the first recipients simply would not have understood then based on those answers he asks and answers several questions about jesus resurrection his resurrected nature and his ascension then based on the biblical answers to those questions asks and answers the question about whether or not jesus and the biblical writers predicted a second coming using those questions and the question of specifically what would those first century christians have understood about what modern interpreters call jesus second coming as the basis for study joe uses his training and experience in systems thinking bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common
