Forces of Influence

2020-02-10

in forces of influence fred ende and meghan everette contend that schoolwide success starts with relationships not only between students and adults but also among all adults up and down the education hierarchy it is by leveraging these relationships that educators can influence outcomes and effect real change but how can educators make sure they exert their influence astutely and sensitively navigating education's priorities and pressures while keeping their work focused on the mission this thought provoking book helps readers navigate this tricky terrain introducing four forces or levels of influence and explaining how educators can use them to support one another's practice and push for positive outcomes for all learners the authors explore each of the four forces the pull the push the shove and the nudge and explain why they work and what research shows about their effectiveness introduce the forces of influence leadership matrix film a framework that identifies how the four forces connect and helps readers determine when to use which force with whom and how provide advice on how to course correct by switching and layering the forces for positive results and how to recover from setbacks offer copious tools to support this work including role plays self assessments templates and questions to spur reflection and action taking everything educators do requires them to build sustain and leverage relationships with this guide they no longer have to wing it

Constructing Library Buildings That Work

2020-07-24

when it s time to start planning for a renovation or construction project you don t need a book that covers everything from a to z instead you need a concentrated set of tools and techniques that will guide you and your team to find the best solutions for your specific project that s exactly what library building expert schlipf provides in his new book which will be a key resource for library directors administrators board members trustees and planning professionals pinpointing the elements that make library buildings functional in this book readers will find a streamlined organization of the text that enables quick consultation and facilitates collaboration concise coverage of the essentials of the library construction process including who does what how things work and how to stay out of trouble along the way advice on important planning and workflow considerations such as site selection schematic design funding design development the bidding process construction and post construction occupancy discussion of the characteristics of successful library buildings buildings that are easy to maintain welcoming to people with disabilities have less trouble prone restrooms and provide security for users staff and collections and an overview of bad ideas in library architecture with pointed guidance on how to steer clear of them from the very beginning of your project

World War II US Cavalry Groups

2012-07-20

the cavalry regiments of the us army were in the process of being transformed into a mechanized force when the usa entered world war ii while those cavalry regiments deployed to the pacific to fight the japanese were turned into infantry units those sent to europe were employed as light armor in the cavalry s traditional spearhead roles reconnaissance the screening of advances and flanks and the pursuit of beaten enemy forces equipped with m8 greyhound armored cars m5 stuart and m24 chaffee light tanks and halftracks these units were designated cavalry groups mechanized each c 1 700 strong and divided into two heavily armed squadrons they were seldom attached to divisions but to higher level corps commands meaning they could be shifted around quickly and independently and be formed at need into flexible battle groups with armored infantry and other units depending on the mission featuring specially drawn full color illustrations depicting uniforms insignia armored vehicles and tactical scenarios this is the story of the us cavalry units that led the advance to victory in europe during world war ii

The Commander

Confederate Currency

2012-09-20

on february 4 1861 the confederate states of america was formed and almost immediately the first confederate notes were printed the famous montgomery notes these would be followed by many designs over the next four years the seventy different designs or type notes are eagerly sought today by collectors historians and family historians and a collection of confederate currency offers

fascinating insights into the tumultuous civil war period pierre fricke examines these series of confederate notes highlighting the history and circumstances in which they were created this easy to read fun and educational book offers an introduction to the often beautiful notes that financed the confederacy

Luftwaffe Schlachtgruppen

2013-08-20

one of the most important and yet least publicised components of the front line luftwaffe was the schlacht or ground attack arm this book details the schlacht units who were in the thick of the fighting from the first day of the war until the last they played a vital part in the heady successes of the early blitzkrieg campaigns and went on to perform an equally essential role in the dark hours of last ditch defence and ultimate defeat in between they fought in all defensive battles on the eastern front at stalingrad kursk and berlin in the west by night over normandy the ardennes and the rhine

An Introduction to Intercultural Communication

2020-07-24

an introduction to intercultural communication equips students with the knowledge and skills to be competent and confident intercultural communicators best selling author fred e jandt guides readers

through key concepts and helps them connect intercultural competence to their own life experiences in order to enhance understanding employing his signature accessible writing style jandt presents balanced up to date content in a way that readers find interesting and thought provoking the tenth edition gives increased attention to contemporary social issues in today s global community such as gender identifications social class identity and immigration and refugees included with this title the password protected instructor resource site formally known as sage edge offers access to all text specific resources including a test bank and editable chapter specific powerpoint slides

F-4 Phantom II vs MiG-21

2013-05-20

this book draws us into the dangerous world braved by american and north vietnamese airmen in the skies over vietnam influential leaders and tacticians are profiled to provide a comparative evaluation of their contrasting skills this book also reveals the technical specifications of each jet with an analysis of the weaponry avionics and survival devices of the f 4 phantom ii as flown by the usaf and the mig 21 the fighters strengths and weaknesses are also compared including turn radius performance at altitude range and structural integrity first person extracts reflect on the dangers of these aerial duels as usaf pilots and their counterparts struggled to overcome each plane s shortcomings

352nd Fighter Group

2012-10-20

nicknamed the bluenosed bastards of bodney due to the garish all blue noses of their p 51s the 352nd fg was one of the most successful fighter groups in the eighth air force credited with destroying almost 800 enemy aircraft between 1943 and 1945 the 352nd finished fourth in the ranking of all groups within viii fighter command initially equipped with p 47s the group transitioned to p 51s in the spring of 1944 and it was with the mustang that its pilots enjoyed their greatest success numerous first hand accounts 55 newly commissioned artworks and 140 photos complete this concise history of the bluenosers

What You Never Knew about Timothée Chalamet

World War II Medal of Honor Recipients (1)

2012-08-20

the medal of honor is the highest military award that can be bestowed on personnel in the united states armed forces this book is the first of two titles looking at the recipients of the medal of honor during world war ii it covers navy and marine corps awardees in all theaters of war from the attack on pearl harbor in 1941 to the brutal fighting on iwo jima in 1945 among the inspiring stories told are those of signalman 1st class douglas munro the only coast guardsman to ever receive the medal of honor and commander antrim who faced almost certain death to save fellow prisoners in a japanese prisoner of war camp

P-40 Warhawk vs Ki-43 Oscar

2012-11-20

known for the distinctive sharkmouth decoration on their noses p 40 fighters first saw combat in china during world war ii their most common adversary was the japanese nakajima ki 43 nicknamed oscar carl molesworth describes and explains the design and development of these two foes the products of two vastly different philosophies of fighter design the p 40 was heavily armed and sturdy with armour protection and self sealing fuel tanks but paid for this with the loss of speed and a sluggish performance at altitude the ki 43 was a rapier to the battleaxe p 40 and the ki 43 was immensely nimble though with less firepower and durability this book examines these two different fighters and the pilots who flew them over china with an action packed text rare photographs and digital artwork

4th Fighter Group

2012-12-20

formed around a nucleus of pilots already seasoned by their experience as volunteers in the raf s eagle squadrons the 4th fighter group was established in england in october 1942 initially flying spitfires the debden eagles went on to fly the p 47 and p 51 becoming in july 1943 the first eighth air force fighter group to penetrate german air space the group s record of 583 air and 469 ground victories was unmatched in the eighth air force and the group produced a cast of characters that included legendary aces don blakeslee pierce mckennon kid hofer duane beeson steve pisanos and howard hively involved in the d day landings operation market garden the battle of the bulge and the crossing of the rhine the group s achievements came at a high price with a 42 percent casualty rate packed with first hand accounts detailed aircraft profiles and full combat histories this book is an intriguing insight into the best known american fighter unit in world war ii

Real World Color Management

2004-09-08

every graphics professional worth his or her salt knows the importance of color management no matter how much thought artist and client put into the color scheme for a given project all of that work is for naught if you can t get your results to match your expectations enter real world color

management second edition in this thoroughly updated under the hood reference authors bruce fraser chris murphy and fred bunting draw on their years of professional experience to show you everything you need to know about color management whether your final destination is print or film real world color management second edition takes the mystery out of color management covering everything from color theory and color models to understanding how devices interpret and display color you'll find expert advice for building and fine tuning color profiles for input and output devices digital cameras and scanners displays printers and more selecting the right color management workflow and managing color within and across major design applications get real world color management second edition and get ready to dazzle

359th Fighter Group

2012-10-20

nicknamed the unicorns the 359th fg was one of the last groups to arrive in the uk for service in the eto with the eighth air force first seeing action on 13 december 1943 the group initially flew bomber escort sweeps in p 47s before converting to the ubiquitous p 51 in march april 1944 throughout its time in the eto the 359th was credited with the destruction of 351 enemy aircraft destroyed between december 1943 and may 1945 the exploits of all 12 aces created by the group are detailed along with the most significant missions flown this book also discusses the various markings worn by the group's three squadrons the 368th 369th and 370th fss

What You Never Knew about Tom Holland

2024-08

tom holland has danced across stages he has swung across the big screen but what is his life like behind the scenes does he do his own stunts what are his fears these questions and more will be answered in this high interest carefully leveled book that will enthrall reluctant and struggling readers

Tet Offensive 1968

2012-09-20

the 1968 tet offensive was the decisive battle for vietnam masterminded by the brilliant north vietnamese general vo nguyen giap it was intended to trigger a general uprising in south vietnam however the bloody fighting for saigon hue and other cities actually resulted in a catastrophic defeat for the north in this excellent assessment of the key battle of the vietnam conflict james arnold details the plans and forces involved and explains how despite the outcome of the battle the american people and their leaders came to perceive the war for vietnam as lost

Football Records Smashed!

2023-08

in football players pull off some fantastic feats to clinch a win set a record or both in 2021 justin tucker kicked a 66 yard field goal to break the record and win the game for the baltimore ravens and no one can top the miami dolphins perfect season in 1972 in this sports illustrated kids book young readers can experience these exciting moments and other record setting plays in football fast paced and fact filled this collection of record smashers will delight sports fans with thrilling achievements in football history

303rd Bombardment Group

2012-11-20

the first title in the elite units series to deal with an american bombardment group this title focuses on the 303rd bg dubbed the hells angels one of the very first b 17 units assigned to the newly created eighth air force in england in september 1942 the 303rd was in the vanguard of the daylight bombing campaign through to ve day awarded a distinguished unit citation in january 1944 the 303rd also had two of its aircrewmen presented with the medal of honor americas ultimate military decoration brian o neill brings the group s colourful combat history to life with a mix of first hand accounts raw statistics and concise mission narrative

B-29 Hunters of the JAAF

2012-10-20

b 29 no other term struck such terror in the hearts of the japanese public during world war 2 than this single most hated name it was then only natural that the pilots who attempted to shoot these high flying boeing bombers out of the skies over tokyo nagasaki hiroshima and kobe should become known as the elite of the japanese army air force this book details the exploits of the dragon slayers who flying the very latest single and twin engined fighters exacted a heavy toll on the aaf boeing bombers using a range of tactics including ramming

23rd Fighter Group

2013-01-20

famous for the fearsome sharkmouths that adorned their planes the 23rd fg fought a guerrilla war against the japanese steadily moving pilots and aircraft from one remote air base in china to another to keep the enemy off balance because china could only be supplied by air from india there were constant shortages of aircraft fuel and ammunition with which to contend the 23rd fg met these challenges head on and by the end of the war its pilots had compiled a score of 594 aerial victories and nearly 400 ground kills the human cost was high however 126 pilots lost their lives in china while serving in the 23rd

USAF F-4 Phantom II MiG Killers 1972-73

2012-11-20

the f 4 phantom ii was the usaf workhorse fighter bomber for the linebacker campaign which eventually saw us forces withdraw from vietnam with honour in 1973 this book covers the f 4 attacks on numerous targets in north vietnamese cities such as hanoi and haiphong as well as its engagements with vietnamese mig 19s and mig 21s hell bent on defending the north from yankee air pirates the usaf s only ace crew which scored their five kills during 1972 is also covered in a book containing many detailed photographs a large proportion of which haven t been published before

Der Einfluss von Ertragsteuern auf die Kapitalstruktur von

personenbezogenen Kapitalgesellschaften

2010

one of the most successful of the high scoring luftwaffe jagdgeschwader during world war 2 jg 54 grünherz green hearts was formed from three disparate fighter gruppen immediately prior to the battle of britain having enjoyed immediate success over the channel and south east england during the summer of 1940 the unit was transferred to the eastern front in the spring of 1941 in preparation for operation barbarossa the german invasion of the soviet union jg 54 would remain a jagdwaffe stalwart in the east flying firstly bf 109fs and then the fw 190 by war s end the geschwader s pilots had claimed over 9500 kills and produced over 100 aces men like hans philipp walter nowotny and otto kittel are profiled in this volume which reveals the struggle in the face of overwhelming odds that was the lot of the jagdflieger on the eastern front

Jagdgeschwader 54 'Grünherz'

2012-10-20

just what is the participatory condition it is the situation in which taking part in something with others has become both environmental and normative the fact that we have always participated does not mean we have always lived under the participatory condition what is distinctive about the present is the extent to which the everyday social economic cultural and political activities that comprise simply

being in the world have been thematized and organized around the priority of participation structured along four axes investigating the relations between participation and politics surveillance openness and aesthetics the participatory condition in the digital age comprises fifteen essays that explore the promises possibilities and failures of contemporary participatory media practices as related to power occupy wall street the arab spring uprisings worker owned cooperatives for the post internet age paradoxes of participation media activism open source projects participatory civic life commercial surveillance contemporary art and design and education this book represents the most comprehensive and transdisciplinary endeavor to date to examine the nature place and value of participation in the digital age just as in 1979 when jean françois lyotard proposed that the postmodern condition was characterized by the questioning of historical grand narratives the participatory condition in the digital age investigates how participation has become a central preoccupation of our time contributors mark andrejevic pomona college bart cammaerts london school of economics and political science lse nico carpentier vrije universiteit brussel vub free university of brussels and charles university in prague julie e cohen georgetown university kate crawford mit alessandro delfanti university of toronto christina dunbar hester university of southern california rudolf frieling california college of arts and the san francisco art institute salvatore iaconesi la sapienza university of rome and isia design florence jason edward lewis concordia university rafael lozano hemmer graham pullin university of dundee trebor scholz the new school in new york city cayley sorochan mcgill university bernard stiegler institute for research and innovation in paris krzysztof wodiczko harvard graduate school of design jillian c york

The Participatory Condition in the Digital Age

2016-11-01

veteran environmental journalist fred pearce used to think of invasive species as evil interlopers spoiling pristine natural ecosystems most conservationists would agree but what if traditional ecology is wrong and true environmentalists should be applauding the invaders in the new wild pearce goes on a journey to rediscover what conservation should really be about he explores ecosystems from pacific islands to the australian outback to the thames estuary digs into the questionable costs of invader species and reveals the outdated intellectual sources of our ideas about the balance of nature keeping out alien species looks increasingly flawed the new ecologists looking afresh at how species interact in the wild believe we should celebrate the dynamism of alien species and the novel ecosystems they create in an era of climate change and widespread ecological damage we must find ways to help nature regenerate embracing the new wild is our best chance
