on july 20 1864 the civil war struggle for atlanta reached a pivotal moment as william t sherman s union forces came ever nearer the city the defending confederate army of tennessee replaced its commanding general removing joseph e johnston and elevating john bell hood this decision stunned and demoralized confederate troops just when hood was compelled to take the offensive against the approaching federals attacking northward from atlanta s defenses hood s men struck george h thomas s army of the Cumberland just after it crossed peach tree creek on july 20 initially taken by surprise the federals fought back with spirit and nullified all the advantages the confederates first enjoyed as a result the federals achieved a remarkable defensive victory offering new and definitive interpretations of the battle s place within the atlanta campaign earl j hess describes how several confederate regiments and brigades made a pretense of advancing but then stopped partway to the objective and took cover for the rest of the afternoon on july 20 hess shows that morale played an unusually important role in determining the outcome at peach tree creek a soured mood among the confederates and overwhelming confidence among the federals spelled disaster for one side and victory for the other

in late medieval catholicism mourners employed an array of practices to maintain connection with the deceased most crucially the belief in purgatory a middle place between heaven and hell where souls could be helped by the actions of the living in the early sixteenth century the reformation abolished purgatory as its leaders did not want attention to the dead diminishing people s devotion to god but while the reformation was supposed to end communication between the living and dead it turns out the result was in fact more complicated than historians

have realized in the three centuries after the reformation protestants imagined continuing relationships with the dead and the desire for these relations came to form an important and since neglected aspect of protestant belief and practice in speaking with the dead in early america historian erik r seeman undertakes a 300 year history of protestant communication with the dead seeman chronicles the story of protestants relationships with the deceased from elizabethan england to puritan new england and then on through the american enlightenment into the middle of the nineteenth century with the explosion of interest in spiritualism he brings together a wide range of sources to uncover the beliefs and practices of both ordinary people especially women and religious leaders this prodigious research reveals how sermons elegies and epitaphs portrayed the dead as speaking or being spoken to how ghost stories and gothic fiction depicted a permeable boundary between this world and the next and how parlor songs and funeral hymns encouraged singers to imagine communication with the dead speaking with the dead in early america thus boldly reinterprets protestantism as a religion in which the dead played a central role

Edwin Forrest *2020-10-27*

pulitzer prize finalist the highly anticipated biography of sylvia plath that focuses on her remarkable literary and intellectual achievements while restoring the woman behind the long held myths about her life and art one of the most beautiful biographies i ve ever read glennon doyle author of 1 new york times bestseller untamed with a wealth of never before accessed materials heather clark brings to life the brilliant sylvia plath who had precocious poetic ambition and was an accomplished published writer even before she became a star at smith college refusing to read plath s work as if her every act was a harbinger of her tragic fate clark considers the sociopolitical context as she thoroughly explores plath s world her early relationships and determination not to become a conventional woman and wife her troubles with an unenlightened mental health industry her cambridge years and thunderclap meeting with ted hughes and much more clark s clear eyed portraits of hughes his lover assia wevill and other demonized players in the arena of plath s suicide promote a deeper understanding of her final days along with illuminating readings of the poems themselves clark s meticulous compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over

Speaking with the Dead in Early America *2017-09-19*

an intimate portrait of two pivotal restoration figures during one of the most dramatic periods of english history samuel pepys and john evelyn are two of the most celebrated english diarists they were also extraordinary men and close friends this first full portrait of that friendship transforms our understanding of their times pepys was earthy and shrewd while evelyn was a genteel aesthete but both were drawn to intellectual pursuits brought together by their work to alleviate the plight of sailors caught up in the dutch wars they shared an inexhaustible

curiosity for life and for the exotic willis explores their mutual interests diary keeping science travel and a love of books and their divergent enthusiasms pepys for theater and music evelyn for horticulture and garden design through the richly documented lives of two remarkable men willis revisits the history of london and of england in an age of regicide revolution fire and plague to reveal it also as a time of enthralling possibility

Red Comet 2017-06-19

the xi corps served in the army of the potomac for just twelve months september 1862 august 1863 during which it played a pivotal role in the critical battles of chancellorsville and gettysburg thereafter the corps hastened westward to reinforce a union army in besieged chattanooga and marched through brutal december weather without adequate clothing shoes or provisions to help rescue a second northern army under siege in knoxville tennessee despite its sacrifices in the eastern campaigns and successes in tennessee the reputation of the xi corps is one of cowardice and failure james s pula sets the record straight in his two volume study under the crescent moon the xi corps in the american civil war 1862 1864 under the crescent moon a reference to the crescent badge assigned to the corps is the first study of this misunderstood organization the first volume from the defenses of washington to chancellorsville opens with the organization of the corps and a lively description of the men in the ranks the officers who led them the regiments forming it and the german immigrants who comprised a sizable portion of the corps once this foundation is set the narrative flows briskly through the winter of 1862 63 on the way to the first major campaign at chancellorsville although the brunt of stonewall jackson s flank attack fell upon the men of the xi corps the manner in which they fought and many other details of that misunderstood struggle are fully examined here for the first time and at a depth no other study has attempted pula s extraordinary research and penetrating analysis offers a fresh interpretation of the chancellorsville defeat while challenging long held myths about that fateful field the second volume from gettysburg to victory offers seven chapters on the xi corps at gettysburg followed by a rich exploration of the corps participation in the fighting around chattanooga the grueling journey into eastern tennessee in the dead of winter and its role in the knoxville campaign once the corps two divisions are broken up in early 1864 to serve elsewhere pula follows their experiences through to the war s successful conclusion under the crescent moon draws extensively on primary sources and allows the participants to speak directly to readers the result is a comprehensive personalized portrait of the men who fought in the unlucky xi corps from the difficulties it faced to the accomplishments it earned as the author demonstrates time and again the men of the xi corps were good soldiers unworthy of the stigma that has haunted them to this day this long overdue study will stand as the definitive history of the xi corps

acclaimed as one of the year s 10 best books by the washington post 12 essential nonfiction books by the new yorker 100 notable books by the new york times best books by the economist foreign affairs and air mail 10 essential books by the telegraph the new york times book review editors choice the observer and the sunday times book of the week a landmark magisterial history of the trial of japan s leaders as war criminals the largely overlooked asian counterpart to nuremberg nothing less than a masterpiece with epic research and mesmerizing narrative power judgment at tokyo has the makings of an instant classic evan osnos national book award winning author of age of ambition chasing fortune truth and faith in the new china in the weeks after japan finally surrendered to the allies to end world war ii the world turned to the question of how to move on from years of carnage and destruction for harry truman douglas macarthur chiang kai shek and their fellow victors the question of justice seemed clear japan s militaristic leaders needed to be tried and punished for the surprise attack at

pearl harbor shocking atrocities against civilians in china the philippines and elsewhere and rampant abuses of prisoners of war in notorious incidents such as the bataan death march for the allied powers the trial was an opportunity to render judgment on their vanquished foes but also to create a legal framework to prosecute war crimes and prohibit the use of aggressive war building a more peaceful world under international law and american hegemony for the japanese leaders on trial it was their chance to argue that their war had been waged to liberate asia from western imperialism and that the court was victors justice for more than two years lawyers for both sides presented their cases before a panel of clashing judges from china india the philippines and australia as well as the united states and european powers the testimony ran from horrific accounts of brutality and the secret plans to attack pearl harbor to the japanese military s threats to subvert the government if it sued for peace yet rather than clarity and unanimity the trial brought complexity dissents and divisions that provoke international discord between china japan and korea to this day those courtroom tensions and contradictions could also be seen playing out across asia as the trial unfolded in the crucial early years of the cold war from china s descent into civil war to japan s successful postwar democratic elections to india s independence and partition from the author of the acclaimed the blood telegram which was a pulitzer prize finalist this magnificent history is the product of a decade of research and writing judgment at tokyo is a riveting story of wartime action dramatic courtroom battles and the epic formative years that set the stage for the asian postwar era

Walter Harper, Alaska Native Son 2017-11-01

using recently declassified documents messer traces byrnes s performance from the yalta conference through the postwar dealings with the soviet union he sees the failure of the soviet american collaboration to continue into the postwar years as the result of several unrelated events the struggle between byrnes and truman to become roosevelt s successor in 1944 roosevelt s use of byrnes as his yalta salesman and byrnes s distorted view of the yalta conference originally published in 1982 a unc press enduring edition unc press enduring editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print these editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Judgment at Tokyo 2021-11-01

george s patton jr lived an exciting life in war and peace but he is best remembered for his world war ii battlefield exploits patton s war an american general s combat leadership november 1942 july 1944 the first of three volumes follows the general from the beaches of morocco to the fields of france right before the birth of third army on the continent in highly engaging fashion kevin hymel uncovers new facts and challenges long held beliefs about the mercurial patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led using new sources unavailable to previous historians

and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton's WWII story

The End of an Alliance 2020-05-07

When Europe's Great War engulfed the Ottoman Empire, Arab nationalists rose in revolt against their Turkish rulers and allied with the British on the promise of an independent Arab state. In October 1918, the Arabs' military leader, Prince Faisal, victoriously entered Damascus and proclaimed a constitutional government in an independent Greater Syria. Faisal won American support for self-determination at the Paris Peace Conference, but other Entente powers plotted to protect their colonial interests. Under threat of European occupation, the Syrian Arab Congress declared independence on March 8, 1920, and crowned Faisal king of a civil representative monarchy. Sheikh Rashid Rida, the most prominent Islamic thinker of the day, became Congress president and supervised the drafting of a constitution that established the world's first Arab democracy and guaranteed equal rights for all citizens, including non-Muslims. But France and Britain refused to recognize the Damascus government and instead imposed a system of mandates on the pretext that Arabs were not yet ready for self-government. In July 1920, the French invaded and crushed the Syrian state. The fragile coalition of secular modernizers and Islamic reformers that had established democracy was destroyed with profound consequences that reverberate still. Using previously untapped primary sources, including contemporary newspaper accounts, reports of the Syrian Arab Congress, and letters and diaries from participants, *How the West Stole Democracy from the Arabs* is a groundbreaking account of an extraordinary brief moment of unity and hope and of its destruction.

Patton's War 2024-02-29

Shakespeare Through Islamic Worlds investigates the peculiar absence of Islam and Muslims from Shakespeare's canon while many of Shakespeare's plays were set in the Mediterranean, a geography occupied by Muslim empires and cultures. His work eschews direct engagement with the religion and its people. This erasure is striking given the popularity of this topic in the plays of Shakespeare's contemporaries. By exploring the limited ways in which Shakespeare uses Islamic and Muslim tropes and topoi, Ambereen Dadabhoy argues that Islam and Muslim cultures function as an alternate or shadow text in his works, ranging from his staged Mediterranean plays to his histories and comedies. By consigning the diverse cultures of the Islamic regimes that occupied and populated the early modern Mediterranean, Shakespeare constructs a Europe and Mediterranean freed from the presence of non-white, non-European, and non-Christian others, which belied the reality of the world in which he lived. Focusing on the Muslims at the margins of Shakespeare's works, Dadabhoy reveals that Islam and its cultures informed the plots, themes, and intellectual investments of Shakespeare's plays. She puts Islam and Muslims back into the geographies and stories from which Shakespeare had evacuated them. This innovative book will be of interest to all those working on race, religion, global and cultural exchange within Shakespeare, as well as people working on

How the West Stole Democracy from the Arabs 2023-12-05

a magisterial sunday times history of how books were used in war across the twentieth century both as weapons and as agents for peace we tend not to talk about books and war in the same breath one ranks among humanity's greatest inventions the other among its most terrible but as esteemed literary historian andrew pettegree demonstrates the two are deeply intertwined the book at war explores the various roles that books have played in conflicts throughout the globe winston churchill used a travel guide to plan the invasion of norway lonely families turned to libraries while their loved ones were fighting in the trenches and during the cold war both sides used books to spread their visions of how the world should be run as solace or instruction manual as critique or propaganda books have shaped modern military history for both good and ill with precise historical analysis and sparkling prose the book at war accounts for the power and the ambivalence of words at war

Shakespeare through Islamic Worlds 2017-07-04

this intellectual biography of hans kohn 1891-1971 looks at theories of nationalism in the twentieth century as articulated through the life and work of its leading scholar and activist hans kohn was born in late nineteenth century prague but his peripatetic life took him from the revolutionary era russia to interwar era palestine under the british empire to the united states during the cold war bearing witness to dramatic reconfigurations of national and political identities he spearheaded an intellectual revolution that fundamentally challenged assumptions about the naturalness and the immutability of nationalism reconstructing kohn's long and fascinating career gordon uncovers the multiple political and intellectual trends that intersected with and shaped his theories of nationalism throughout his life kohn was not simply a theorist but also a participant in multiple and often conflicting movements zionism and anti zionism pacifism liberalism and military interventionism his evolving theories thus drew from and reflected fierce debates about the nature of internationalism imperialism liberalism collective security and especially the jewish question kohn's scholarship was not an abstraction but a product of his lived experience as a habsburg jew an erstwhile cultural zionist and an american cold warrior as a product of the times his concepts of nationalism reflected the changing world around him and evolved radically over his lifetime his intellectual biography thus offers a panorama of the dynamic intellectual cornerstones of the twentieth century

The Book at War 2021-09-17

holocaust movies have become an important segment of world cinema and the de facto holocaust education for many one quarter of all american produced holocaust related feature films have won or been nominated for at least one oscar in fact from 1945 through 1991 half of all american holocaust features were nominated yet most

holocaust movies have fallen through the cracks and few have been commercially successful this book explores these trends and many others with a comprehensive guide to hundreds of films and made for television movies from anne frank to schindler s list to jojo rabbit more than 400 films are examined from a range of perspectives historical chronological thematic sociological geographical and individual the filmmakers are contextualized including charlie chaplin sidney lumet steven spielberg quentin tarantino and roman polanski recommendations and reviews of the 50 best holocaust films are included along with an educational guide a detailed listing of all films covered and a four part index glossary

Toward Nationalism's End *2017-08-21*

when first published in 2006 rats alley was a ground breaking piece of research the first ever study of trench names of the western front now in this fully updated and revised second edition the gazetteer has been extended to well over 20 000 trench names complete with map references in itself an essential tool for any first world war researcher however combined with the finely considered history and analysis of trench naming during the first world war this is an edition that no military history enthusiast should be without discover when how and why british trenches were first named and follow the names fascinating development throughout the first world war alongside details of french and german trench naming practices looked at from both contemporary and modern points of view the names reveal the full horror of trench warfare and throw an extraordinary sidelight on the cultural life of the period and the landscape and battles of the western front names such as lovers lane idiot corner cyanide trench crazy redoubt doleful post furies trench peril avenue lunatic sap and gangrene alley can be placed in context with useful information on where original trench maps are held and how to obtain copies rats alley is a vital volume for both military and family historians

Holocaust Cinema Complete 2024-09-20
