Book of the Sky God 2020-02-14. Do you trust God? Meg Apperson grew up having a relationship with Jesus and she always trusted God, but it wasn't until her daughter Avery, a miracle in so many ways, was born with a litany of life-threatening birth defects that she began to fully understand what it means to trust Jesus with everything. In this heartbreakingly beautiful memoir, you'll learn how a mother fought for her child, her family, and even herself as she grappled with the weight of failure of letting down everyone around her and feeling let down by God. But in the midst of the fight, through heavy grief, she not only discovered her own voice, she discovered that God is both good and faithful. If you have ever experienced grief, suffering, or pain, if God has ever asked you to surrender more than you thought possible, if you've ever questioned how God is at work in the darkness, sky full of stars, is for you. This book will show you that when everything around you is dark, peace can be found in the suffering. You'll discover new ways to rely on God's trustworthiness.

Jupiter King of the Gods, God of Sky and Storms 2019-08. Ever since witnessing a sacred ritual, Rhenna of the Free People has been isolated, not outcast, yet not part of her tribe. She walks alone, guarding the land's borders and growing more troubled by the changes in the wind. Anger and war are rising. The mountain-dwelling shapeshifters' partners to the Free People are disappearing, and word has come of an evil new God, the Stone God, whose followers are known by the red stones they hold and the chaos that accompanies them. So when Rhenna hears that a shapeshifter has been captured by the Stone God's servants, she must rescue him. Now Rhenna is embroiled in a dangerous game as the forces of evil and nature fight to control humanity's future. Together with a growing band, the enigmatic shaman Tahvo, the panther shapechanger Cian, and the rebel Quintus of Conquered Tiberia, she must travel the world seeking to prevent its destruction. Whatever danger lies ahead, the downfall of the Stone God has begun.

God Is Not in the Sky 2022-10-11. Gospel of the Open Road reclaims Ralph Waldo Emerson, Walt Whitman, and Henry David Thoreau as America's spiritual birthright. It rescues them from literary history and reveals them in their true light as democracy's prophets of the soul. Emerson, Whitman, and Thoreau were religious seers who developed a new form of spirituality, and Gospel of the Open Road explains in scholarly yet passionate fashion the deep wisdom that is their enduring legacy. It presents them as a viable spiritual path for those who do not belong and do not want to belong to any organized religion. But this book does more: it draws fascinating parallels between the new spirituality taught by Emerson, Whitman, Thoreau, and ancient spiritual wisdom as found in shamanism, goddess worship, tantra, Taoism, Confucianism, Vajrayana, and Zen Buddhism, and Hinduism. This book is an evocative synthesis of humanity's most venerable spiritual wisdom and the most modern of philosophical, social, psychological, political, scientific, and humanistic concepts. It traces the new age spiritual revolution to its source in Emerson, Whitman, and Thoreau and explains

how to apply their spiritual teachings to our everyday life here on earth
