Everything I Wish I Told You 2018-09-21 this book is a complex version of poems and or excerpts written by myself there are excerpts that enhance much imagery nature love lust heartbreak sadness friendship etc it entails nonetheless how i feel here are my unspoken thoughts and everything i wish i told you but could not

Everything I Wish I'd Said 2014-02 as humans charge up the steep slope of technological innovation digital age media increasingly shapes our perception of everything even spiritual matters the next stage of spiritual development may be the product of a digital interface between our own image of the divine virtual reality technology that produces real perceptions and with devices that stimulate areas of the brain associated with spiritual experience this book explores the influence of digital media on spirituality and the impact of the digital environment on our experience of the spiritual world the author predicts a future in which digital technology and neuroscience will combine to create a new understanding of the divine instructors considering this book for use in a course may request an examination copy here

The Digital God 2015-03-02 the acknowledged masterpiece of one of spain s most influential thinkers between despair and the desire for something better unamuno finds that saving incertitude that alone can console us

Everything I've Learned So Far (and Everything I Wish I'd Known) 2012 there is more to the human origins development intelligence and civilization than the epic debate creationism versus evolution simply because there is more to the human condition than what authorities and ideologies want you to believe therefore when you study the human origins you have to search beyond the moment when the first humans had detached from the firmament or previous species since there are other significant events in humanity s lifespan and achievement defining its specific timeline while you have to study everything otherwise you risk

understanding these significant events only from simplistic empirical or ideological perspectives ending up learning what you already know while following the crowd throughout unending debates since you want the accurate truth because you already know all theories beliefs speculations and debates regarding the human origins and this is why when you study the human origins you expect to understand everything about the origins of life the nature and origins of this world the nature of the human higher self and intelligence the origins and debut of the human consciousness and human intelligent reasoning along with all details related to the creator of this entire world of life and of humanity additionally it is relevant to know how all these affect you personally and how they affect your family your genetic line and your nation how your family and genetic line originate where and how it happened under what circumstances and with what status and privileges for you for your family for your nation and for the humankind and this is exactly what we cover throughout this book in all details and from all perspectives this book studies the human origins along with the origins of life human intelligence human species human development human society human current civilization along with various past civilizations of earth integrating humans their origins and their original and current conditions in an elaborate comprehensive model

Tragic Sense of Life 2012-06-19 the 20th and 21st centuries have been characterized by theologians and philosophers rethinking theology and revitalizing the tradition this unique anthology presents contributions from leading contemporary theologians including rowan

williams fergus kerr aidan nichols g r evans and tracey rowland who offer portraits of over fifty key theological thinkers in the modern and postmodern era distinguished by its broad ecumenical perspective this anthology spans arguably one of the most creative periods in the history of christian theology and includes thinkers from all three christian traditions protestant catholic and orthodox each individual portrait in this anthology includes a biographical introduction an overview of theological or philosophical writing presentation of key thoughts and contextual placing of the thinker within 20th century religious discourse overview articles explore postmodern theology radical orthodoxy ecumenical theology feminist theology and liberation theology a final section includes portraits of important thinkers who have influenced christian thought from other fields not least from continental philosophy and literature

The Human Origins 1901 until something goes wrong we take our hearts for granted heart smart gurus inspired by long research point to that bright red valentine in our chests pumping tirelessly and endlessly on our behalf but one day textbook cardiogram wiggles veer off the chart and we are pronounced however gently cardiologically in correct we feel betrayed we more or less thought we were doing everything right so whats gotten into our ticker that loyal lifeline friend time for one thing heart sore for another hearts are only human after all whats a longevity seeker to do especially if blessed with enough heart health insurance to make high tech opportunities breakdownaffordable the concept of preventing heart ache arresting it or reversing it is valentines number one topic for me its a question of flat out prevention to heal the heart emotionally via a softening process designed to protect the precious pump accumulation of blockage is what causes arterial malfunction deprived of emotional oxygen our own hearts cannot dilate freely

regular exercise may prevent an attack and insure loves
longevity superman has nobody doesnt need a seat belt
nor even a plane are you flying solo be a friend find a
lover no man is an island a centuries old someone
pointed out friendship doubles our joy and divides our
grief when needed good friends give major doses of
encouragement on short notice as do family supporters
when trouble finds us a circle of wagons is a supreme
conductor for immediate shelter against stray enemy
arrows the john wayne strong silent type i dont need
anybody and men dont show love mentality isnt macho man
but flat out stupid in this writers paraphrase samuel
johnson admonished if a man does not renew his
friendships and make new acquaintances he finds himself
playing alone as he grows too soon old and too late
smart one must keep friendships in constant repair has
your friendship grown distant worn thin been allowed to
slip away do a bit of friendship repair with a welcome
oil change and a few new points and plugs invite a
friend or lover to do lunch whatever it takes fix it
whatever it needs mend it whenever it bleeds move on to
a more worthy and willing recipient of your hearts
affections an old scottish proverb states he who ceases
to be your friend never was a good one in other words
with friends like you who needs enemies while youre at

What Can I Do When Everything's On Fire?: A Novel

2008-09-17 daddy gear everything i wish i d known when i became a dad is for men and women to help them get ready for their first child written from a man s point of view it focuses on preparation stuff the things you nee to buy and lessons learned a k a parenting what s a receiving blanket used for how many different types of strollers am i likely to get which one will i use the most how do you know when to get a bottle ready what in the world in mylicon confused i know i was once you live through it it becomes second nature i had the opportunity to write about it while it was fresh when we were pregnant with our second child my brother called and asked me for a list of the stuff he d needed

when they had their first baby as i started writing i began to break the stuff into categories based on usage but what s a list without the perspective added by experience so this simple list grew to something more as i compiled this information for my brother i realized there were more than just things i needed to talk about my wife and i had experiences my brothers was sure to have as well i started adding information about situations in addition to gear and my list began to grow into a book being sensitive to the sequence of events to come the section about preparation with information about doctors the hospital and giving birth appears before the one about stuff a k a daddy gear but after all that planning your journey really begins with the birth of your child how do you find a pediatrician a baby sitter so i added the third part of the book it includes stories and lessons learned the most important of which to me is laughter hugs and kisses daddy gear passes on a wealth of information from a new dad s point of view that will help you prepare for your first baby
