## **Daily Life of Women in the Progressive Era 2019-06-24**

in this comprehensive unflinching account david w southern persuasively argues that race was the primary blind spot of the progressive movement based on the voluminous secondary works produced over the last forty years and his own primary research southern s synthesis vividly portrays the ruthless exploitation brutality and violence that whites inflicted on african

americans in the first two decades of the twentieth century in the former confederate states where almost 90 percent of blacks resided white progressives followed the lead of racist demagogues such as pitchfork ben tillman and james vardaman by consolidating the jim crow system of legal segregation and the disfranchisement of blacks resulting in the emergence of the one party democratic south when legal discrimination did not sufficiently subordinate blacks southern whites resorted liberally to fraud intimidation and violence most notably in ghastly lynchings and urban race riots yet most northern progressives were either indifferent to the fate of southern blacks or actively supported the social system in the south yankee reformers obsessed over the concept of race and became ensnared in a web of scientific racism that convinced them that blacks belonged to an inferior breed of human beings the tenures of both theodore roosevelt who wrote more about race than any other american president and woodrow wilson who was reared in the deep south proved disastrous for african americans who reached their nadir even as wilson led the united states on a crusade to make the world safe for democracy southern goes on to persuasively reveal that african americans courageously fought to change the implacably racist system in which they lived against overwhelming odds indeed it was the rise of the militant new negro during the progressive era that provoked much of the anti black repression and violence dr southern further examines how the origins of the modern civil rights movement emerged in the wake of the rivalry between booker t washington and w e b du bois going beyond an analysis of their leadership to illuminate other important african american activists who held strong views of their own finally an epilogue assesses the malignant racial heritage of the progressives by looking at the discrimination against african americans both those in and newly returned home from the armed forces during world war i and the numerous race riots in northern cities that were in part occasioned by the large scale migration of southern blacks
