detailed diagrams photos and specifications for the mechanical components of your vehicle such as the engine transmission suspension brakes fuel exhaust steering electrical and drive line service repair manuals were originally written by the automotive manufacturer to be used by their dealership mechanics the following 1990 pontiac models are covered firebird this factory written detroit iron shop manual is perfect for the restorer or anyone working on one of these vehicles haynes offers the best coverage for cars trucks vans suvs and motorcycles on the market today each manual contains easy to follow step by step instructions linked to hundreds of photographs and illustrations included in every manual troubleshooting section to help identify specific problems tips that give valuable short cuts to make the job easier and eliminate the need for special tools notes cautions and warnings for the home mechanic color spark plug diagnosis and an easy to use index this repair manual covers chevrolet camaro and pontiac firebird all models 1993 thru 2002 covers all models of pontiac firebird including esprit formula turbo formula trans am and turbo trans am covers all u s and canadian models of chevrolet camaro and pontiac firebird following ford and chevrolet pontiac entered the pony car market in 1967 and came up with one of the best and most successful muscle cars ever produced though based on the camaro chassis the firebird offered unique features and high performance and over its nearly 40 years of production it continued to wow drivers as it does today this book details the firebird s long and illustrious career with high quality detailed color photographs of some of the finer models both originals and faithful restorations the book is at once a unique history and a restoration guide to all four generations of the firebird pictures and text profile the correct parts finishes options and trim pieces for various models the book also covers the vehicle s wide variety of engine options along with all special editions and model variations from the firebird s introduction in 1967 to the final model in 2002 a finely illustrated history and restoration guide to all four generations of firebird covering all engine options special editions and model variations the detailed story of pontiac s f body coupe convertible throughout three decades from the height of the personal car sporty car era of the late sixties through the fuel crisis safety first seventies eighties renaissance and nineties indifference pontiac firebird 50 years chronicles the firebird s rich history from its inception in 1960 to its continued popularity today david newhardt the pontiac firebird was originally overshadowed by the popular chevrolet camaro but the firebird developed a loyal following and a reputation for true high performance to earn a high profile spot in muscle car history it also had a role in pop culture as burt reynolds drove a trans am in smokey and the bandit and young david hasselhoff took direction from his talking trans am in knight rider while 1970s environmental and insurance interests emasculated most muscle cars the trans am made a defiant last stand in 1973 pontiac introduced the mighty trans am super duty 455 one of the fastest muscle cars ever the high performance high profile history of the firebird trans am is presented here along with stunning color photos of choice models packed with information not found in other firebird books including rpo breakouts for each model of 1986 and 1988 92 firebirds find out how rare your third generation 1982 92 pontiac firebird really is this easy to read well researched reference book provides rpo totals for each year s options as well as the correct gm paint code for every 1967 2002 firebird big enough to put in the back pocket of your jeans when you go to inspect the firebird of your dreams the facts in this book are compiled from pontiac production reports stop searching the internet hoping to find accurate firebird information learn how to properly decode your vin and spid label facts include for the 1986 trans am how many had their rpo lg4 engine mated to the rpo m39 5 speed manual transmission how many lg4 with m39 in the 1986 s e how many 1988 tas had rpo 81p red wheels how many had rpo ww3 gray aero package these options were rare that year for the 1988 gta how many had their rpo lb9 engine mated to the rpo mk6 5 speed manual transmission for the 1988 trans am how many had their rpo lb9 engine mated to the rpo mk6 5 speed manual transmission how many lb9 with mk6 in the 1988 formula what about the l03 with m39 for 1989 pontiac records indicate that only one rpo 53u yellow f body was built was it a base firebird formula trans am or gta check out the other books by robert casey all corvette colors a five book series all buick reatta colors all cadillac xlr xlr v colors all cadillac allanté colors and all 1984 1988 pontiac fiero colors
