This book is a single source of good games leading up to team sports. Challenging games are the stock-in-trade of every successful physical education teacher and recreation leader. Every physical education teacher sooner or later feels the need for new and different games that will enrich, vary, and vitalize his program. These games are the means through which many of the objectives of physical education are achieved. Without them, physical education programs can become dull and meaningless to students. Books written on team sports are geared usually for either boys or girls. In this book, the lead-up games have been presented so that they are applicable to both boys and girls programs. If you're involved in designing or delivering interpersonal skills training, you will know that there are two perennial problems: the first is finding material that matches your objectives; the second is finding material that will be unfamiliar to the participants. The 59 games in Roderick Stuart's collection have not appeared in print before. Based on the author's experience with a wide range of organizations and participants, they cover the entire gamut of skills associated with team development, including assertiveness, communication, creativity, decision-making, influencing, listening, planning, problem-solving, and time management. Each game is presented in a standard format with an indication of objectives, timing, and group size. Detailed step-by-step guidance for the trainer or team leader and ready-to-copy masters for all participants material. An index of objectives makes it easy to select the most suitable items for your training needs and to compile complete workshops or more extensive programmes. In addition, the author provides a four-stage model that relates learning to the requirements of the workplace and a set of checklists for facilitating the learning process.
