Writing Effective Public Policy Papers 2002 the evolution of policy in education has been very important in determining the direction and the rate of its spread in nigeria as one moves from one area or era to another weak policy or lack of policy has created unforeseen problems that have had long lasting consequences that color how much and what type of education was deemed suitable for a milieu a lack of understanding of the role of policy has been responsible for many failed interventions in education this book traces the evolution of policy and attempts to show the correlation between clearly articulated policies and the suitability of the output of the system to respond to the needs of the society

United States Foreign Policy 1961 earth observation data policy has received little attention even though the conditions of access to earth observation data are fundamental to the exploitation of and the further growth of the earth observation sector this unique book addresses this limitation

Policy Development and Nigerian Education 2017-08-10 instructional policy and procedure book that focuses on the writing and publishing of a system of policies and procedures that takes a proactive approach to setting up a system of policies and procedures

Foreign Affairs Research Papers Available 1974 the common agricultural policy cap is a unique agricultural policy worldwide for many years its status as the only common european community ec policy governed by ec institutions put it at the heart of european integration today the cap is not the only common european union eu policy even while it remains the sole instance of a regionally integrated agricultural policy the cap no longer embodies the same degree of cross national harmonization of agricultural policy among ec eu member states that it once did the cap has undergone policy reforms in the past two decades and these reforms have spawned a host of questions what has caused the cap to reform how path

breaking are cap reforms are they consistent with founding cap goals or do they encompass new ideas about agriculture s place in the economy and society and what are the consequences of agricultural policy reforms for european farmers consumers and taxpayers for european public goods such as environmental sustainability and preservation of rural communities and landscapes and for third parties outside the eu including the wto this book was published as a special issue of the journal of european integration

Earth Observation Data Policy and Europe 2021-05-30 this book examines russia s external security policy under the presidencies of vladimir putin dmitry medvedev and beyond the russian federation has developed from a neglected regional power into a self declared resurgent superpower russia s background in the former soviet union as well as close ties with the upcoming new powers of china and india served as spring boards towards regaining an influential status in the world simultaneously moscow developed an assertive policy towards the west and unwilling neighbours culminating in august 2008 in an armed conflict with georgia reviewing this decade of russian international security policy this work analyses security documents military reforms and policy actions towards friends and foes such as the usa and nato to provide an assessment of the future security stance of the kremlin this book will be of much interest to students of russian politics and foreign policy european politics and security studies and ir in general

Agricultural Policy 2013 this book represents an ongoing effort to fill the void in the library literature relating to collection development policies the authors whose experience each spans four decades as library educators and practitioners created the book as well as a forthcoming companion volume devoted to school libraries to assist both library school students and professionals in the field in the compilation revision and implementation of collection development policies cutting

edge trends such as digital document delivery and library cooperation are also covered furthermore given the premise that a well rounded policy reflects all activities concerning the collection management process including the evaluation selection acquisition and weeding of information resources it is hoped that this work will also prove useful to non librarians possessing some kind of stake in high quality library holdings such as library board members politicians and administrators directly responsible for library operations and institutional patrons

Library Collection Development Policies 2005 the eu continuously searches for more effective policy towards its eastern neighbourhood which is reflected in the on going adaptation of its existing approaches discourses and policy strategies to the new challenges of its external environment in order to understand the complexity and limitations of the eu framework under the european neighbourhood policy enp and the eastern partnership initiative eap that is to consider the interface between policy instruments institutional structures and multiple agents one needs to adopt an original analytical perspective of practices to comprehensively assess the policies outcomes this volume therefore offers an examination of social practices as implemented through the use of policy instruments and subsequently embedded into the existing emergent social structures which shape and determine the eu neighbours relations to gauge success of the enp in the eastern region the manuscript pulls together a rich collection of geographical and thematic case studies joined by the overarching

conceptual framework of practices this study's principal aims are to discern patterns of social practices which guide agents' interactions in different policy areas to explore the origin and effect of these practices the role of dominant discourses logistical imbalances deliberate strategies etc and to explicate the nature of the emerging social structures being established in the eastern region this approach is distinctive from other constructivist undertakings as it allows to synergise the meanings of social actions through the focus on agents and instruments and their structural extensions through the focus on emergent structures across geo and bio political localities of the eu and its eastern neighbourhood this book was published as a special issue of east european politics

Teaching Gerontological Social Work 1999 social work practitioners write for a variety of publications and they are expected to show fluency in a number of related fields whether the target is a course instructor scholarly journal fellowship organization or general news outlet social workers must be clear persuasive and comprehensive in their writing especially on provocative subjects this first of its kind guide features top scholars and educators providing a much needed introduction to social work writing and scholarship foregrounding the process of social work writing the coeditors particularly emphasize how to think about and approach one's subject in a productive manner the guide begins with an overview of social work writing from the 1880s to the present and then follows with ideal strategies for academic paper writing social work journal writing and social work research writing a section on applied professional writing addresses student composition in field education writing for and about clinical practice the effective communication of policy information to diverse audiences program and proposal development advocacy and administrative writing the concluding section focuses

on specific fields of practice including writing on child and family welfare contemporary social issues aging and intervention in global contexts grounding their essays in systematic observations induction and deduction and a wealth of real world examples the contributors describe the conceptualization development and presentation of social work writing in ways that better secure its power and relevance

Federal Information Dissemination Policies and Practices 1990 the european neighbourhood policy enp has evolved into one of the european union s major foreign policy instruments and received considerable attention however other eu neighbourhood policies and their relevance for the enp also require examination the arab uprisings civil wars in libya and syria the continuing israeli palestinian conflict the crisis in ukraine and russia s annexation of the crimean peninsula have all brought the institutional design and tools of the enp into question and a comparative perspective is crucial to understand eu neighbourhood policies in a wider sense this timely book puts the enp into context by exploring the major challenges and key lessons of the eu s other policy frameworks with neighbouring countries mapping the eu s bi lateral and multilateral neighbourhood relations in comparison to the enp and investigating the major challenges faced it provides a comprehensive up to date view of the eu s relations with its neighbours focusing on current affairs and future challenges the comparison with the enp and the lessons to be drawn generate novel insights into the eu s closest external relations this book will be of key interest to students and scholars studying european politics policies and comparative politics

Federal Register 2013-03-20 as cold war battle lines are seemingly re drawn russia s various frozen war zones ongoing separatist conflicts are often cited as particularly volatile and assumed by some western commentators and policymakers to be next on putin s wish list but as helena rytövuori apunen demonstrates here this is a gross and dangerous oversimplification that will only serve to fuel the vicious circle of reciprocal military escalation drawing on a range of empirical research and across separatist conflicts in georgia south ossetia and abkhazia moldova transnistria and gagauzia and azerbaijan nagorno karabakh and the 2014 annexation of crimea from ukraine her timely book provides a balanced assessment and critique of the assumptions and misunderstandings that inform mainstream discussions as well as placing the conflicts in their proper and

complex historical contexts at a time when there is an increasing tendency to view russia as the source of all instability in eastern europe power and conflict in russia s borderlands is essential reading for anyone interested in the geopolitics of post soviet russia as well as policymakers and practitioners of peace conflict resolution studies
