# The Art of Compassionate Business

2023-12-01

there are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted some examples of these widespread assumptions in business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult all this leads to the question is there a way to perform business activities more humanely the second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities the users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities they will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace when readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organisation they work for or own the author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision passion business
