Thomas Jefferson

2023-07-04

it is 1806 a powerful and criminal secret society has almost complete control over many of the elected officials international finance and commerce in the young nation its leaders arrange for a dissident to be brutally murdered and left floating in the potomac river so that the body surfaces within clear site of thomas jefferson s white house this criminal act is intended to send a message to the president and all those around him the society s power should know no limit elected officials including the president must acknowledge and support us allow us to do whatever we want when and wherever we choose or suffer the consequences almost two hundred years later after discovering a hidden diary written by someone who lived in the white house during that time a small group of college students and a world class computer hacker learn all there is to know about this particular crime the identity of the victim and what if anything jefferson did about it they also learn all about the secret society by digging into this two hundred year old crime the students attract the attention of the modern day version of the secret society the current leader threatens the student s very existence but rather than retreat the students decide to fight back

The Jefferson Files

2017-06-20

thomas jefferson once called his plantation poplar forest the most valuable of my possessions for jefferson poplar forest was a private retreat for him to escape the hordes of visitors and everyday pressures of his iconic estate monticello jefferson s poplar forest uses the knowledge gained from long term and interdisciplinary research to explore the experiences of a wide range of people who lived and worked there between the american revolution and the civil war multiple archaeological digs reveal details about the lives of jefferson subsequent owners and their families and the slaves and descendants who

labored and toiled at the site from the plantation house to the weeds in the garden barbara heath jack gary and numerous contributors examine the landscapes of the property investigating the relationships between the people objects and places of poplar forest as the first book length study of the archaeology of a president s estate jefferson s poplar forest offers a compelling and uniquely specific look into the lives of those who called poplar forest home

Jefferson's Poplar Forest

2012-05-27

this book emphasises the centrality of nationhood to thomas jefferson s thought and politics envisioning jefferson as a cultural nationalist whose political project sought the alignment of the american state system with the will and character of the nation jefferson believed that america was the one nation on earth able to realise in practice universal ideals to which other peoples could only aspire he appears in the book as the essential narrator of what he once called the american story as the historian the sociologist and the ethnographer the political theorist of the nation the most successful practitioner of its politics and its most enthusiastic champion the book argues that reorienting jefferson around the concept of american nationhood recovers an otherwise easily missed coherence to his political career and helps make sense of a number of conundrums in his thought and practice

Thomas Jefferson and American Nationhood

2012-07-30

the belief that thomas jefferson had an affair and fathered a child or children with slave sally hemings and that such an allegation was proven by dna testing has become so pervasive in american popular culture that it is not only widely accepted but taught to students as historical fact but as william g hyland jr demonstrates this fact is nothing more than the accumulation of salacious rumors and irresponsible scholarship over the years much of it inspired by political grudges academic opportunism and the trend of historical revisionism that seeks to drag the reputation of the founding fathers through the mud in this startling and revelatory argument hyland shows not only that the evidence against jefferson is lacking but that in fact he is entirely innocent of the charge of having sexual relations with hemings historians have the wrong jefferson hyland an experienced trial lawyer presents the most reliable historical evidence while dissecting the unreliable and in doing so he cuts through centuries of unsubstantiated charges the author reminds us that the dna tests identified eston hemings sally s youngest child as being merely the

descendant of a jefferson male randolph jefferson the president s wayward younger brother with a reputation for socializing among the monticello slaves emerges as the most likely of several possible candidates meanwhile the author traces the evolution of this rumor about thomas jefferson back to the allegation made by one james callendar a drunken ruffian who carried a grudge after unsuccessfully lobbying the president for a postmaster appointment and who then openly bragged of ruining jefferson s reputation hyland also delves into hemings family oral histories that go against the popular rumor as well as the ways in which the jefferson rumors were advanced by less than historical dramas and by flawed scholarly research often shaped by political agendas reflecting both a layperson s curiosity and a lawyer s precision hyland definitively puts to rest the allegation of the thirty eight year liaison between jefferson and hemings in doing so he reclaims the nation s third president from the arena of hollywood style myth and melodrama and gives his readers a unique opportunity to serve as jurors on this enduringly fascinating episode in american history

In Defense of Thomas Jefferson

2009-06-09

from an eminent scholar of the american south the first full scale biography of thomas jefferson since 1970 not since merrill peterson s thomas jefferson and the new nation has a scholar attempted to write a comprehensive biography of the most complex founding father in jefferson john b boles plumbs every facet of thomas jefferson s life all while situating him amid the sweeping upheaval of his times we meet jefferson the politician and political thinker as well as jefferson the architect scientist bibliophile paleontologist musician and gourmet we witness him drafting of the declaration of independence negotiating the louisiana purchase and inventing a politics that emphasized the states over the federal government a political philosophy that shapes our national life to this day boles offers new insight into jefferson s actions and thinking on race his jefferson is not a hypocrite but a tragic figure a man who could not hold simultaneously to his views on abolition democracy and patriarchal responsibility yet despite his flaws jefferson s ideas would outlive him and make him into nothing less than the architect of american liberty

few prominent americans are as associated with a place as thomas jefferson is with virginia the heart of jefferson country is his house and plantation at monticello but jefferson traveled the breadth of his home

state from his time at william mary in williamsburg to the new state capital at richmond and his retreat and plantation at poplar forest near lynchburg in the beauty of the blue ridge mountains jefferson was inspired to write his only book notes on the state of virginia laura a macaluso demonstrates the many facets of the man the scholar and the statesman in this guide to the virginia he loved

Guide to Thomas Jefferson's Virginia, A

2018

named one of the best books of the year by the new york times book review the washington post entertainment weekly the seattle times st louis post dispatch bloomberg businessweek in this magnificent biography the pulitzer prize winning author of american lion and franklin and winston brings vividly to life an extraordinary man and his remarkable times thomas jefferson the art of power gives us jefferson the politician and president a great and complex human being forever engaged in the wars of his era philosophers think politicians maneuver jefferson s genius was that he was both and could do both often simultaneously such is the art of power thomas jefferson hated confrontation and yet his understanding of power and of human nature enabled him to move men and to marshal ideas to learn from his mistakes and to prevail passionate about many things women his family books science architecture gardens friends monticello and paris jefferson loved america most and he strove over and over again despite fierce opposition to realize his vision the creation survival and success of popular government in america jon meacham lets us see jefferson s world as jefferson himself saw it and to appreciate how jefferson found the means to endure and win in the face of rife partisan division economic uncertainty and external threat drawing on archives in the united states england and france as well as unpublished jefferson presidential papers meacham presents jefferson as the most successful political leader of the early republic and perhaps in all of american history the father of the ideal of individual liberty of the louisiana purchase of the lewis and clark expedition and of the settling of the west jefferson recognized that the genius of humanity and the genius of the new nation lay in the possibility of progress of discovering the undiscovered and seeking the unknown from the writing of the declaration of independence to elegant dinners in paris and in the president s house from political maneuverings in the boardinghouses and legislative halls of philadelphia and new york to the infant capital on the potomac from his complicated life at monticello his breathtaking house and plantation in virginia to the creation of the university of virginia jefferson was central to the age here too is the personal jefferson a man of appetite sensuality and passion the jefferson story resonates today not least because he led his nation through ferocious partisanship and cultural warfare amid economic change and external threats and also because he embodies an eternal drama the struggle of the leadership of a nation to achieve greatness in a difficult and

confounding world praise for thomas jefferson the art of power this is probably the best single volume biography of jefferson ever written gordon s wood a big grand absorbing exploration of not just jefferson and his role in history but also jefferson the man humanized as never before entertainment weekly meacham captures who jefferson was not just as a statesman but as a man by the end of the book the reader is likely to feel as if he is losing a dear friend an absorbing tale the christian science monitor this terrific book allows us to see the political genius of thomas jefferson better than we have ever seen it before in these endlessly fascinating pages jefferson emerges with such vitality that it seems as if he might still be alive today doris kearns goodwin

Thomas Jefferson: The Art of Power

2012-11-13

the surprising story of how thomas jefferson commanded an unrivaled age of american exploration and in presiding over that era of discovery forged a great nation at the dawn of the nineteenth century as britain france spain and the united states all jockeyed for control of the vast expanses west of the mississippi river the stakes for american expansion were incalculably high even after the american purchase of the louisiana territory spain still coveted that land and was prepared to employ any means to retain it with war expected at any moment jefferson played a game of strategy putting on the ground the only americans he could a cadre of explorers who finally annexed it through courageous investigation responsible for orchestrating the american push into the continent was president thomas jefferson he most famously recruited meriwether lewis and william clark who led the corps of discovery to the pacific but at the same time there were other teams who did the same work in places where it was even more crucial william dunbar george hunter thomas freeman peter custis and the dauntless zebulon pike all were dispatched on urgent missions to map the frontier and keep up a steady correspondence with washington about their findings but they weren t always well matched with each other and certainly not with a spanish army of a thousand soldiers or more these tensions threatened to undermine jefferson s goals for the nascent country leaving the united states in danger of losing its foothold in the west deeply researched and inspiringly told jefferson s america rediscovers the robust and often harrowing action from these seminal expeditions and illuminates the president s vision for a continental america

henry adams has been a neglected figure in recent years the education of henry adams is widely accepted as a classic of american letters but his other work is little read except by specialists his brilliant journalism is out of print while mont saint michel and chartres and the novels democracy and esther receive little attention even the monumental history of the administrations of thomas jefferson and james madison considered by some to be the greatest history written by any american seems noticed only by scholars of that period james p young author of the highly regarded reconsidering american liberalism seeks to revive interest in the thought of adams by extracting core ideas from his writings concerning both american political development and the course of world history and then showing their relevance to the contemporary longing for a democratic revival in this revisionist study young denies that adams was a reactionary critic of democracy and instead contends that he was an idealistic though often disappointed advocate of representative government young focuses on adams s belief that capitalist industrial development during the gilded age had debased american ideals and then turns to a careful study of adams s famous contrast of the unity of medieval society with the fragmentation of modern technological society though fully aware of adams s concerns about technology young rejects the idea that adams was bitterly opposed to twentieth century developments in that field he shows that though a liberal democrat with inclinations toward reform adams is much too sophisticated to be captured by any simple label

The Words That Made Us

2021-05-04

when annette gordon reed s groundbreaking study was first published rumors of thomas jefferson s sexual involvement with his slave sally hemings had circulated for two centuries among all aspects of jefferson s renowned life it was perhaps the most hotly contested topic the publication of thomas jefferson and sally hemings intensified this debate by identifying glaring inconsistencies in many noted scholars evaluations of the existing evidence in this study gordon reed assembles a fascinating and convincing argument not that the alleged thirty eight year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing friends of jefferson sought to debunk the hemings story as early as 1800 and most subsequent historians and biographers followed suit finding the affair unthinkable based upon their view of jefferson s life character and beliefs gordon reed responds to these critics by pointing out numerous errors and prejudices in their writings ranging from inaccurate citations to impossible time lines to virtual exclusions of evidence especially evidence concerning the hemings family she demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of jefferson this updated edition of the book also includes an afterword in which the author comments on the dna study that provided further evidence of a jefferson and hemings liaison possessing both a layperson s unfettered curiosity and a lawyer s logical mind annette gordon reed writes with a style and compassion that are irresistible each chapter revolves around a key figure in the hemings drama and the resulting portraits are engrossing and very personal gordon reed also brings a keen intuitive sense of the psychological complexities of human relationships relationships that in the real world often develop regardless of status or race the most compelling element of all however is her extensive and careful research which often allows the evidence to speak for itself thomas jefferson and sally hemings an american controversy is the definitive look at a centuries old question that should fascinate general readers and historians alike
