structured and supportive educational environment of early college not only prepares students academically for college level coursework but also helps students navigate logistical challenges in applying for colleges and universities they show how the positive outcomes of the early college experience can help tip the balance toward successful postsecondary educational experiences especially for historically underserved students such as low income students minority students and first generation college students as the authors point out a shift in the way the transition between secondary and postsecondary education is implemented provides an achievable approach to improving college readiness and lowering educational barriers they argue persuasively that wider adoption of this educational model in high schools has great potential to improve overall access to higher education this book describes an innovative evidence based method for preparing students for the demands of college writing called supporting strategic writers ssw the goal of ssw is to help students become independent learners who understand the value of strategies and can apply them flexibly in future courses and the workplace the text provides genre based strategies for rhetorical analysis planning evaluation and revision critical reading of sources and synthesis of sources that are part of
