Isaiah 40-55 Vol 2 2004-09-01

for over one hundred years international critical commentaries have had a special place among works on the bible they bring together all the relevant aids to exegesis linguistic textual archaeological historical literary and theological to help the reader understand the meaning of the books of the old and new testaments the new commentaries continue this tradition all new evidence now available is incorporated and new methods of study are applied the authors are of the highest international standing no attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought

A Cause to Kill For 2017-03-09

a cause to kill for a novel by eric jackson synopsis when the united states discovers oil deposits off the southern coast of puerto rico the u s president and congress move to grant statehood to the island a u s possession since 1898 during a plebiscite to choose between statehood free association or independence leftist terrorists kidnap the first lady of puerto rico to force puerto ricos governor to cancel the vote thus jeopardizing the national interests of the united states powerful political interests brutally clash with common human instincts as puerto ricans decide their political future elison cruz is the current governor of puerto rico and the top leader of the pro statehood forces rigonaldo pastrana is the fugitive comandante of september twenty third a separatist organization committed to stopping cruz from bringing statehood to puerto rico in a campaign of terror september twenty third attempts to assassinate governor cruz when the attempt fails they kidnap his wife first lady ana mara cruz and threaten to kill her if the governor doesnt cancel the plebiscite in the puerto rican senate the terrorists have found a voice in senator orlando tonos an outspoken advocate of independence who has called for a boycott of the plebiscite he has put himself at odds with the moderate leadership of the independence party which is eagerly supporting the historic vote tonos calls rigonaldo a patriot and refuses to condemn the kidnapping of ana mara cruz william montana the assistant director in charge of the f b i in puerto rico has a crisis on his hands he must arrest rigonaldo pastrana and rescue the first lady of puerto rico its not an easy task an insider is cooperating with the terrorists he fears who can he or she be a bomb explodes on a crowded street in old san juan september twenty third has set a deadline they are running out of time rigonaldo will kill the first lady if his demands are not met montana has to act in a bold attempt to pressure rigonaldo to release the first lady montana orchestrates a kidnapping of his own barbara tonos the prominent wife of senator tonos meanwhile karen perez an audacious tv reporter interviews rigonaldo in his hideout sees the first lady and airs the encounter on prime time tv the footage of the battered first lady shaken scared blindfolded and tied to a chair like an animal in captivity shatters the country and so ensues a battle of wills and conflicting ends a quixotic race against time as puerto ricans prepare to vote on their future governor cruz wonders in terror if he will see his wife alive again book overview is it fair to say that almost every puerto rican living on the island of puerto rico or abroad has an opinion on the decades old political status controversy puerto ricans face several choices

in this explosive debate statehood independence free association and commonwealth no matter which side you may take on the political status issue you are set to enjoy the novel a cause to kill for a novel in the thriller genre that explores the status issue as the backdrop for an exciting and entertaining read what would be the implications for puerto rico and the united states if huge oil deposits were found on the island how far would the u s go to secure puerto ricos oil deposits would your views on the political status of the island change if you knew that puerto rico could be an oil producing state in a cause to kill for the united states knows there is oil
