The Paper Doll's House of Miss Sarah Elizabeth Birdsall Otis Aged 12

2014-10-14

an extraordinary paper doll s house enhanced here by evocative photographs of miss otis s late 19th century life which will delight lovers of art and interior design as well as children in 1884 a remarkable twelve year old girl made a paper doll s house while these were fashionable enough at the time they were usually drawn and painted miss sarah elizabeth birdsall otis however chose the medium of collage scraps of wallpaper gilded trim colored in cut outs of furniture and engravings from mail order catalogs all glued down unselfconsciously in book form with no regard for scale or realism what makes the album so special is its creator s stunning innate artistry she also populated her house with paper dolls their delightful cut out costumes preserved in envelopes marked with the names of the characters and their accessories stored in paper squares marked hats and bonnets or umbrellas and parasols eric boman s photographs capture miss otis s vivid fantasy world in all its quirky splendor exploring the household from the conservatory parlor and library to the dining room and bedrooms the images portray a domain of astonishing color and aesthetic daring context is provided by period photographs depicting the era of miss otis s privileged long island life the twelve year old girl grew up to become a formidable personality a playwright and a president of the girl scouts here her youthful creativity is celebrated in a format guaranteed to appeal to adults and children alike

Structures of Change in the Mechanical Age

2009-05-08

the united states registered phenomenal economic growth between the establishment of the new republic and the end of the civil war ross thomson s fresh study accounts for the unprecedented technological innovations that helped propel antebellum growth thomson argues that the transition of the united states from an agrarian economy in 1790 to an industrial leader in 1865 relied fundamentally on the spread of technological knowledge within and across industries essential to this spread was a dense web of knowledge diffusing institutions new occupations and industries the patent office machine shops mechanics associations scientific societies public colleges and the civil engineering profession together they composed an integrated innovation system that generated disseminated and employed new technical knowledge across ever widening ranges of the economy to trace technological change in fourteen major industries and the economy as a whole thomson analyzes 14 000 patents the records of two dozen machinery firms census data for 1 800 companies and hundreds of business directories this exhaustive research leads to his interesting interpretation of technological diffusion and development thomson s impressive study of the infrastructure that fueled and supported the young country s economic and industrial successes will interest students of economic technological and business history

1968

this volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed scouting for girls a century of girl guides and girl scouts is the first global history of girl scouting and guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in great britain through its international expansion since 1910 millions of girls worldwide have been exposed to scouting while much has changed since 1910 the core values of scouting guiding are still recognizable in

today's programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning but has scouting's very willingness to change with the times undermined its original ideologies and fundamentally changed the movement as girl scouts and guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis given the changing nature of today's societies and the serious problems girls face on a daily basis girl guides and girl scouts will need to be true to their motto be prepared in order to march forward successfully into the future

Scouting for Girls
