Mar 12 2024

here it is important that we have some understanding of the soul i 13
1102a 1103a the soul can be seen as bipartite with a rational and a non

rational part the rational part is the source of the intellectual virtues the most important of which in connection with ethics is practical wisdom

the nicomachean ethics of aristotle project gutenberg

Feb 11 2024

the ethics of aristotle is one half of a single treatise of which his politics is the other half both deal with one and the same subject this subject is what aristotle calls in one place the philosophy of human affairs but more frequently political or social science
