is forced back into the oil fields of south louisiana after his son is a victim of a hit

and run driver he is sent down a path of overlapping circumstances and colliding

destinies that no one could have predicted what if we stopped avoiding the difficult

people in our lives and committed to simply loving everybody what happens when

we give away love like we re made of it in everybody always bob goff s joyful new

york times bestselling follow up to love does you ll discover the secret to living

without fear constraint or worry bob teaches us that the path toward the outsized

unfettered liberated existence we all long for is found in one simple truth love

people even the difficult ones without distinction and without limits in everybody

always bob shows us the simple truths about life that have the power to shift our

mindset forever jesus uses our blind spots to reveal himself to us it s easy to love

kind lovely humble people but you have to tackle fear in order to love people who

are difficult what we do with our love will become the conversations we have with

god dark and scary places are filled with beautiful people who need our

unconditional love extravagant love has extraordinary power to change lives

including our own driven by bob s trademark storytelling this book reveals the

wisdom bob learned often the hard way about what it means to love without

inhibition insecurity or restriction from finding the right friends to discovering the

upside of failure everybody always points the way to embodying love by doing the

unexpected the intimidating the seemingly impossible whether losing his shoes

while skydiving solo or befriending a ugandan witch doctor bob steps into life with

a no limits embrace of others that is as infectious as it is extraordinarily ordinary

francisca definitely took the road less traveled as she challenged everything from eating broccoli at six to being allowed to live on her own at fifteen she talks about

the challenges of fighting conventional wisdom and of determining her own fate as

opposed to letting her fate be dictated by others life on the edge is about following

your dreams and living life to the fullest on your own terms by creating your own

path in life and then following it uncle si from the television reality show duck

dynasty shares stories from his life this volume presents new trends and

developments in soft computing techniques topics include neural networks fuzzy

systems evolutionary computation knowledge discovery rough sets and hybrid

methods it also covers various applications of soft computing techniques in

economics mechanics medicine automatics and image processing the book

contains contributions from internationally recognized scientists such as zadeh

bubnicki pawlak amari batyrshin hirota koczy kosinski novák s y lee pedrycz

raudys setiono sincak strumillo takagi usui wilamowski and zurada an excellent

overview of soft computing methods and their applications homeless across

america is the story of a man who went from being a successful stock broker and

family man to being a homeless vagabond traveling around the country and living

out of the back of his truck lake s journey took him to the homes of some of our

greatest presidents such as george washington abraham lincoln and harry truman

he walked the fields of several decisive battles that occurred on our nation s soil

such as the battle of new orleans and the fight at the alamo he traveled much of

the very coarse that the lewis and clark expedition had traveled more than two

hundred years ago while mapping out our nation lake s travels and the

experiences they provided for him played a bigger part in his personal life as well

they helped him overcome many of the negative feelings he had about his own

personal circumstances by causing him to realize that practically anyone who had

Ivan E. Coyote is a master storyteller and performer. Her beautiful funny stories about growing up queer in the Canadian north and living out loud on Canada's west coast have attracted big audiences whether gay, straight or otherwise. Missed Her is Ivan's fifth story collection following 2008's Lambda Literary Award-nominated *The Slow Fix*, 2004's Ferro Grumley Award-nominated *Loose End*, and 2006's Bow Grip her novel that was named a Stonewall Honor Book by the American Library Association. Now in development as a feature film, in her passionate and humorous new collection Ivan takes readers on an intimate journey both literal and figurative through the experiences of her life: from her year spent in eastern Canada to her return to the west coast to travels in between, whether discussing the politics of being a butch with a pet lapdog or befriending an effeminate young man at a gay camp or revisiting a forty-year-old heartbreak around her grandmother's kitchen. Ivan traverses love, gender, and identity with a wistful, perceptive eye and a warmth that's as embracing and powerful as Ivan herself.

with a foreword by stephen ambrose and a preface by franklin d anderson forrest pogue 1912 1996 was undoubtedly one of the greatest world war ii combat historians born and educated in kentucky he is perhaps best known for his definitive four volume biography of general george c marshall but as pogue s war makes clear he was also a pioneer in the development of oral history in the twentieth century as well as an impressive interviewer with an ability to relate to people at all levels from the private in the trenches to the general carrying four stars pogue s war is drawn from forrest pogue s handwritten pocket notebooks

carried with him throughout the war long regarded as unreadable because of his often atrocious handwriting pogue himself began expanding the diaries a few short years after the war with the intent of eventual publication at last this work is being published supplemented with carefully deciphered and transcribed selections from his diaries the heart of the book is straight from the field much of the material has never before seen print from d day to ve day pogue experienced and documented combat on the front lines describing action on omaha beach in the huertgen forest and on other infamous fields of conflict he not only graphically yet also often poetically recounts the extreme circumstances of battle but he also notes his fellow soldiers innermost thoughts feelings opinions and attitudes about the cruelty of war as a trained historian pogue describes how he went about his work and how the army s history program functioned in the european theater of operations his entries from his time at the history headquarters in paris show the city in the early days after the liberation in a unique light pogue s war has an immediacy that much official history lacks and is a remarkable addition to any world war ii bookshelf franklin d anderson forrest pogue s nephew by marriage is a longtime educator he lives in princeton kentucky

leah chishugi grew up in eastern congo but aged seventeen she moved to kigali the rwandan capital to work as a model she married and had a son then in 1994 she was caught up in the horrific conflict and escaped only after being left for dead under a pile of corpses she fled with her son to uganda then south africa

where she was miraculously reunited with her husband whom she believed dead  
leah finally settled in the uk where she was granted asylum and became a nurse  
after her mother died leah decided to set up a charity to help the women and  
children of eastern congo victims of continuing war atrocities a long way from  
paradise is a deeply courageous narrative of one woman s survival of personal  
trauma and finding a greater purpose in life through devotion to the service of  
others
