## **Statistics of Divorce**

1917

the family law divorce act 1996 in effect on 27 february 1997 introduces the option of divorce for the first time under irish law this fundamental change raises many questions of married couples families and their advisors including is a reconciliation meeting compulsory what powers will the courts have to decide financial issues what will happen to couples already judicially separated and what impact will divorce have on the administration of estates

## **The Law of Divorce in Ireland**

1997

in this book the author has made a comparative study of marriage and divorce laws all over the world up to 1911 when the book was published according to the author her study of all these different countries has shown that there is in effect little difference in the basic principles governing marriage and divorce she also notes that the rights of women have been steadily improving

this study traces the growth of the concept of divorce through the dharmasastra custom case law and legislation with special reference to the interpretation of the relevant provisions under the hindu marriage act 1955 pointing out how law has influenced society and vice versa the work is comparative and presents a picture of the role played by english judicial precedent in hindu law for the legal profession as well as the student of modern comparative law this book should prove a valuable compact study

## **Marriage Breakdown and Divorce Law Reform in Contemporary Society**

1983

family law in india has a complex legal structure where different religious communities are guided by their own personal laws each of which historically evolved under various social religious political and legal influences in two comprehensive and lucid volumes flavia agnes a leading activist and advocate in the area examines family law in the light of social realities contemporary rights discourse and the idea of justice what is unique in these volumes is that the ground level litigation practices around women s rights are interwoven with the critical analyses of the statutory provisions relying extensively upon case law volume 2 examines the litigation around the validity of marriage and procedures for dissolving it the contemporary debates around issues such as child marriages nri marriages and registration of marriages the framework of law on the issues of maintenance matrimonial residence and custody and guardianship of children and whether considering the procedural aspects of matrimonial law and the increased powers of the family courts gender justice concerns are being adequately addressed the volume also emphasizes that it is necessary and possible for the law to fairly reflect individual and social contingencies at the ground level

## **Marriage at Risk**

1958

you can understand annulment you just need a little help you never wanted this to happen but now you re civilly divorced there s no such thing as catholic divorce because in god s eyes a valid marriage can never be broken but sometimes what looks like a marriage from the outside can be fatally flawed from the beginning only god can see deeply into the human heart he knows how human frailty and weakness and inabilities of some people to enter into marriage freely and fully despite their best attempts after careful study of such an attempted union the church may be able to declare that no valid marriage bond was created and this book will help you understand the process regardless of your situation the church is here to help and you don t have to be a priest or canon lawyer to understand the basics this little book with big help dispels the common myths and misunderstandings about marriage divorce and annulments and is helpful for divorced men and women who are considering if they have grounds for an annulment those who need help completing their formal petition for a decree of nullity annulment lay or religious ministers who work with the separated and divorced parish priests and deacons involved in divorce ministry those who counsel divorced catholics anyone who wants to know more about what the church really teaches about divorce i was afraid of the annulment process at first but found it incredibly healing and even freeing i learned so much about myself and was able to forgive my ex spouse and ask for forgiveness as well patty i had no idea of what the church really taught about marriage and divorce i thought i did but i was blown away when i learned the truth going through the annulment process actually made me hunger to know more of my catholic faith jim
