English and American studies in German

2002

semiotic encounters text image and trans nation aims at opening up scholarly debates on the contemporary challenges of intertextuality in its various intersections with postcolonial and visual culture studies commencing with three theoretical contributions which work towards the creation of frameworks under which intertextuality can be re viewed today the volume then

explores textual and visual encounters in a number of case studies while a the dimension of the intertextual in the traditional sense as specified e g by genette and b the widening of the concept towards visual and digital culture govern the structure of the volume questions of the transnational and or postcolonial form a recurrent subtext the volume s combination of theoretical discussions and case studies which predominantly deal with english classics and their rewritings film adaptations and or rereadings will mainly attract graduate students and scholars working on contemporary literary theory visual culture and postcolonial literatures

2000-03

china and the united states two massive economic and military powers cannot avoid engaging with each other enjoying what is often termed the most important bilateral relationship in the world the two sometimes cooperate but often compete as their interests come into conflict both countries are separated not just by the pacific ocean but also by their very different histories experiences societies customs and outlooks non governmental unofficial relationships and

exchanges are often as important as formal dealings in determining the climate of sino american relations for several decades in the mid twentieth century chinese and americans were virtually isolated from each other trapped in icy hostility chinese scholars are now making up for lost time this assortment of essays most by mainland chinese academics and students focuses upon the role of culture very broadly defined in sino american affairs taking a holistic approach in this collection over thirty authors focus on such topics as the influence of ideology the impact of geopolitics the use of rhetoric soft power educational encounters and exchanges immigration gender race identity literature television movies music and the press cultural factors are as the authors demonstrate enormously significant in affecting how chinese and americans think about and approach each other both as individuals and at the state level
