an extraordinary biography new york times book review of a brilliant pair of adventurers their marriage was both

improbable and inevitable isabel arundell was a schoolgirl the scion of england s most distinguished catholic family when she first saw him while walking at a seaside resort richard burton had already made his mark as a linguist he was fluent in twenty nine languages scholar soldier and explorer at once a symbol of victorian england s vision of empire and an avowed rebel against its mores when she turned and saw him staring after her she decided that she would marry him by their next meeting burton had become the first infidel to infiltrate mecca as one of the faithful and in an expedition to discover the source of the Nile would soon be the first white man to see lake tanganyika after being married the burtons traveled and experienced the world from diplomatic postings in brazil and africa to hair raising adventures in the syrian desert in later life richard courted further controversy as a self proclaimed erotologist and the translator of the kama sutra based on previously unavailable archives mary lovell has written a compelling joint biography that sets isabel in her proper place as burton s equal in daring and endurance a fascinating figure in her own right
