Lucentio falls in love with Bianca, the apparently ideal younger daughter of the wealthy Baptista Minola, but before they can marry, Bianca's formidable elder sister, Katherine, must be wed. Petruchio, interested only in the huge dowry, arranges to marry Katherine against her will and enters into a battle of the sexes that has endured as one of Shakespeare's most enjoyable works. William Shakespeare was an English poet, playwright and actor, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the Bard of Avon. His extant works, including some collaborations, consist of about 38 plays, 154 sonnets, two long narrative poems and a few other verses, of which the authorship of some is uncertain. His plays have been translated into every major living language and are performed more often than those of any other playwright. Shakespeare produced most of his known work between 1589 and 1613. His early plays were mainly comedies and histories, and these works remain regarded as some of the best work produced in these genres. He then wrote mainly tragedies until about 1608, including *Hamlet*, *Othello*, *King Lear* and *Macbeth*, considered some of the finest works in the English language. In his last phase, he wrote tragicomedies, also known as romances, and collaborated with other playwrights.
