Stories of Indian Children 1897

or ever the knightly years were gone with the old world to the grave i was a king in babylon and you were a christian slave w e henley his name was charlie mears he was the only son of his mother who was a widow and he lived in the north of london coming into the city every day to work in a bank he was twenty years old and suffered from aspirations i met him in a public billiard saloon where the marker called him by his given name and he called the marker bullseyes charlie explained a little nervously that he had only come to the place to look on and since looking on at games of skill is not a cheap amusement for the young i suggested that charlie should go back to his mother that was our first step toward better acquaintance he would call on me sometimes in the evenings instead of running about london with his fellow clerks and before long speaking of himself as a young man must he told me of his aspirations which were all literary he desired to make himself an undying name chiefly through verse though he was not above sending stories of love and death to the drop a penny in the slot journals

this collection of poetry is both expensive and hard to find in its first edition it contains the complete poetical works by 19th century american poet henry wadsworth longfellow this is a fascinating work and thoroughly recommended for anyone interested in american poetry many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce we are republishing these classic works in affordable high quality modern editions using the original text and artwork

Stories from India 2006

eventually he retired to his own apartments but it was not until several hours had passed that he returned to his normal condition of mind the same doctor who had been summoned on the occasion of wilhelm s former encounter with the white lady was in attendance on him and he looked extremely grave when informed that the emperor had again experienced a mysterious shock he shut himself up alone with his royal patient forbidding any one else access to the private apartments however in spite of all precautions the story of what had really occurred in the picture gallery eventually leaked out it is said through a maid of honour who heard it from the empress

Beautiful Country : Stories From Another India 2012-03-02

Indian Tales by Rudyard Kipling is a collection of short stories that revolve around the Indian subcontinent. India had a special place in Kipling's heart, as is evident from his writings since he spent many of his formative years in the country. This work is a reflection of his deep-rooted understanding of the many different facets of the country. Indian Tales is a mammoth collection running into many pages with a little less than forty stories to choose from. It showcases some of Kipling's best-known work. The essence of the stories found in this volume is that the central character of Kipling's stories is not just the main protagonist but India itself. His views on the socio-cultural ethos of the country and its people, as well as the complex relationship between the British Empire and native Indians, is beautifully captured within the many pages of this book. It would be difficult to single out specific stories, but some are worth mentioning to discerning readers. In this collection, Kipling showcases different styles of writing, including stories like 'The Phantom Rickshaw' and 'The Man Who Would Be King', which are eerie and otherworldly. The stories revolving around the three characters of Mulvaney, Ortheris, and Learoyd are also highly entertaining, as found in 'The Three Musketeers' and 'Private Learoyd's Story'. Indian Tales is the perfect starting point for readers as yet deprived of the genius of Rudyard Kipling. While it continues to be a treasure trove of moving narratives ensconced within the enigmatic world of India, by one of literature's evergreen legends, about the publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully. Any imperfections that remain are intentionally left to preserve the state of such historical works.
