basketball s lin spiration nba the highs and lows of jeremy lin s nba career kate riley cnn anchor w
fans of basketball and the nba may be wondering whatever happened to jeremy lin can you believe it was seven years ago when he burst onto
the scene such a burst it was given its own name linsanity and a movie was even made about it for those of you who may not be aware or need
some refreshing well lin s rise to basketball story is nothing less than extraordinary he went unnoticed in high school and then again after college
getting passed over in the nba draft and that s where most nba stars sign million dollar contracts but lin never gave up eventually signing with
but then released by two nba teams he was on the cusp of being released again but due to injury to a star player lin led the knicks to victory with
over new jersey with 25 points five rebounds and seven assists all career highs then the very next game 28 points a few days later 23 points 10
assists and then february 10 a career high yep it was a new one for him 38 points all wins for the knicks who needed them badly linsanity was
born indeed no player had ever scored more points in his first five starts than jeremy lin in just 26 games with the new york knicks before
ending the season early with a knee injury he had captured global headlines quite simply he was the story of the nba well lin s story has another

level of uniqueness to it he was the first american of chinese or taiwanese descent to play in the nba and one of the few asian americans to ever do so but over the next nine nba seasons and eight different teams lin was never able to match that linsanity level his scoring and assist numbers would pretty much be in steady decline just this past season however he was traded to the toronto raptors where he would become the first asian american to win an nba title you d think that winning that crown would be a boost for any player but in a candid speech recently on a tour of asia the 30 year old who hardly had any court time with the raptors felt like he didn t deserve a title now he s looking for a new team but has no offers jeremy lin basketball player in english there s a saying and it says once you hit rock bottom the only way is up but rock bottom it just seems to keep getting more and more rock bottom for me and i came into the nba a young brash kid who thought i was gonna take over the world nowadays i spend more time thinking about quitting kate riley cnn anchor and sure you he may have made millions of dollars but you can t help but feel for the guy kudos for revealing a side of a big name athlete we rarely see

CNN **2019** **10** **No.2917-0814** This book draws on extensive fieldwork among muslims in nepal to examine the local and global factors that shape contemporary muslim identity and the emerging islamic revival movement based in the kathmandu valley nepal s muslims are active participants in the larger global movement of sunni revival as well as in nepal s own local politics of representation the book traces how these two worlds are lived and brought together in the context of nepal s transition to secularism and explores muslim struggles for self definition and belonging against a backdrop of historical marginalization and an unprecedented episode of anti muslim violence in 2004 through the voices and experiences of muslims themselves the book examines nepal s most influential islamic organizations for what they reveal about contemporary movements of revival among religious minorities on the margins both geographic and social of the so called islamic world it

reveals that islamic revival is both a complex response to the challenges faced by modern minority communities in this historically hindu kingdom and a movement to cultivate new modes of thought and piety among nepal s muslims

Islamic Revival in Nepal 1979 bringing together a broad range of case studies written by a team of international scholars this concise companion establishes how manuscripts and printed books met the needs of two different approaches to literacy in the early modern period features essays illustrating the particular ways a manuscript and a printed book reflect the different emphases of an elite private and an egalitarian public culture both of which account for the literary achievements of the renaissance includes wide ranging essays from printing the gospels in arabic to a contemporary reconceptualization of shakespeare stitus andronicus increases accessibility through a rubric organized around archival and manuscript studies the provenance of texts and the authority of editions and studies of genre religion and literary history announces the recovery of archival documents which in some instances are over four hundred years old places translations of milton s latin greek and italian alongside the original texts to increase accessibility for a wide audience of students and scholars provides an invaluable platform for highlighting on going attention to the history of the book and its corollary subjects of reading and writing practices in the 1500s and 1600s

A Concise Companion to the Study of Manuscripts, Printed Books, and the Production of Early Modern Texts 2003-05-08 vols for 1975 include cumulative list of serials

Accessions List, Pakistan 2017-03-13 where did your surname come from do you know how many people in the united states share it what does it tell you about your lineage from the editor of the highly acclaimed dictionary of surnames comes the most extensive compilation of surnames in america the result of 10 years of research and 30 consulting editors this massive undertaking documents 70 000 surnames of americans across the country a reference source like no other it surveys each surname giving its meaning nationality alternate spellings common forenames associated with it and the frequency of each surname and forename the dictionary of american family names is a fascinating journey throughout the multicultural united states offering a detailed look at the meaning and frequency of surnames throughout the country for students studying family genealogy others interested in finding out more about their own lineage or lexicographers the dictionary is an ideal place to begin research

Dictionary of American Family Names 2007-11 for more than forty years now there has been a steady stream of interest in richard hooker this renaissance in hooker studies began with the publication of the folger library edition of the works of richard hooker with this renaissance has come a growing recognition that it is anachronistic to classify hooker simply as an anglican thinker but as yet no generally agreed upon alternative label or context for his thought has replaced this older conception in particular the question of hooker s reformed identity remains hotly contested given the relatively limited engagement of hooker scholarship with other branches of reformation and early modern scholarship to date there is a growing recognition that hooker must be evaluated not only against the context of english puritanism and conformism but also in

light of his broad international reformed context at the same time it has become clear that if this is so scholars of continental reformed orthodoxy must take stock of hooker s work as one of the landmark theological achievements of the era this volume aims to facilitate this long needed conversation bringing together a wide range of scholars to consider richard hooker s theology within the full context of late 16th and early 17th century reformed orthodoxy both in england and on the continent the essays seek to bring hooker into conversation not merely with contemporaries familiar to hooker scholarship such as william perkins but also with such contemporaries as jerome zanchi and franciscus junius predecessors such as heinrich bullinger and successors such as john davenant john owen and hugo grotius in considering how these successors of hooker identified themselves in relation to his theology these essays will also shed light on how hooker was perceived within 17th century reformed circles the theological topics touched on in the course of these essays include such central issues as the doctrine of scripture predestination christology soteriology the sacraments and law it is hoped that these essays will continue to stimulate further research on these important questions among a wide community of scholars

Richard Hooker and Reformed Orthodoxy 2007-11 the six volumes of peterson s annual guides to graduate study the only annually updated reference work of its kind provide wide ranging information on the graduate and professional programs offered by accredited colleges and universities in the united states and u s territories and those in canada mexico europe and africa that are accredited by u s accrediting bodies books 2 through 6 are divided into sections that contain one or more directories devoted to individual programs in a particular field book 2 contains more than 12 500 programs of study in 152 disciplines of the humanities arts and social sciences

Graduate Programs in the Humanities, Arts and Social Sciences 2008 2007 the six volumes of peterson s annual guides to graduate study the only annually updated reference work of its kind provide wide ranging information on the graduate and professional programs offered by accredited colleges and universities in the united states and u s territories and those in canada mexico europe and africa that are accredited by u s accrediting bodies books 2 through 6 are divided into sections that contain one or more directories devoted to individual programs in a particular field book 2 contains more than 12 500 programs of study in 152 disciplines of the humanities arts and social sciences

Graduate Programs in the Humanities, Arts and Social Sciences 2008 1979 this volume of ten collected articles stands out at one level as a contribution to marginality studies its overarching concern is to identify the main contours of the representation of muslim woman in post independence indian writings in english 1950 2000 so doing it examines also whether this representation replicates or modifies the image of muslim woman as ingrained in western literary tradition among the writers discussed are anita desai shashi deshbande shashi tharoor manohar malgonkar attia hossain balwant gargi rokeya sakhawat hossain amitav kumar ruskin bond qurratulain hyder and a host of story writers of indian regional languages besides the volume is an extensive bibliography covering the discourse on representation and gender issues with pointed

reference to muslim woman new book

Behind the Veil 2016-05-02 the two muslim poets featured in scott kugle s comparative study lived separate lives during the eighteenth and early nineteenth centuries in the deccan region of southern india here they meet in the realm of literary imagination illuminating the complexity of gender sexuality and religious practice in south asian islamic culture shah siraj awrangabadi 1715 1763 known as sun was a sunni who after a youthful homosexual love affair gave up sexual relationships to follow a path of personal holiness mah laqa bai chanda 1768 1820 known as moon was a shi i and courtesan dancer who transferred her seduction of men to the pursuit of mystical love both were poets in the urdu language of the ghazal or love lyric often fusing a spiritual quest with erotic imagery kugle argues that sun and moon expressed through their poetry exceptions to the general rules of heteronormativity and gender inequality common in their patriarchal societies their art provides a lens for a more subtle understanding of both the reach and the limitations of gender roles in islamic and south asian culture and underscores how the arts of poetry music and dance are integral to islamic religious life integrated throughout are kugle s translations of urdu and persian poetry previously unavailable in english

When Sun Meets Moon 2022-12-24 william perkins and the making of protestant england presents a new interpretation of the theology and historical significance of william perkins 1558 1602 a prominent cambridge scholar and teacher during the reign of queen elizabeth i though often described as a puritan perkins was in fact a prominent and effective apologist for the established church whose contributions to english religious

thought had an immense influence on an english protestant culture that endured well into modern times the english reformation is shown to be a part of the european wide reformation and perkins himself a leading reformed theologian in a reformed catholic like 1597 perkins distinguished the theology upheld in the english church from that of the roman catholic church while at the same time showing the considerable extent to which the two churches shared common concerns his books dealt extensively with the nature of salvation and the need to follow a moral way of life perkins wrote pioneering works on conscience and practical divinity in the arte of prophesying 1607 he provided preachers with a guidebook to the study of the bible and their oral presentation of its teachings he dealt boldly and in down to earth terms with the need to achieve social justice in an era of severe economic distress perkins is shown to have been instrumental to the making of a protestant england and to have contributed significantly to the development of the religious culture not only of britain but also of a broad range of countries on the continent
