers. De la Peña's argument that artificial sweeteners provide consumers with a way to exercise indulgent restraint will surely re-energize.

1982

exorcism is more widespread in contemporary england than perhaps at any other time in history the anglican church is by no means the main provider of this ritual which predominantly takes place in independent churches however every one of the church of england dioceses in the country now designates at least one member of its clergy to advise on casting out demons such deliverance ministry is in theory made available to all those parishioners who desire it yet as francis young reveals present day exorcism in anglicanism is an unlikely historical anomaly it sprang into existence in the 1970s within a church that earlier on had spent whole centuries condemning the expulsion of evil spirits as either catholic superstition or evangelical excess this book for the first time tells the full story of the anglican church s approach to demonology and the exorcist s ritual since the reformation in the sixteenth century the author explains how and why how such a remarkable transformation in the church s attitude to the rite of exorcism took place while also setting his subject against the canvas of the wider history of ideas

Bodies, Speech, and Reproductive Knowledge in Early Modern England

2015-07-16

the first african american to receive a medical degree this invaluable collection brings together the writings of james mccune smith one of the foremost intellectuals in antebellum america the selected writings of james mccune smith is one of the first anthologies featuring the works of this illustrious scholar perhaps best known for his introduction to fredrick douglass s my bondage and my freedom his influence is still found in a number of aspects of modern society and social interactions and he was considered by many to be a prophet of the twenty first century one of the earliest advocates of the use of black instead of colored mccune smith treated racial identities as social constructions arguing that american literature music and dance would be shaped and defined by blacks organized chronologically the collection covers over 40 years of writing including speeches letters and essays and begins with mccune smith s first speech as an 11 year old boy to the marquis de lafayette providing historical context for mccune smith s current cultural relevance this book showcases writings on black education and self help citizenship and the fight against racism

The Wine of Angels

more than perhaps any other genre crime fiction invites debate over the role of popular fiction in english studies this book offers lively original essays on teaching crime fiction written by experienced british and international scholar teachers providing vital insight into this diverse genre through a series of compelling subjects taking its starting point in pedagogical reflections and classroom experiences the book explores methods for teaching students to develop their own critical perspectives as crime fiction critics the impact of feminism

postcolonialism and ecocriticism on crime fiction crime fiction and film the crime short story postgraduate perspectives and more

Catalogues of Items for Auction by Messrs. Leigh Sotheby & John Wilkinson, 1840-1870

1840

in 1975 the broadway musical *Chicago* brought together a host of memes and myths the gleefully subversive character of american musical comedy the reckless glamour of the big city newspaper the mad decade of the 1920s the work of bob fosse and gwen verdon the tale of a young woman who murders her departing lover and then tricks the jury into letting her off *Chicago* seemed too blunt and cynical at first everyone agreed it was show biz at its best yet the public still preferred a chorus line with its cast of innocents and sentimental feeling nevertheless the 1996 *Chicago* revival is now the longest running american musical in history and the movie version won the best picture oscar as this text looks back at *Chicago*'s various moving parts we see how the american theatre serves as a kind of alternative news medium
