though new testament scholars have written extensively on the roman empire the topic of the military has been conspicuously neglected leading many academics to defer to popular wisdom against this trend the roman army and the new testament provides a clear discussion of issues that are often taken for granted who served in the military of early roman palestine why did men join the roman army seemingly at odds with their own interests as subject peoples what roles did soldiers serve beyond combat how did civilians interact with and perceive soldiers these questions are answered through careful analysis of ancient literature inscriptions papyri and archaeological findings to paint a detailed portrait of soldier civilian interactions in early roman palestine contrary to common assumption judaea and galilee were not crawling with roman legionaries with a penchant for cruelty rather a diverse mix of men from palestine and nearby regions served as soldiers in a variety of social roles infrastructure construction dispute mediation bodyguarding officials like tax collectors etc readers will discover a variety of complex attitudes civilians held toward men of roman violence throughout the roman east the importance of these historical issues for biblical scholarship is demonstrated through a verse by verse commentary on relevant passages that stretches across the entire new testament from the slaughter of the innocents in matthew s nativity to the climactic battle with the great beast in revelation biblical scholars seminarians and military enthusiasts will find

much to learn about the roman army in both the new testament and early roman palestine

2009-12-15

how does a christian render unto caesar what is caesar s and unto god what is god s this book is the result of the bingham colloquium of 2007 that brought scholars from across north america to examine the new testament s response to the empires of god and caesar two chapters lay the foundation for that response in the old testament s concept of empire and six others address the response to the notion of empire both human and divine in the various

authors of the new testament a final chapter investigates how the church fathers regarded the matter the essays display various methods and positions together however they offer a representative sample of the current state of study of the notion of empire in the new testament

## ***Empire in the New Testament***

1942

an indispensable introduction to roman society culture law politics religion and daily life as they relate to the study of the new testament the roman empire formed the central

context in which the new testament was written anyone who wishes to understand the new testament texts must become familiar with the political economic societal cultural and religious aspects of roman rule much of the new testament deals with enabling its readers to negotiate in an array of different manners this pervasive imperial context this book will help the reader see how social structures and daily practices in the roman world illumine so much of the content of the new testament message for example to grasp what paul was saying about food offered to idols one must understand that temples in the roman world were not churches and that they functioned as political economic and gastronomic centers whose religious dealings were embedded within these other functions brief in presentation yet broad in scope the roman empire and the new testament an essential guide will introduce students to the information and ideas essential to coming to grips with the world in which early christianity was born

## **Revelation 1-22 MacArthur New Testament Commentary Two Volume Set**

1999-04-15

this completely revised and updated second edition of the new testament in antiquity skillfully develops how jewish hellenistic and roman cultures formed the essential environment in which the new testament authors wrote their books and letters understanding of the land history and culture of the ancient world brings remarkable new insights into how we read the new testament itself

throughout the book numerous features provide windows into the first century world nearly 500 full color photos charts maps and drawings have been carefully selected additional features include sidebars that integrate the book s material with issues of interpretation discussion questions and bibliographies

## ***The Old and New Testament Connected***

1839

no ancient writer is more important for the study of the new testament than flavius josephus a jew who was born shortly after the death and resurrection of jesus christ his works discuss many of the people who walk across the pages of the new testament such as herod agrippa john the baptist and even jesus outline institutions important to the understanding of the new testament such as the pharisees sadducees zealots and roman army and describe in great detail events predicted in the new testament the jewish war especially the destruction of jerusalem in this book dr rogers has summarized the massive bulk of josephus s writings in a vivid and delightful manner arranging the data topically for easy access he also draws attention to specific words in the gospels acts and the letters of the new testament that take on enriched meanings when viewed in light of josephus s use of them

## **The Topical Josephus**

1999-10

in an often violent and dangerous world military defense systems exercise a major role in the ways societies and nations function develop their aspirations protect themselves promote their identities and shape their destinies as we are only too aware at this time in global history conflict war and peace are deeply entangled and often morally ambiguous this timely volume of essays offers contributions from europe africa and australia it raises fundamental issues about the indispensability of the virtues in the military the relationship between military and the public good the nature of combatants and a soldier's responsibilities for humanity and peace moral and spiritual injury and new challenges for pastoral care in the armed forces

# **Military Chaplains' Review**

1980

now including a new chapter israel in galatians over 80 of the promises and prophecies of the old testament have been literally fulfilled it is a simple matter of faith in god s faithfulness to believe that he means what he says and will do what he says he will do this study reveals that both the people and the place called israel have a significant role in god s future plans for world redemption

# **A Commentary on the Books of the Old and New Testament**

1770

in the immediate aftermath of world war ii the united states army became the principal agent of american foreign policy the army designed implemented and administered the occupations of the defeated axis powers germany and japan as well as many other nations generals such as lucius clay in germany douglas macarthur in japan mark clark in austria and john hodge in korea presided over these territories as proconsuls at the beginning of the cold war more than 300 million people lived under some form of u s military authority the army s influence on nation building at the time was profound but most scholarship on foreign policy during this period concentrates on diplomacy at the highest levels of civilian government rather than the armed forces governance at the local level in army diplomacy hudson explains how u s army policies in the occupied nations represented the

culmination of more than a century of military doctrine focusing on germany austria and korea hudson s analysis reveals that while the post world war ii american occupations are often remembered as overwhelming successes the actual results were mixed his study draws on military sociology and institutional analysis as well as international relations theory to demonstrate how bottom up decisions not only inform but also create higher level policy as the debate over post conflict occupations continues this fascinating work offers a valuable perspective on an important yet underexplored facet of cold war history

## **The President's Bible**

2016-03-17

while the early church exercised proper discernment and the canon of the new testament was soon definitely recognised and universally accepted the apocryphal writings were not without influence the sacred legends the ecclesiastical traditions all too potent in their effect are in many cases to be traced to these writings much that rome inculcates is derived from these books which the western church constantly rejected included are the protevangelium of james the gospel of pseudo matthew the gospel of the nativity of mary the history of joseph the carpenter the gospel of thomas the gospel of nicodemus the letter of pontius pilate and many more

## **“The” Old and New Testament**

# **Connected in the History of the Jews and Neighbouring Nations**

1833

this volume examines a multitude of characters in matthew's gospel and provides an in depth look at the different approaches currently employed by scholars working with literary and reader oriented methods beginning with an introduction on the properties of character and the several aspects involved in the creation of person the contributors provide a close reading of numerous characters and character types in the gospel of matthew including mary king herod john the baptist jesus the preacher jesus the teacher god the father the roman centurion peter women gentiles scribes and pharisees and romans such close studies aid the understanding of different issues in matthean characterization while also charting the development of hermeneutical vistas that have developed in contemporary scholarship resulting in a collection of exegetical character studies that are self consciously working from a literary narrative critical reader oriented or related methodology
