How to Manage ePub eBook 2013-07-31

amid the rising technicalities of modernism the heart of humanity has been ripped apart and while religionism is tearing throughout the heart of modernity everything is hinting at danger to come caught amid their dramatic collide we moderns have been left in a de facto despair and while the glory each claimed seems a key factor for more tragedies they are almost overshadowed by the merging supremacy of money lifemammonism they are all letting us down and parts us moderns from our trustworthy dream of truth beauty and justice further it is impossible to read far in the underlying factors and related elements of the coming crises and all of them are worrisome either of reorganization of tender nature of reprogramming of living cells and of current technotronic engineering of time via digitized machines without finding that they will certainly shake the good grounds of faith and beliefs everywhere de risking the inevitable and while working around such a failure we moderns have to humanly build on our own strength

East-West Sword and Word 2017-02-24

working for a matrix international organisation with its ensuing diverse global teams based in a variety of geographic locations is a fact of life for most leaders and managers today these teams may be permanent or they may come together temporarily to deliver a specific project the challenges of making decisions setting goals communicating building trust and managing the team are far harder when you are separated by time language culture and priorities global teams will enable leaders teams and organisation to deal with the challenges they face how can you ensure that your global team delivers results how do i trade off our local goals and priorities versus the global priorities how do i find out what is really going on and how it will affect me can i trust top management to support my agenda and me personally how can i lead people
